## CONDITION TERMINOLOGY FOR PAPER

**Gem Unc.** (Gem Uncirculated) - The perfect uncirculated item, clean, bright, vivid, crisp (where paper permits), well-margined, unimprovable, without folds.

**Choice Unc.** (Choice Uncirculated) - A lovely uncirculated item, having only a hint of aging or unevenness of the margins, face or back, or narrow margins which take it out of the "Gem" class.

**Unc.** (Uncirculated) - As made or issued, but margins may be poor, the item lightly aged, with border trimming.

**Choice AU** (Choice Almost Uncirculated) - Essentially a mishandled uncirculated item with deficiencies like a corner fold, teller counting smudge or count wrinkling.

**AU** (Almost Uncirculated) - There is one fold, a teller counting smudge or counting wrinkling present.

**EF** (Extremely Fine) - An item which may, at first glance, look uncirculated, but which has several petty folds, or a hard crease down the center perhaps with corner folds. Crisp, bright, vivid and pleasing, the paper as made, permitting.

**VF** (Very Fine) - Typically an item marked by moderate quarterfolds with perhaps a few other signs of handling. Should be clean, not seriously aged, torn, or pinholed.

**F** (Fine) - The last grade of an item in which the paper still has body. The folds are numerous and the design is beginning to show signs of soiling wear.

**VG** (Very Good) - A well-circulated item, complete, unimpaired except for petty tears and splits, pin holes, some surface splitting along heavy folds and soiling.

**Good** - An even more heavily circulated item with body holes, petty tears and splits, very soiled and tired, scarcely legible.

**Fair** - Heavily worn, split, holed, up to 10% gone, legibility seriously impaired.

**Poor** - A mere remnant, tattered and torn, scarcely readable with typically more than 10% of its surface area gone.

**Abt** (before a grade) - A shade below the grade it precedes.

**Plus or +** (following a grade) - A shade better than the grade.

**VF-EF** (hyphen between grades) - The grade is about halfway between the two grades shown.

**VF/Good** (slash between two grades) - Face and back are two different grades. The grade preceding the slash is for the face. The grade following is for the back.

## SOCIETY OF PAPER MONEY COLLECTORS

### HISTORY

At the 1960 A.N.A. Convention in Boston, a small group of paper money collectors met informally and agreed that a regular organization would be desirable. During the next year, an organization was formed comprising collectors of tokens, medals and obsolete paper money. At the 1961 Atlanta A.N.A. Convention, it was decided to withdraw from the tokens and medals group and organize separately into the Society of Paper Money Collectors. In June 1964, the Society was incorporated as a non-profit organization under the laws of the District of Columbia.

### OBJECTIVES

1. Encourage the collecting and study of paper money.
2. Cultivate fraternal collector relations with the opportunities for discussion, trading, etc.
3. Furnish information and knowledge from experts in various fields, particularly through the Society's Paper Money Magazine.
4. Encourage research and publication about paper money.
5. Promote interest in the hobby of numismatics.
6. Encourage educational exhibits about paper money.
7. Promote education about current market valuations.

### MAGAZINE

The Society's magazine, *PAPER MONEY*, is published six times a year and is sent to all members. It contains informative articles about various paper money collecting interests and lists new members and their collecting specialities.

### BOOKS

The Society maintains an active book publication program on the obsolete currency of various states.

### MEETINGS

The Society is affiliated with the American Numismatic Association and conducts a regional meeting at their annual convention. The Society holds meetings at other regional events and cosponsors a number of major paper money conventions each year.

### MEMBERSHIP

Anyone interested in supporting the objectives of the Society is eligible for membership. Applicants should be sponsored by a current member, or the Secretary will sponsor new applicants who provide suitable references, such as dealers with whom they have done business.

Lot 1005

#### Newman's Plate Note

##### 1005 CT. December 1, 1724. 2 Shillings 6 Pence. Newman Plate Note. **EF**, large foxing stains. (\$375-550)

Connecticut notes were often broken into halves and quarters for the purpose of the Indian trade. This note would therefore be equal to 7 1/2 pence. Receipt of such notes was prohibited after 1727, but the practice continued for a number of years after that. In view of the fact that Newman had to make due with this mere fragment, the absence of notes in better condition for use as illustrative pieces may be reasonably inferred.

See previous column for illustration.

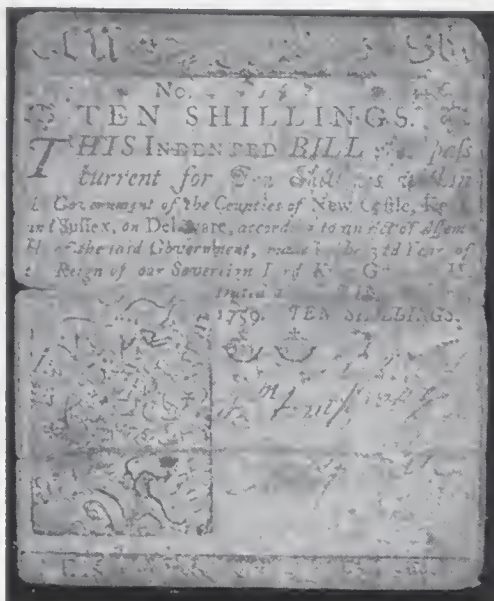

##### 1006 CT. July 10, 1733 Act Part Bill. [2] (\$800-1300)

1-2) Both right quarters of the 3 Shilling Note. No.44. Signed by Hezekiah Wyllys, Nathaniel Stanly and William Pitkin. Both pieces are **VF**, with pin holes where they were once attached to one another. Again their use as small "Indian Trade" notes, in this case for 18 pence, continued despite threats not to receive or redeem such notes. H. Wyllys was the Secretary of State and father of George Wyllys, who succeeded his father in that office.

## 1007 Later New England Notes. [4] (\$225-450)

1) CT. June 19, 1776. **5 Shillings**. No.8572. Williams. **Unc**, CC, a small piece gone at the bottom. 2) July 1, 1780. **2 Shillings 6 Pence**. No.6193. **Unc**, POC, the left border is shaved. 3) RI. July 2, 1780. **\$1**. No.1952. Rumreill (faded) and Comstock. **Signed on the back** (searce as such), by Arnold; **Unc**. Interest paid notation on faee. 4) 1786. **20 Shillings**. No.8727. Signed by Knight, Allen and Hazard. **Choice Unc**.

1008 DE. June 1, 1759. **10 Shillings**. No.55147. Faded signatures. **VG-Fine**, left side fold split. (\$220-350)

Printed by **Ben Franklin** and David Hall.

1009 DE. June 1, 1759. **20 Shillings**. No.4988? Signed by Armstrong, John Barners and David Hall. **VG, plus**, split along the center fold, taped with stain on the back. (\$150-300)

Printed by **Franklin** and Hall.

1010 DE. May 31, 1760. **20 Shillings**. No.1850. Signed by Rice, Hall and Lockerman. **G-VG**, split in half, pinned together, taken apart and rejoined with glue. (\$170-300)

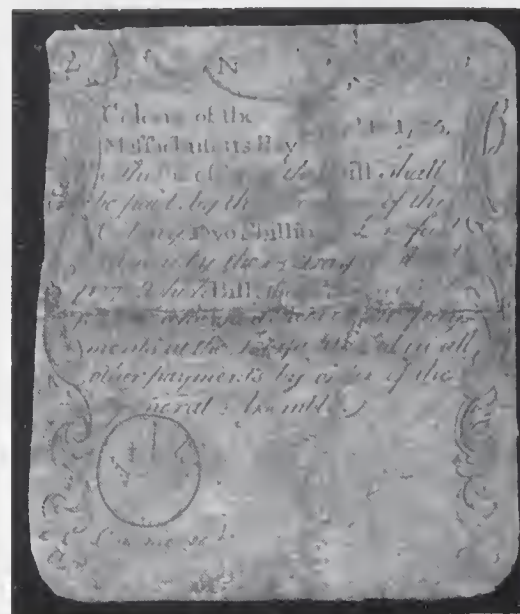

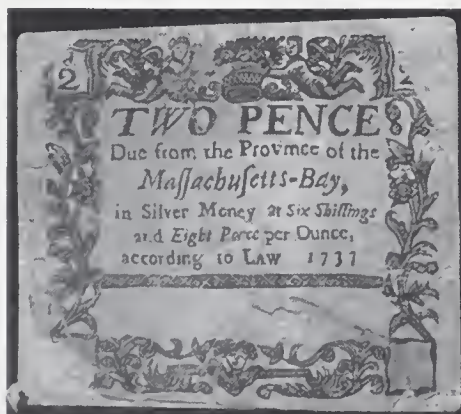

Scaree red and blaek note by **Franklin** and Hall.

## 1011 MD. Various Maryland Notes. [8] (\$150-300)

1) March 1, 1770. **\$4**. Worm holed, **VF, plus**, rounded corners. 2) April 10, 1774. **\$1/3**. **Good**, almost split in half. 3) **\$2/3**. **Abt VF**, aged, split in from the right. 4) **\$6**. No.5981. **Unc**, the lower left eorner tip is stained. 5) Deeember 7, 1775. **\$1/6**. **G-VG**, heavily stained, top right eorner; edge splits, written notation at the bottom "From Miss R. Connen Sale Mareh 23, 1874". 6) **\$2**. Badly torn up, and put back together. **Poor**. 7) **\$4**. Bald spots on the faee, **Good**. 8) August 14, 1776. **\$1 1/3**. **Abt VG**, frayed right side, fold splitting.

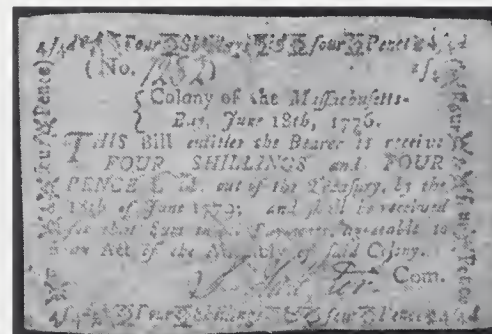

1012 MA. 1737. **2 Pence**. Mounted on blue thick paper with pieces missing in all four corners. (\$1500-3000)

The authenticity of this piece has been questioned. We believe, however, that it is unlikely to be false, no record of a false piece having been made is extant. The note was of such small value as to make a contemporaneous counterfeit of it unprofitable. The note is so rare now as to preclude a modern forgery from being made.

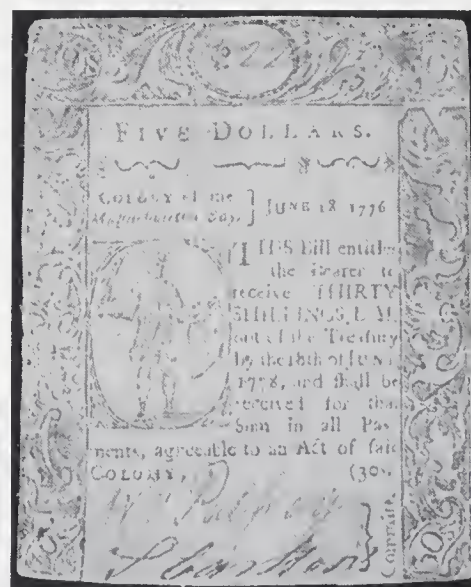

1013 MA. August 18, 1775. **2 Shillings**. Paul Revere Sword in Hand Note. **Good**, much split and sewn and glued back together. **A mere filler**. (\$300-500)

1014 MA. June 18, 1776. **2 Shillings 6 Pence**. No.7161. Wigglesworth. **Abt VF**, a nipped town left corner tip. (\$210-330)

Signed by Palfray and Carlton. A genuine note, unlike the numerous \$4 notes that have turned up.

- 1023 Mixed Colonial Note Lot. [2] (\$150-300)

1) NC. May 10, 1780. \$25. No.1727. Vim Vi Repellamus. Abt VF, badly trimmed with a soiled face and right side body tears. 2) RI. 1786. 9 Pence. No.11535, Signed by Allen and Comstock. Gem Unc, wide margins.

# Confederate Currency

- 1050 Act of March 9, 1861 as amended August 3, 1861. \$100. T-5. (Cr.5). No.2379. Choice Unc., moderate wrinkling. (\$1300-2200)**

Signed by Robert Tyler as Register and Edward Elmore as Treasurer. Tyler was the son of U.S. President John Tyler. Elmore was an Alabamian from an old South Carolina family who shot a Richmond editor, Daniels by name, for claiming that he was embezzling public funds to support a gambling habit.

- 1051 Act of March 9, 1861, as amended August 3, 1861. \$50. T-6. (Cr.6). No.525. Appears Choice Unc, but it is actually something like Abt EF, because of three light creases scattered around the note, with moderate paper wrinkling. (\$800-1400)**

Signed by Tyler and Elmore.

- 1052 Act of May 16, 1861. \$100. T-7. (Cr.11). No.25337. Unc, full borders, traces of teller handling. (\$1100-1900)**
- 1053 Act of May 16, 1861. \$20. T-8. (Cr.25). Unc, but teller handling on the left side; looks pristine on the face. (\$125-250)**

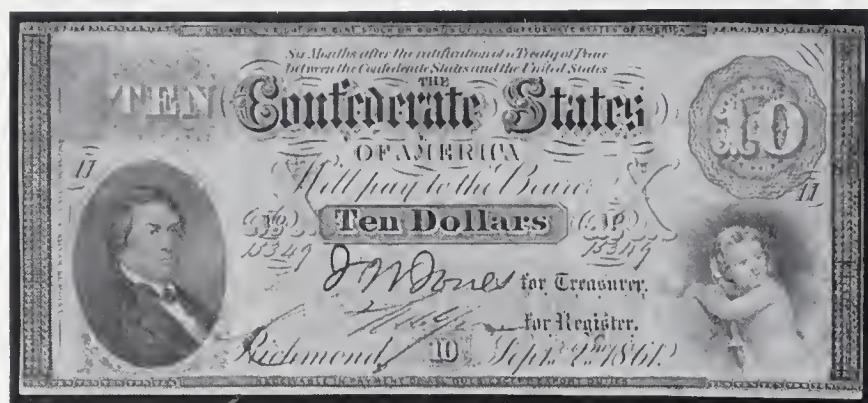

Please note that a 10% buyer's premium will be added to each lot purchased.

- 1054 Act of August 19, 1861 Notes. [2] (\$150-300)**

1) \$100. T-13. EF, a center fold, side handling, complete borders. 2) \$10. T-28. Abt VF, CC, back grill pattern from a de-acidification tray. The left border is trimmed, the right margin has the name "Altschu". Looks practically pristine on the face.

- 1055 Act of August 19, 1861. \$10. No.H15336. T-24. Choice Unc, slight brown oxidation in the left medalion, margins tight. Crisp, bright, vivid. (\$250-450)**

- 1056 Act of August 19, 1861. \$10. T-24. (Cr.160). No.H15349. EF, teller creasing in the lower left corner, a diagonal fold. (\$150-300)**

Crisp, bright, vivid note, with complete borders. This variety is seldom seen so fine. This suggests that the preceding note was from a sheet with the Whatman watermark.

- 1057 Act of August 19, 1861. \$10. T-29. B. No.13599. Unc, complete borders, pencil writing on back in the hand of Philip H. Chase, the early CSA expert. (\$300-500)**
- This note is about as good as they come; practically unimprovable.

- 1058 Act of August 19, 1861 Engraved Notes. (\$150-300)**

1) \$5. T-32. VG, the color is weak and there are two semi-circular cut out holes in the bottom. 2) \$5. T-33. "Five" watermark. No.L16522. F-VF, CC, with a small hole. But crisp, bright and vivid, and looks lovely on the face but for two small ink stains under the left signature. 3) \$5. T-34. VG, CC, stained at the right.

**1059 Act of April 17, 1862 Interest Bearing Notes. [9] (\$275-550)**

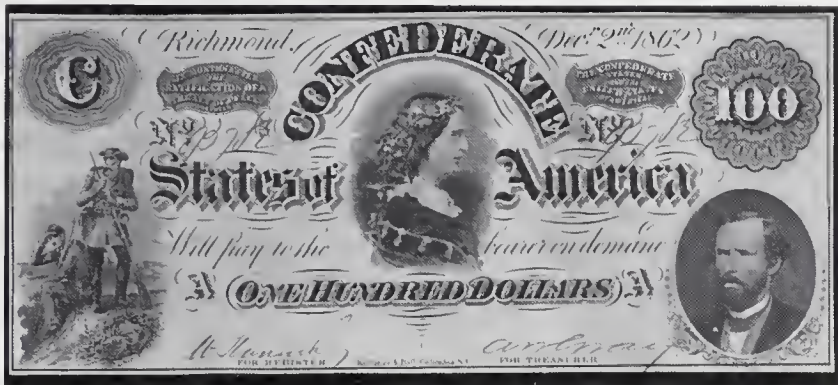

1-3) \$100. T-39. Cr.287, 291, 293. **Fine, EF, VG-Fine.** 4-5) \$100. T-40. Cr.298, 302. **VG, Fine.** 6-9) \$100. T-41. Two of Scroll I, two of Scroll II. **F-VF, Fine, plus; F-VF, Abt EF.**

**1060 Act of April 17, 1862 Interest Notes. [8] (\$200-400)**

1-7) \$100. T-40. Mostly Cr.298, one 302. **Fine, or thereabouts.** 8) \$100. T-41. **Fine.**

**1061 1862 Specialty Notes. [3] (\$150-300)**

1) Act of April 17, 1862. \$100. T-40. Red stamp on face for the 1880 election. **Abt VF**, trimmed at the top and center. The stamp reads "Vote for Hancock and English/This bill represents the principles that Lee and Jackson fought for and if Hancock is elected it will be worth \$100 in greenbacks". While this might be the product of Confederate sentiment, it is more likely to be of Republican/Unionist origin. It suggests that Hancock, a Union general, (most notably at Gettysburg) had become a rebel sympathizer who would pay off the rebel debt. This, it was hoped, would frighten many into voting for Garfield. Credit Mobilier scandal or no. With earlier write up. 2-3) \$100. T-41. Nos.99974, 43085. **Unc**, with "helped" note numbers.

**1062 Various 1862 \$100 Bills. [2] (\$300-525)**

**1063 Act of December 2, 1862. \$10. T-52. Cr.373IB. No.7283. Inverted back. Unc, signature bleed thorough to the back. (\$150-300)**

**1064 Act of March 23, 1863 Note Group. [2] (\$175-350)**

1) \$100. T-56. Cr.403/4. **Unc.** 2) \$10. T-59. Cr.443B. **Unc, CC.**

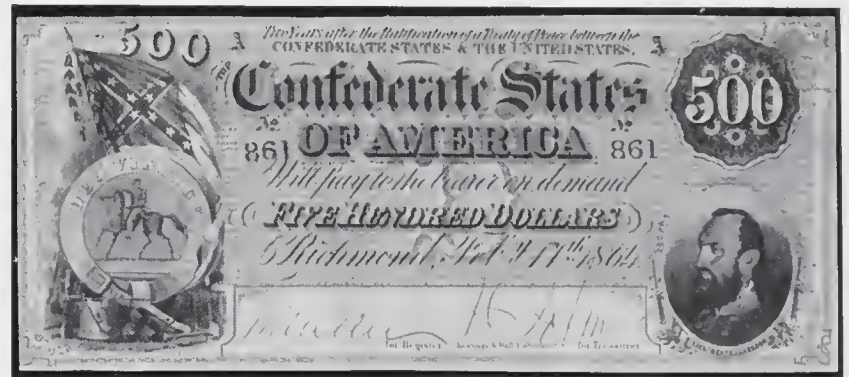

**1065 A Mixed Group of 1863 and 1864 Bills. [9] (\$160-320)**

1-3) March 23, 1863. \$10, \$5, \$1. T-59. 60, 62. **EF, Fine.** deacidification tray grill pattern on back. **Fine.** 4-8) Act of February 17, 1864. \$100, \$50, \$20, \$10, \$2. Reproduction with blue tint on face and blue back. **VF**, back edge splits.

**1068 \$500. T-64. Cr.489A. No.A861. EF, teller handling on both sides, reasonably complete borders. (\$350-600)**

**1069 \$500. T-64. Cr.489A. No.B2401. Fine, plus, better than average margins. (\$250-500)**

The poem, the Confederate note, is handwritten on the back.

This was probably laid on a wet plate-hence the regular image, but the impression was so light that the printers over-looked it in printing this note on it.

**1073 \$50. T-66. 1864 Notes. [17] (\$425-850)**

This group of various varieties has 5 **Fine**, 1 **VF**, 4 **EF**, 2 **AU** and 2 **Unc** notes.

- 1074 \$20. T-67 1864 Notes. [56] (\$1050-2100)**

## Illinois

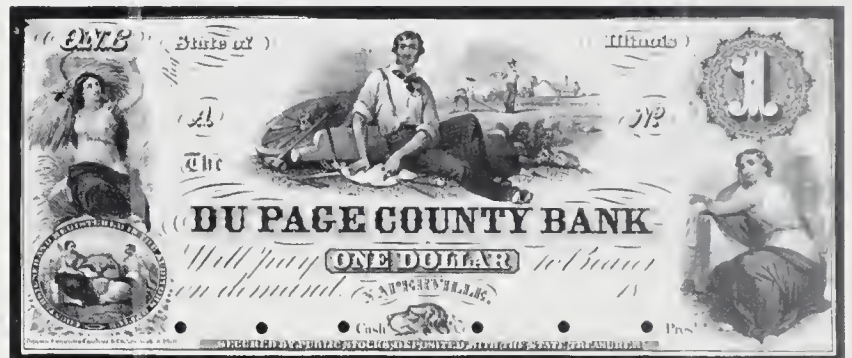

- 1115 IL. Chicago. Afro-American Reserve Organization. \$20. Twenty packs of red, green and black notes in original sleeves and wrapped. Unc. [2000] (\$180-Up)  
The idea for this currency, Afro-American Face Reserve Obligation, was invented by a 32 year old investment banker named Price. The money was to be used to raise the status of the black community by increasing its purchasing power. He hoped to get blacks to spend up to \$100 million a month in such notes that would raise \$10 million for a trust fund. The trust fund would then work to provide low income housing, venture capital for black businesses, and educational opportunities for black youth.  
The idea was that banks and stores could be induced to receive such notes and that the black community would patronize only such establishments. Price's firm would get 2.9% of each dollar spent, whereas the credit card companies charge 4-7%. Price even went to the trouble to clear his notes with the Secret Service. Evidently, this scheme never got off the ground as people preferred the paper put out by the Federal Reserve Banks, and there were other organizations doing the sorts of things Price wanted to see done.

A Very Rare late Civil War issue. With a state bank tax going into effect on July 1, 1866, and this note dated April 1, 1864, there was clearly not time for this small bank to put many of this new series of notes into circulation before it became economically unfeasible to continue doing so.

There were so many irregularities in their issue that the Federal Government refused to pay them off and under those circumstances, the state government refused to do so either.

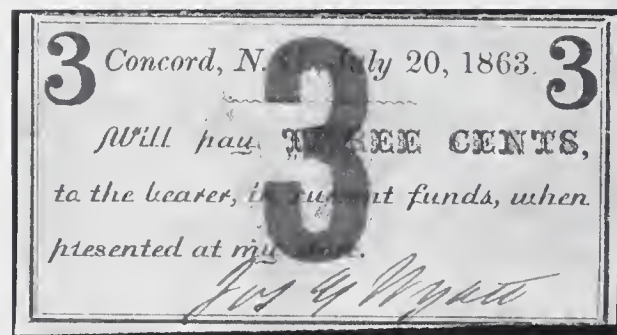

- 1201 MO. Independence/Clinton. Hobbs & Griffith. **50 cents.** 9.17.1862. **Fine**, two tears, glassine tape repaired on the back. Upper corner stamp hinges, and tiny split holes along the horizontal center fold. (\$400-800)  
Note that these notes are payable in Confederate money, when Independence was supposedly under Union control. Missouri notes thus payable are **Quite Rare**.

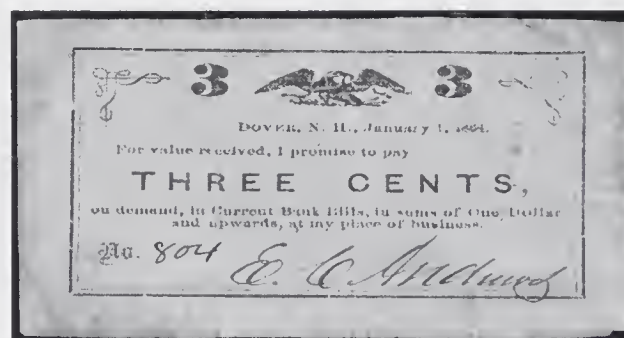

- 1202 MO. Independence/Lamar. Ward & Porter. \$1. July 6, 1862. **AU**, not signed and probably not issued. (\$400-800)  
Again a rare issue payable in Confederate money.

### New Hampshire

- 1203 NH. Concord. Joseph W. Wyatt. **3 cents.** Blue, with red "3" at the center. **VF**, some discoloration around the center number. (\$180-300)

- 1204 NH. Dover. E.C. Andrews. **3 cents.** 1.1.64. Blue. **VG**, soiling. (\$150-250)  
Not in the Remy Borne collection.

- 1205 NH. Dover. Strafford Bank. \$2. (G-24b). SENC. Abt VG, punch cancelled. (\$240-400)

- 1206 NH. Exeter. Granite Bank. \$1. (NH-95, G-12). VG, aging. (\$180-300)

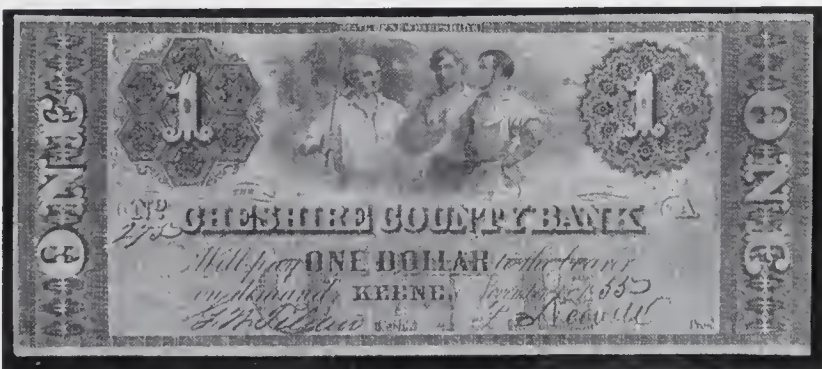

This and the succeeding note seem to have been on the same sheet with all the A's of this design and all the B's of the succeeding design. That two notes of the same denomination on the same sheet should be different is unusual.

- 1207 NH. Exeter. Granite Bank. \$1. (NH-95, G-16). VG, rather dark. (\$180-300)

- 1208 NH. Harrisville. Milan Harris. 10 cents. 1862. Franklin, left; green back. Remainder. AU, back hinges and top corner glue stains. (\$150-250)

First we have seen.

- 1209 NH. Keene. Cheshire County Bank. \$1. (G-2). VG, plus. (\$200-350)

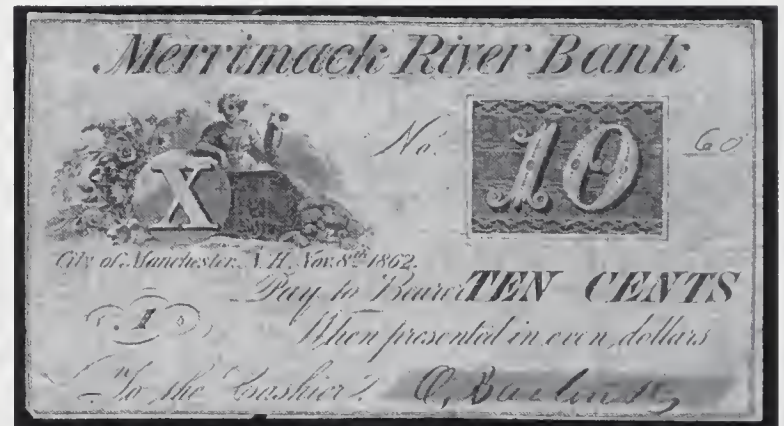

- 1210 NH. Bank of Lebanon. \$20. (A-20, SENC). VG, darkening, ink notations on the right back. (\$180-300)

A fascinating note, as this is an altered note on a fraudulent Texas bank. How it got into the hands of those who altered it for New Hampshire use we do not know.

- 1211 NH. Manchester. Amoskeag Bank. \$3. (G-6b). Unlisted and obviously SENC. VG. (\$350-600)

Similar to G-6A, but there is an ABN monogram at the left near the counter and vignette.

- 1212 NH. Manchester. O. Barton & Co., per the Merrimack River Bank. 10 cents. 11.8.62. No.60. Fine, light soiling. (\$180-300)

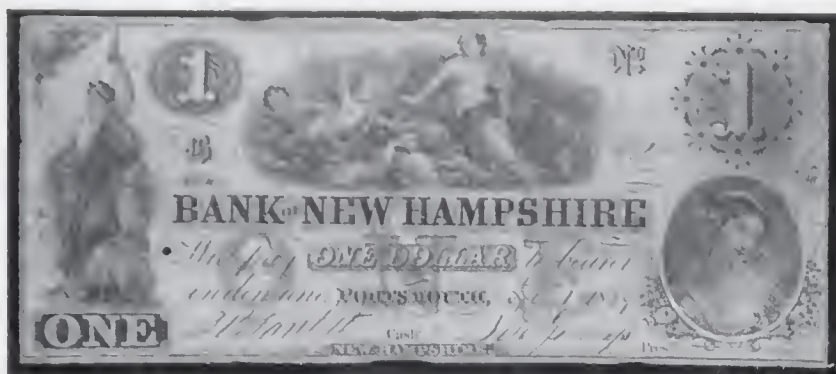

An unusual note, especially as it appears to be well engraved.

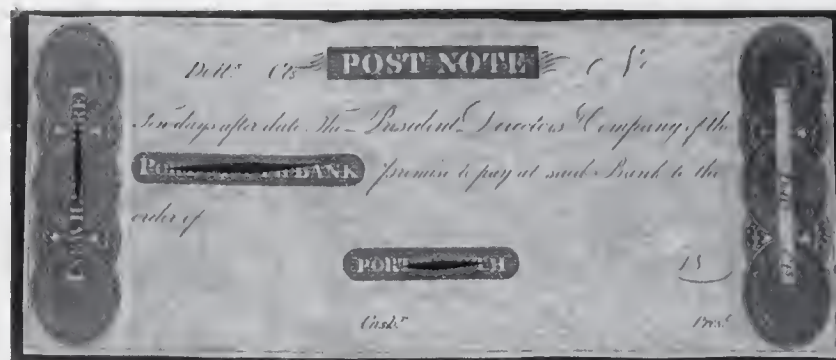

- 1213 NH. New Market Bank. \$5. (NH-230, G-8). Proof on India paper only. Unc, POC. (\$350-600)

This appears to be the Haxby Plate Note.

- 1214 NH. Portsmouth. Bank of New Hampshire. \$1. (NH-270, G-2a). VG, a small punch hole with a tear; a short tear in the left edge. (\$180-300)

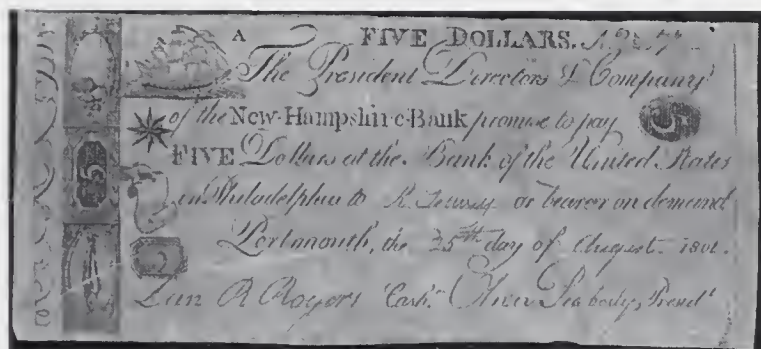

- 1219 NH. Portsmouth Bank. Undenominated Post Note for dollars and cents. 1814-1815 era. Unlisted. EF, center and corner folds with three cut outs in the body of the note. (\$300-500)

- 1215 NH. Bank of New Hampshire. \$5. (NH-270, G-8a). SENC. VG, mottled aging, a paper clip stain on the back and a small body hole. (\$350-600)

- 1220 NH. Portsmouth. Rockingham Bank. \$1. (NH-295, G-28). Proof on new card. Unc, POC. (\$240-400)

- 1216 NH. New Hampshire Bank. \$5. 1801. (NH-271, G-118). SENC. Fine, light mottled aging. (\$350-600)

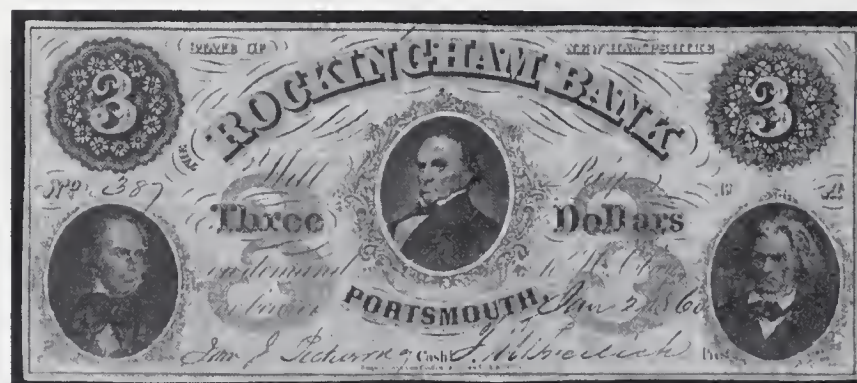

- 1221 NH. Portsmouth. Rockingham Bank. \$1. (NH-295, G-28). UNL. "ONE" in red letters. VG, short bottom edge nick. (\$240-400)

This is an earlier version of the issued note listed as G-28a. This bank will obviously have to be renumbered.

- 1217 NH. Portsmouth. Bank of New Hampshire. \$5. (NH-271, G-136, SENC). VG, darkening. (\$240-400)  
An exceptionally Rare note.

- 1218 NH. Portsmouth Bridge. 3 cents. Foot Passenger cardboard ticket. Black on orange. Unc. (\$150-250)

Cardboard notes are scarce outside of the major metropolitan areas, especially New York City.

- 1222 NH. Rockingham Bank. \$3. (NH-295, G-52b, SENC). Fine-VF. (\$350-600)

This note is obviously unlisted as the red protector is two "3" figures and there is an ABC monogram at the right. Thus there was for this denomination, a proof, a first issue with "three" spelled out, and this note. There may also have been an in-between note without the ABN monogram.

Error Protector

- 1223 NH. Rochester. Farmer's and Mechanic's Bank. \$1. (NH-300, G-2c). Error listing of the "TWO" tint in orange, whereas in point of fact it is green. Specimen. AU, POC, scattered light foxing and wrinkling. (\$270-450)

- 1224 NH. Rochester. Farmer's and Mechanic's Bank. \$2. (NH-300, G-4b). SENC. G-VG, Two small punch holes, other body holes, petty bald spots along the right edge, and a big water stain in the center. A Great Rarity. (\$200-350)

- 1225 NH. Rochester. Farmer's and Mechanic's Bank. \$3. (NH-300, G6a). Unc, some minor mishandling. (\$180-300)

- 1226 NH. Rochester Bank. \$3. (NH-305, G-12a). Haxby Plate Note. VF, three vertical folds, POC, with 90% of the note waterstained from left to right. (\$180-300)

- 1227 NH. West Northwood. A. Annow, per the Peoples Union Bank. 5 cents. No.22. Dec. 1, 1862. Seated woman with anchor at left. Fred Mayers & Co. EF, a couple of folds, and POC. (\$190-325)

Almost certainly *Rare*, as only low numbered pieces have been seen.

- 1228 NH. Wolfboro. E.D. Barnes, per the Lake Bank. 50 cents. Plain. 12.1.62. Green back. J.H. Bufford, Boston. (\$180-300)

- 1229 NH. Wolfboro. Wolfboro Bank. \$1. (NH-350, G-8). Falsely filled in. Abt Fine. (\$180-300)

- 1230 NH. Wolfboro Bank. \$2. (NH-350, G-24a). VG. (\$180-300)

- 1231 NH. Wolfboro Bank. \$3. (NH-350, G-32). Abt VG, a punch hole at top right. (\$200-350)

The words Counterfeit and Worthless are written in the signature blocks as on the Haxby note.

This note should be listed prior to G-12, which it clearly precedes.

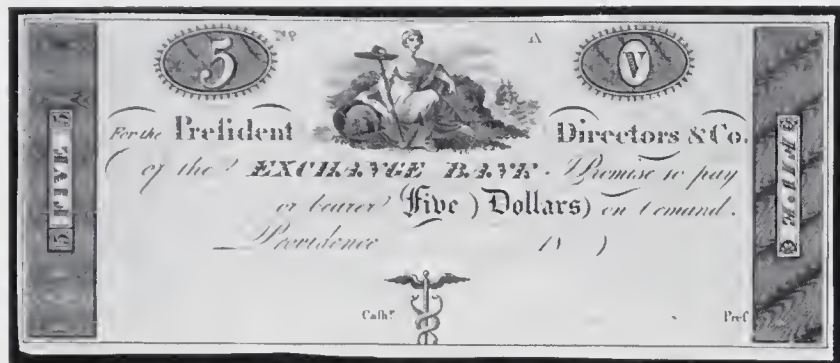

1247 RI. Hopkinton/Westerly. Hopkinton Bank. \$2. (RI-130, G-18a). **SENC**. Red back. **VG-Fine**, three pin holes. (\$240-400)

This bank became a national bank; the word "National" has been inserted at the top. This note was signed on January 1, 1865 as President by William Sprague, (1831-1915). Sprague inherited a textile fortune which he greatly enlarged, allegedly by trafficking in cotton with the Confederates. He also served with distinction in the Union Army while Governor of Rhode Island. In 1863 he became son-in-law to Salmon P. Chase, Ohio Governor, U.S. Secretary of the Treasury, and Chief Justice. Sprague served from 1863 to 1875 as Senator from Rhode Island (thus at signing). He was Chase's secret weapon in the Johnson impeachment case. Had not Senator Ross of Kansas voted to acquit, Sprague had agreed to do so. He later was ruined by drink, the crash of 1873, which cost him his textile fortune, and his divorce.

# Chicago Paper Money Exposition Public Auction #196

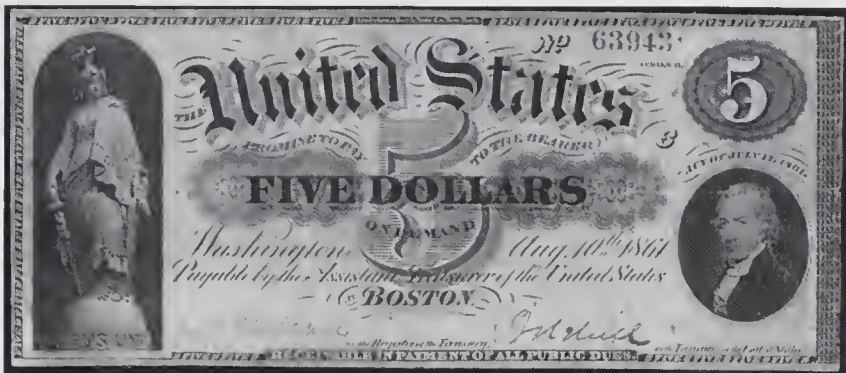

## Session II • Lots 2001 - 2852

### Friday, February 18, 2000 - 6:00 PM

#### U. S. Large Size Currency

*Including The Collection of  
Former Judge Marc Mogil*

#### Demand Note

- 2001 \$5. Fr.3.** 1861. No.63943, Series 11. **VG**, or a bit better, with a few tiny pinholes. An attractive note, with good signatures. **(\$800-1,200)**

#### Legal Tender Notes

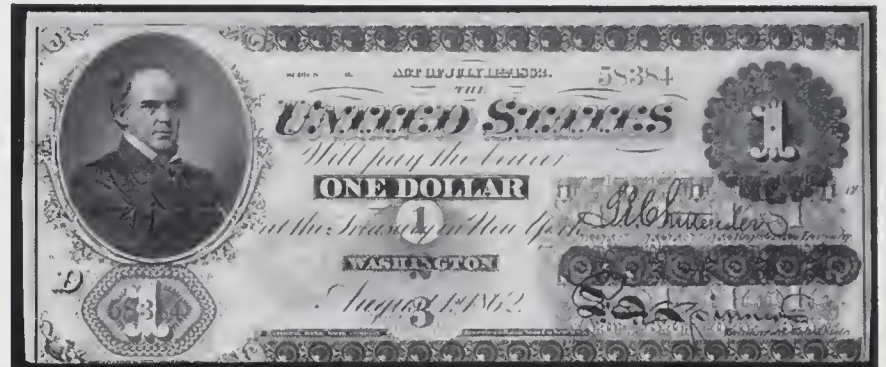

- 2002 \$1. Fr.16.** 1862. No.90517, Series 270. **VF-EF**. A particularly bright, attractive note, tight at the right, but the top and left margins are particularly broad. The top margin shows full plate number 63 (for the green "tint" plate). **(\$400-550)**

- 2003 \$1. Fr.16.** 1862. No.72351, Series 249. **EF** in terms of wear, with good margins. Missing about 2mm of the upper right corner tip, with a couple of other trivial edge nicks. **(\$300-450)**

- 2004 \$1. Fr.16.** 1862. No.30697, Series 193. **VG**, or a bit better, with a few small pinholes. Broad margins, with plate number 70 in the top margin (for the green "tint" plate). **(\$125-175)**

#### Very Rare Fr.17

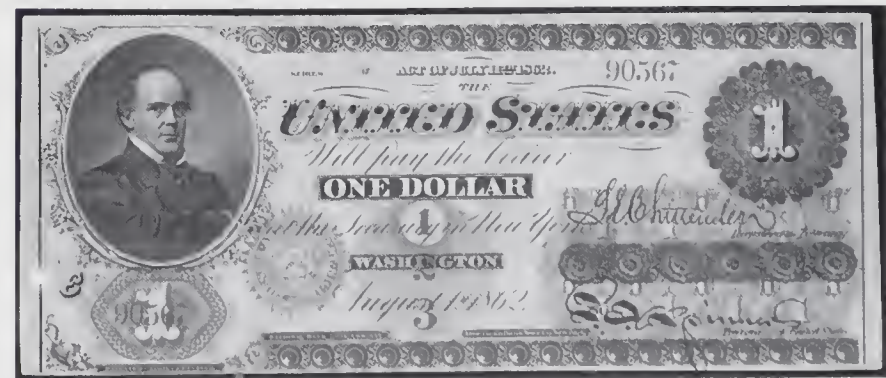

Possibly Finest Known

- 2005 \$1. Fr.17.** 1862. No.58384, Series 15. **Choice Uncirculated**. Trimmed slightly in across the bottom, but fully bright and crisp. Far scarcer than Fr.16, particularly this nice. Fr.17 is by far the rarest of the 1862 \$1 notes, with just 10 notes in the census. Only two of the ten are listed as Uncirculated, and the other has not been seen since the 1950's. The note is at least second finest known, and given the looser grading standards of the 1950's, it may well be **the finest of the ten known**. **(\$2000-3,000)**

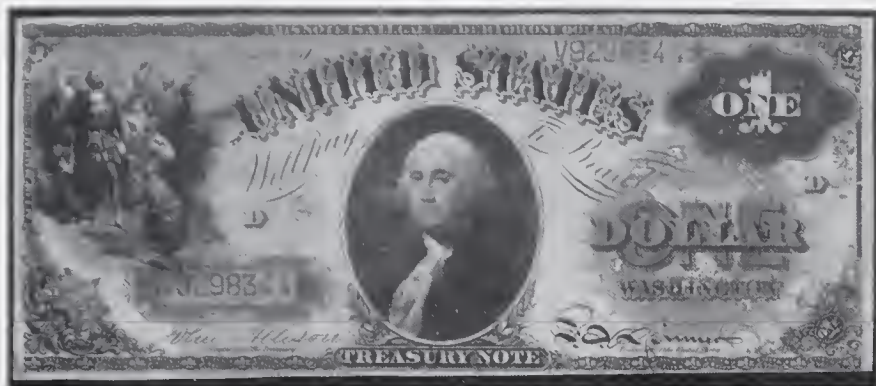

- 2006 \$1. Fr.17a.** 1862. No.58374, Series 15. **AU**, with a couple of expertly closed pinholes. No folds through the note, but some teller handling and light corner folds. Very attractive. **(\$700-850)**

- 2007 \$1. Fr.17a.** 1862. No.90567, Series 47. **VF-EF**, with a few pinholes. Trimmed slightly in at the bottom, but clean, bright and crisp. **(\$400-500)**

**2008 \$1. Fr.17a.** 1862. No.39851, Series 93. VF or better. A clean, bright note with good margins and color, with just a single small pinhole at the top. (\$350-450)

**2009 \$1. Fr.18.** 1869. No.V9298344. **Choice Uncirculated.** While the margins are not all one might want, the bold color and overall appearance are excellent. (\$1,250-1,750)

**2010 \$1. Fr.18.** 1869. No.Z2272187. **VG**, but obviously washed, with some soiling still evident. Good margins, with no pinholes or edge damage. (\$80-120)

**2011 \$1. Fr.19.** 1874. No.E7288724. **Fine**, with a small (10mm) brown spot above the left serial number. Excellent margins, with no damage. (\$80-120)

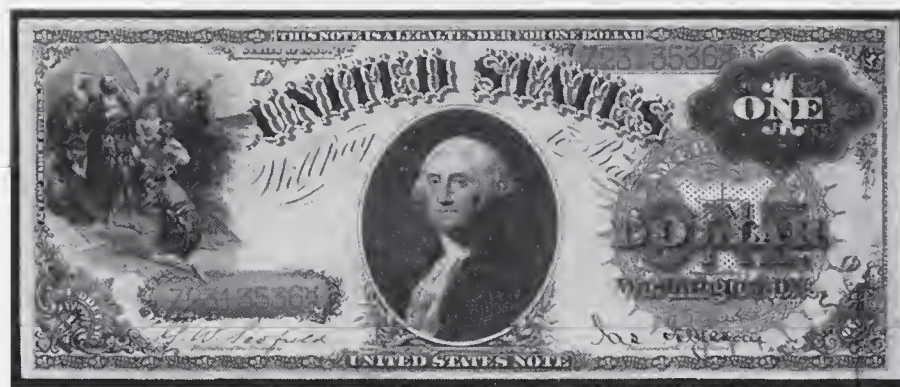

**2012 \$1. Fr.20.** 1875. No.H6028461. **Choice Uncirculated.** Tight across the top, but the other three margins are broad. A nice fresh note with good color. (\$750-1,000)

**2013 \$1. Fr.26.** 1875. No.K4467967. **Gem Uncirculated.** A superb example of a variety that is usually found aged or badly trimmed. (\$1,250-1,750)

**2014 \$1. Fr.27.** 1878. No.A6222384. **Uncirculated**, but somewhat toned, and a trifle close at the top. (\$400-600)

**2015 \$1. Fr.28.** 1880. No.Z2313536. **Gem Uncirculated.** About as nice as one could hope for, with bright paper and bold color. (\$1,000-1,400)

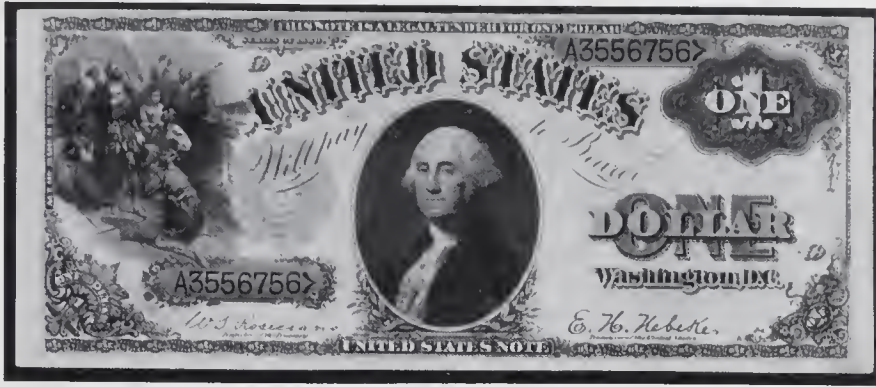

**2016 \$1. Fr.30.** 1880. No.Z42103583. **Uncirculated.** Bright, crisp and original, with deep embossing, but close at the right, with two "bumped" corners and a couple of tiny pinholes. (\$400-600)

**2017 \$1. Fr.31.** 1880. No.A1718288. **VG**, or a bit better, but trimmed right to the design on all sides, with a pinhole or two. (\$175-225)

**2018 \$1. Fr.34.** 1880. No.A3556756. **Choice to Gem Uncirculated**, the seal just a bit light. A most unusual note, with three extraordinarily broad margins, the top one average. **(\$600-900)**

**2019 \$1. Fr.36.** 1917. No.D48209346A. **Choice Uncirculated**, close to gem. **(\$175-225)**

**2020 \$1. Fr.36.** 1917. No.A96219116A. **Choice Uncirculated**. Not perfectly centered, but the embossing is deep and original. **(\$175-225)**

**2021 \$1. Fr.36.** 1917. Two pieces, just four numbers apart. both are **Choice Uncirculated**, tight at the bottom, but fully original, with strong embossing. [2] **(\$325-425)**

**2022 \$1. Fr.36\*.** 1917. **STAR** No.\*2922988B. **VG** or so. Well worn, with a few pinholes, but solid and undamaged. **(\$100-150)**

**2023 \$1. Fr.37; \$5. Fr.855a; \$1 SC. 1935.** The first two are **VG-F** overall, the second with numerous small holes. The small size is **Good**, washed and treated to remove the seal and serial numbers, the back now yellow. [3] **(\$30-50)**

**2024 \$1. Fr.39.** 1917. No.T55723206A. **Choice Uncirculated**. Very tightly trimmed at the bottom, but otherwise quite nice. **(\$175-225)**

**2025 \$1. Fr.39.** 1917. No.N49187393A. **Choice EF**, with one sharp center fold. Looks **Choice Uncirculated**. **(\$70-90)**

### Five Consecutive 1923 \$1 Legals

*The following five consecutive Fr.40's are beautiful original notes, fully gem but for the centering, which is close to gem but not quite there.*

**2026 \$1. Fr.40.** 1923. No.A70947027B. **Nearly Gem Uncirculated**. **(\$450-600)**

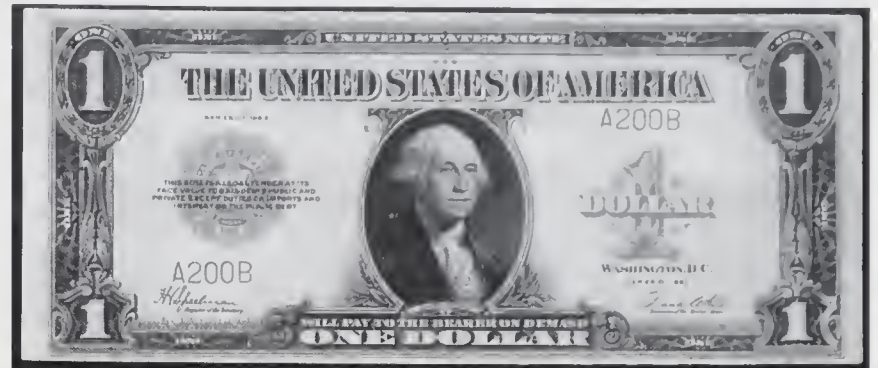

**2027 \$1. Fr.40.** 1923. No.A70947028B. **Nearly Gem Uncirculated**. **(\$450-600)**

**2028 \$1. Fr.40.** 1923. No.A70947029B. **Nearly Gem Uncirculated**. **(\$450-600)**

**2029 \$1. Fr.40.** 1923. No.A70947030B. **Nearly Gem Uncirculated**. **(\$450-600)**

**2030 \$1. Fr.40.** 1923. No.A70947031B. **Nearly Gem Uncirculated**. **(\$450-600)**

**2031 \$1. Fr.40.** 1923. No.A14288901B. **Gem Uncirculated**. Full original embossing, with bright paper and bold color. **(\$450-600)**

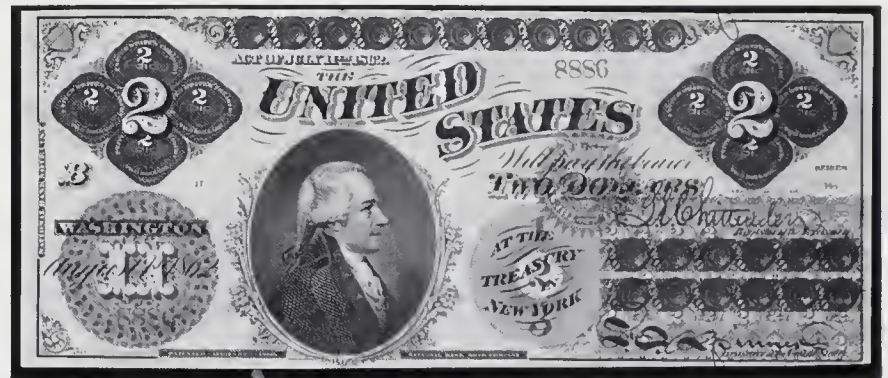

**2032 \$1. Fr.40.** 1923. **Low No.A200B. AU.** A bright, crisp note with a couple of broad light corner folds and a tiny (2mm) split in one margin. Looks and feels **Gem Uncirculated**. **(\$225-300)**

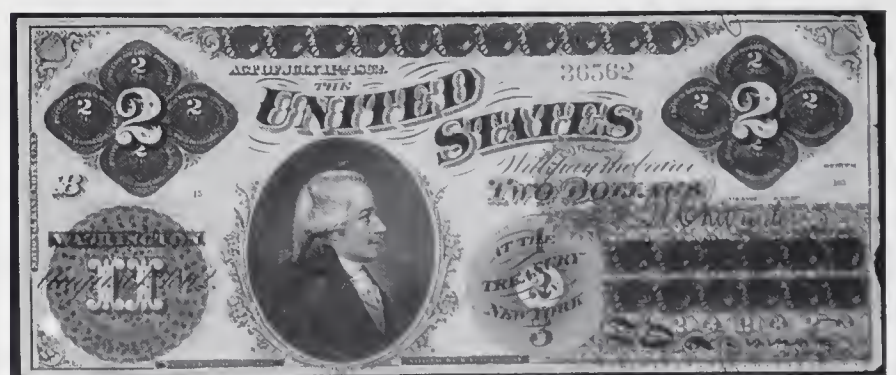

**2033 \$1. Fr.40.** 1923. No.A66022280B. **EF-AU**, with just one soft center fold. Tight at the bottom, but otherwise quite nice. **(\$150-225)**

**2034 \$1. Fr.40.** 1923. No.A31030466B. A solid, problem-free **VF+**, with good margins. Clean and bright. **(\$100-125)**

### Beautiful 1862 \$2 Legal

**2035 \$2. Fr.41.** 1862. No.8886, Series 144. From the May 1999 CAA sale as "Choice New," subsequently graded **About Uncirculated-58** by CGA. It is no longer in the CGA holder, but their grade is exactly right, as it has a faint but unmistakable center fold. The overall look is superior to many technically finer notes. **(\$1,750-2,250)**

**2036 \$2. Fr.41.** 1862. No.36562, Series 165. **EF**, but the right edge is a trifle rough, with some tiny splits and missing about 2mm of the upper right corner. Bright, clean and crisp. **(\$600-800)**

### Finest Known Number 1 \$2 Legal

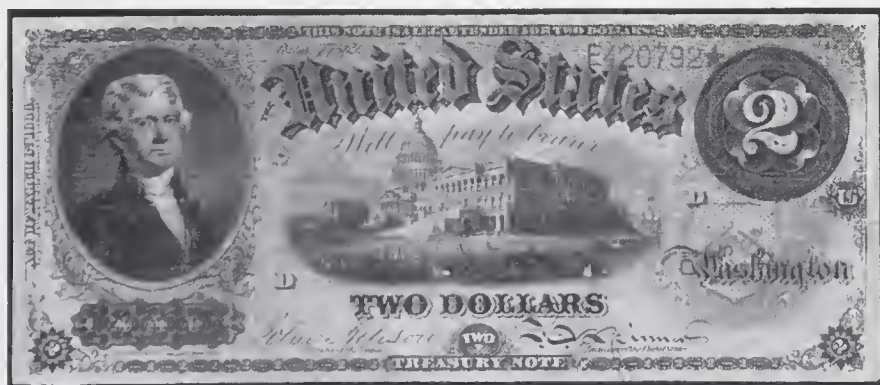

- 2037 \$2. Fr.41.** 1862. **Serial Number 1**, the Series illegible due to slight paper roughness in that area. **F-VF** overall. Clean for the grade, with excellent margins and color, but a couple of folds have split slightly at the top. Four Number One notes have been traced for Fr.41 (plus one for Fr.41a, which actually predates Fr.41). This is **the finest known** of the five, and only one other has been publicly available in over sixteen years.

(\$4,000-6,000)

This note first surfaced in London in the 1980s. It then caused a bit of a stir when it appeared in Lyn Knight's June 22, 1996 sale, as "possibly the first \$2 bill issued" - the confusion due no doubt to Friedberg's incorrectly listing the Fr.41 as preceding the Fr.41a. This cataloguer has recently seen the Number 1 Fr.41a referenced above (which was exhibited at several conventions in the early 1970s), and that Fr.41a is unquestionably the first U.S. \$2 bill issued. The 1996 Lyn Knight sale of the note offered here was later reversed, and the note was then consigned to C.A.A.'s January 1999 sale, correctly catalogued simply as a genuine Number 1 note, and sold as such. Since each block of 100,000 notes would have a sequential "Series" number, with each series bearing Serial Numbers 1 to 100,000, several Number 1 notes in each of the 1862-1863 Legal Tender denominations may exist, all perfectly genuine. With the controversy over this note now diminished, perhaps the bidder can focus on the fact that **this is the finest of only five known Number 1 \$2 notes of the period.**

- 2038 \$2. Fr.41a.** 1862. No.35031, Series 14. **Fine**, but trimmed in at the left, with a couple of small pinholes.

(\$400-550)

- 2039 \$2. Fr.42.** 1869. No.E420792. **F-VF**, with a few pinholes, but no splits. Outstanding even margins.

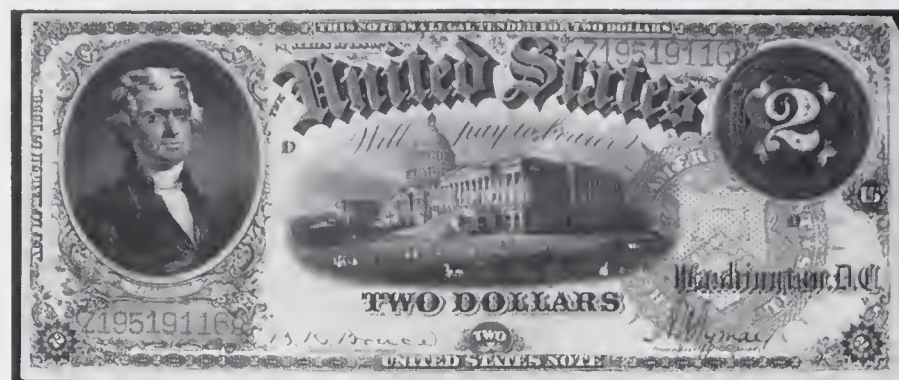

(\$400-600)

- 2040 \$2. Fr.42.** 1869. No.U5397410. **VG**, or a bit better. Good margins, but with some pinholes in the left half.

(\$175-250)

- 2041 \$2. Fr.43.** 1874. No.B1265322. **AU**. Tight at the bottom right, with rounded corners and handling, but no folds through the note.

(\$900-1,200)

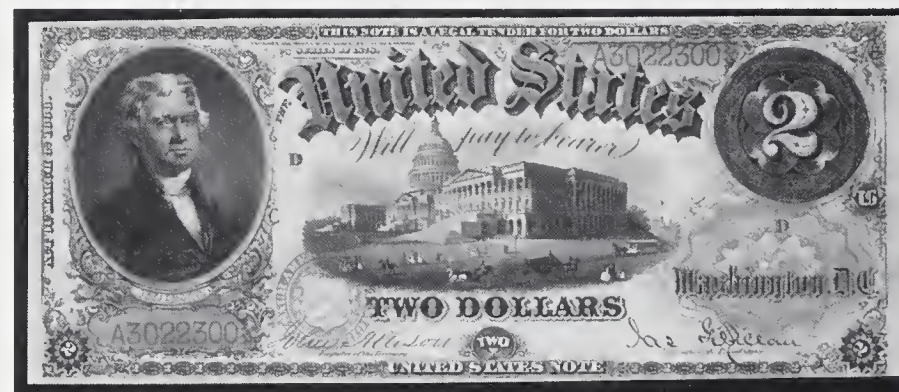

- 2042 \$2. Fr.52.** 1880. No.Z19519116. Very close to **Uncirculated**, with some obvious handling at the right edge, but no folds. Bright, clean and crisp. From a consecutive run of notes, half of which have been graded AU and half Uncirculated.

(\$450-600)

- 2043 \$2. Fr.47.** 1875. No.B9752685. **Fine**, but a bit toned. Tight at the left end, with a few minor edge splits and a couple of barely detectable edge repairs.

(\$200-250)

- 2044 \$2. Fr.48.** 1878. No.A3022300. **Choice Uncirculated**. Tight at the top left and bottom right, but otherwise pleasing.

(\$1,000-1,500)

- 2045 \$2. Fr.48.** 1878. No.A3022793. **EF**. Close at the top right, but bright, and looks a grade higher at first glance.

(\$600-800)

- 2046 \$2. Fr.57\*.** 1917. **STAR** No.\*882830B. **VF-EF**. A crisp, problem-free note with a few folds. Looks a full grade higher.

(\$500-600)

- 2047 \$2. Fr.57\*.** 1917. **STAR** No.\*1214881B. **F-VF**, with a couple of small light brown spots at the top.

(\$300-450)

- 2048 \$2. Fr.58\*.** 1917. **STAR** No.\*1768750B. **Good**. Washed, with some edge and central weakness.

(\$75-100)

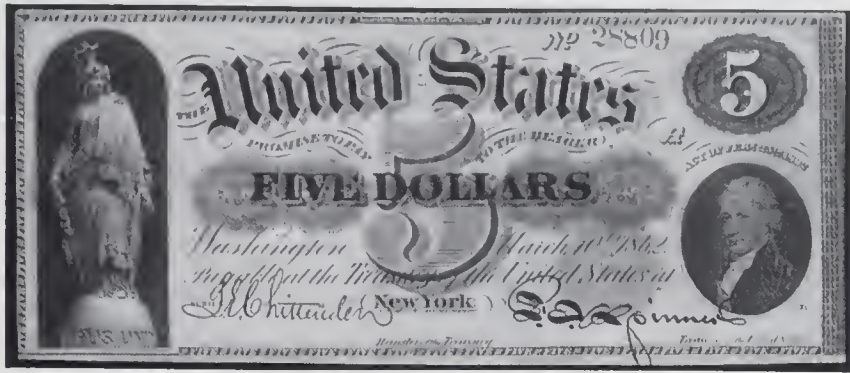

- 2049 \$2. Fr.60.** 1917. No.B59322645A. **VG**, or a slight bit better, but aged and soiled, with pinholes in all corners.

(\$35-45)

- 2050 \$2. Fr.60\*.** 1917. **STAR** No.\*3971388B. **VF**. No pinholes or damage, but tight at the top and bottom. Clean and attractive for the grade.

(\$200-300)

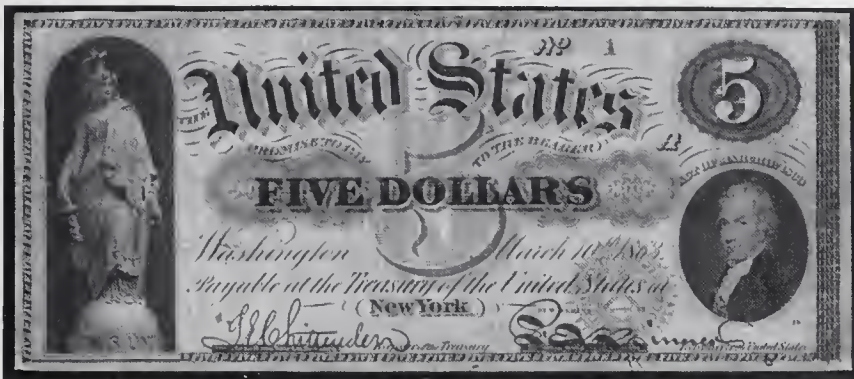

**2051 \$5. Fr.61a.** 1862. No.28809, Series 94. **VF**, bright. Trimmed into the design at the ends, with a few tiny pinholes. **(\$250-350)**

**2052 \$5. Fr.61a.** 1862. No.20173, Series 69. **VG**. Washed, with some central pinholes, but the edges are strong, with no damage. **(\$125-175)**

### Number 1 \$5 Legal

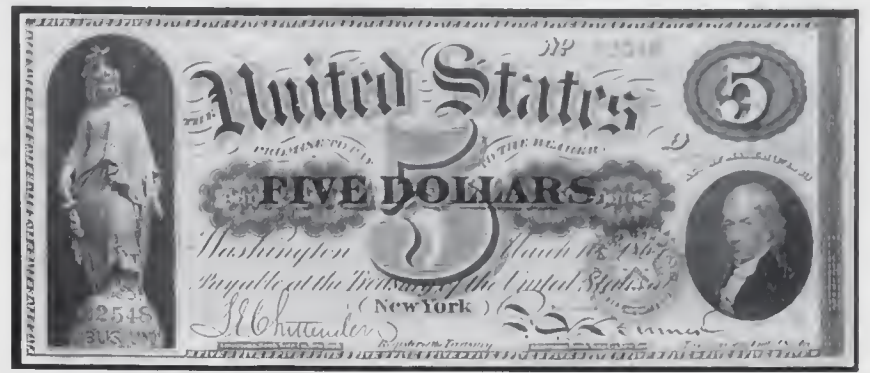

**2053 \$5. Fr.63.** 1863. **No.1**, New Series 58. **Fine**. A pleasing circulated note, with excellent margins, and just a few small pinholes. Seven Number One notes have been reported for Fr.63, only one of them superior to this, and only by a small margin. **(\$3,500-4,500)**

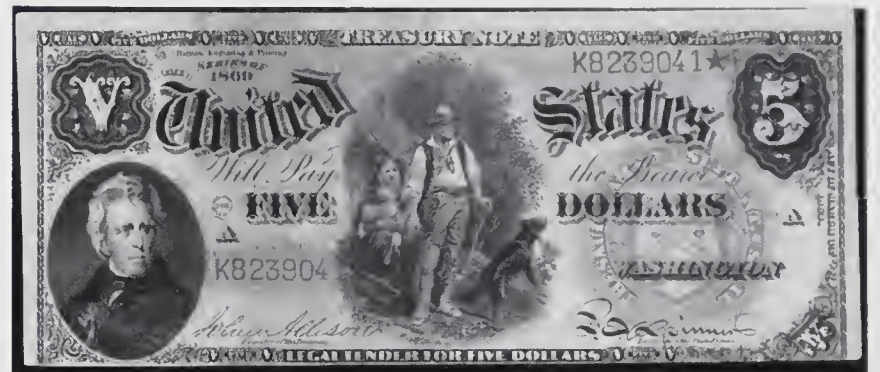

### Superb 1863 \$5 Legal

**2054 \$5. Fr.63a.** 1863. No.37244, New Series 68. **Gem Uncirculated**. A beautifully bright note, with vivid color. Even the red seal, which is so often a bit faded, is a bright deep red. Given the fragility of the cheap commercial banknote paper used for the 1862-1863 Legal Tender Notes, it is amazing any have survived in such high grade. **(\$2,250-2,750)**

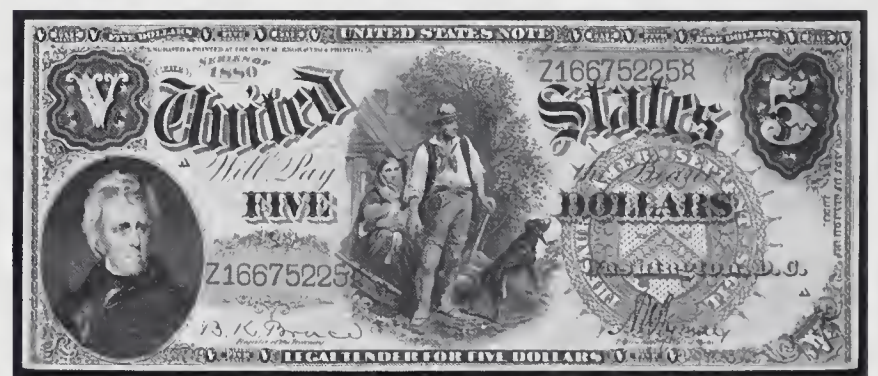

**2055 \$5. Fr.63b.** 1863. No.22548, New Series 83. **VF-EF**, but looks a grade higher. Tight at the top right, with a few central pinholes, but bright and crisp. **(\$450-650)**

**2056 \$5. Fr.64.** 1869. No.K8239041. **EF**, or close to it. Trimmed slightly into the design at the bottom, the other margins quite broad, with a few small pinholes. **(\$500-650)**

**2057 \$5. Fr.64.** 1869. No.K1573119. **VG-F**. The printing is quite skewed - trimmed slightly in at the top right and bottom left. **(\$175-225)**

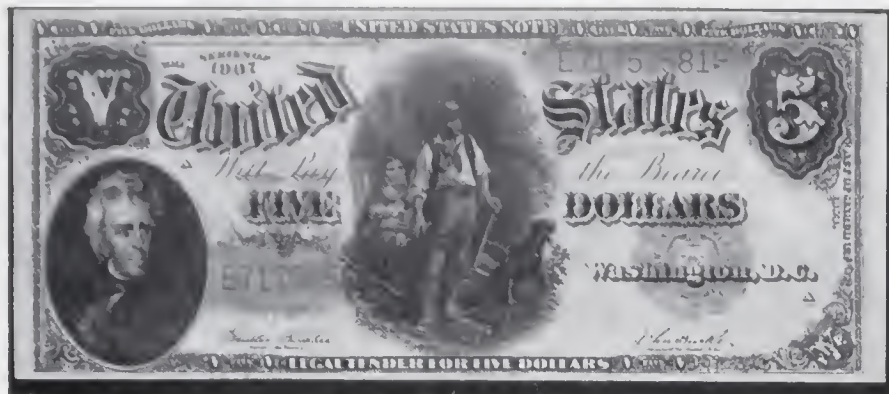

**2058 \$5. Fr.72.** 1880. No.Z16675225. **Choice Uncirculated**, fully gem if the margins were a bit better. A particularly bold, vivid impression, with deep original embossing. **(\$900-1,300)**

**2059 \$5. Fr.85.** 1907. No.B50277698. **Choice Uncirculated**. Nicely centered on the face, the back a bit low. **(\$350-500)**

**2060 \$5. Fr.87.** 1907. No.E36382002. **EF+**. Tight at the top, with the full original crispness of Uncirculated, but a few light folds as well. **(\$120-160)**

2061 \$5. Fr.88. 1907. No.E71752581. **Choice Uncirculated.** A few light ripples in the center, and faint teller handling at the right. (\$350-450)

2062 \$5. Fr.88\*. 1907. **STAR** No.\*1286941B. G-VG, with pinholes, edge splits and softness, and a fair amount of soiling. (\$100-125)

2063 \$5. Fr.91. 1907. No.M15387019. **Choice Uncirculated**, close to gem. The red overprint is a particularly pretty deep red, and shows full original embossing on the back. (\$325-425)

2064 \$5. Fr.91. 1907. No.K75824265. AU+, tight at the bottom left. A nice Uncirculated note but for a faint horizontal fold. (\$150-200)

2065 \$5. Fr.91. 1907. No.M36480925. EF. Clean and bright, with decent margins. (\$125-150)

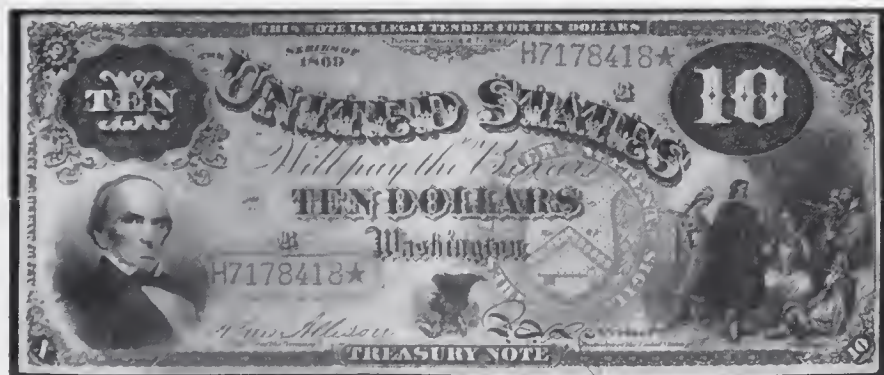

2066 \$5. Fr.91. 1907. No.M13322198. EF. Tight at the bottom, with some handling and a couple of light folds. (\$120-140)

2067 \$5. Fr.91. 1907. No.M24838880. EF. Better margins than the last, but the folds are just a bit heavier. (\$120-140)

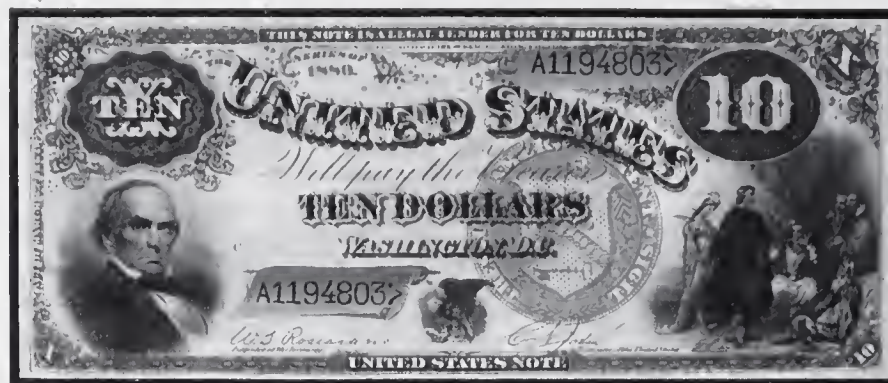

2068 \$5. Fr.91\*. 1907. **STAR** No.\*2038090B. Fine, with a couple of short, expertly repaired splits. (\$150-200)

2069 \$5. Fr.92. 1907. No.M42109835. EF. A clean, crisp note that looks and feels a full grade higher. Much scarcer than the Speelman-White variety. (\$150-250)

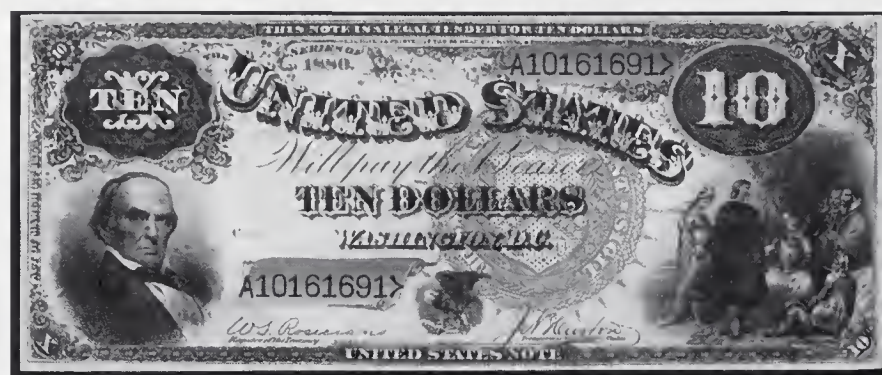

2070 \$10. Fr.93. 1862. No.52699, Series 54. VG. Limp, with pinholes and slightly rough edges, but better looking than it sounds. (\$300-400)

2071 \$10. Fr.96. 1869. No.H7178418. **Uncirculated**, but tightly trimmed at the sides, with toning or faint foxing about the periphery. Still, the colors are bold and bright. (\$1,400-1,800)

2072 \$10. Fr.104. 1880. No.A1194803. From a Hickman & Oakes sale in 1987 as F-VF, and a 1998 Stack's sale as VF, which is more accurate. There are some central pinholes and a faint trace of foxing at the left, but the color is good, as is the embossing, and the overall appearance is even higher. (\$450-600)

2073 \$10. Fr.108. 1880. No.A10161691. From the May 1998 sale, lot 1482 as EF with rounded corners and aging, net VF. The aging has all but disappeared, and the corners are now sharp, though the margins are narrower. The overall look and feel are now a grade or two higher, and it's quite a pleasing note. (\$500-650)

2074 \$10. Fr.113. 1880. No.A28277336. **Choice Uncirculated.** The side margins are close (particularly the right), but this is a very pleasing note in all other respects. (\$1,250-1,750)

2075 \$10. Fr.113. 1880. No.A26765481. **Fine** internally, but with aging at the bottom, and some edge damage here and there. (\$125-150)

2076 \$10. Fr.119. 1901. No.E10540990. **Fine**, but washed, with a few pinholes and a tight bottom margin. The overprints have bled slightly to the back; also, \$5. Fr.88. 1907. No.E81874500. VG, also lightly washed. [2] (\$350-450)

2077 \$10. Fr.121. 1901. No.E32814363. F-VF. Undamaged, but tight at the top, and not as bright as one might like. (\$300-400)

**2078 \$10. Fr.121\*. 1901. No.\*219881B. VG-F**, with a tiny pinhole or two, but evenly worn, with no damage. A mule (the back plate at the lower right), as are all traced so far. The lowest serial number known for this star. While a couple of Uncirculated notes have been seen, most of the 21 now known are in fairly low grade.

(\$1,000-1,500)

### Choice \$10 Bison Note

**2079 \$10. Fr.122. 1901. No.E47994625. Choice Uncirculated.** Bright paper, and particularly bold color, but just a bit too close at the top for gem.

(\$2,000-2,500)

**2080 \$10. Fr.122. 1901. No.E35074749. VF**, with decent margins and no pinholes or other problems.

(\$550-750)

**2081 \$10. Fr.122\*. 1901. STAR No.\*596146B.** From a Dean Oakes fixed price list a couple of years ago, accurately described as "VG-F... with a rubber band mark." The mark is short, and shows only on the back, and the face is really quite nice.

(\$900-1,100)

**2082 \$10. Fr.122\*. 1901. STAR No.\*438176B. VG**, or a trace better, but tight across the top, with a small bit of corner damage at the top right, not touching the engraving.

(\$750-1,000)

**2083 \$10. Fr.123. 1923. No.A150193B.** A appealing EF that looks AU, with good margins and color.

(\$1,500-2,000)

**2084 \$10. Fr.123. 1923. No.A222192B. Fine**, but washed, with some soiling remaining as well as some minuscule edge problems.

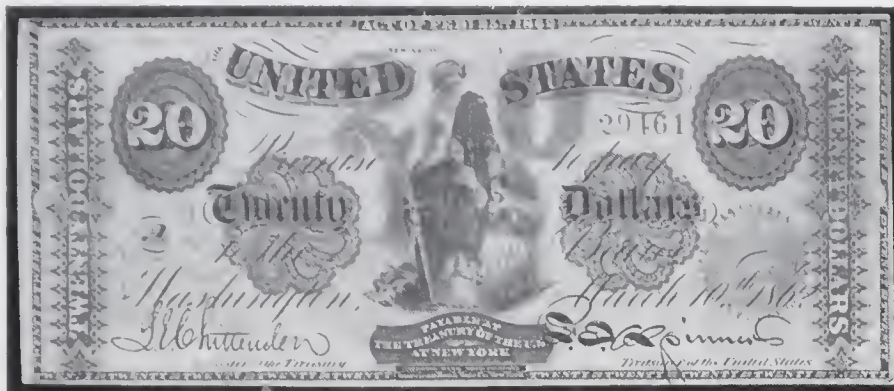

(\$250-350)

Rare Attractive Fr.125

- 2085 \$20. Fr.125.** 1862. No.29461, New Series 3. **Fine.** Generally closely trimmed, but with no pinholes, splits or other problems, and quite clean and attractive for the grade. Looks VF. A "sleeper" in the series that is scarcer than generally recognized. **(\$1,500-2,000)**

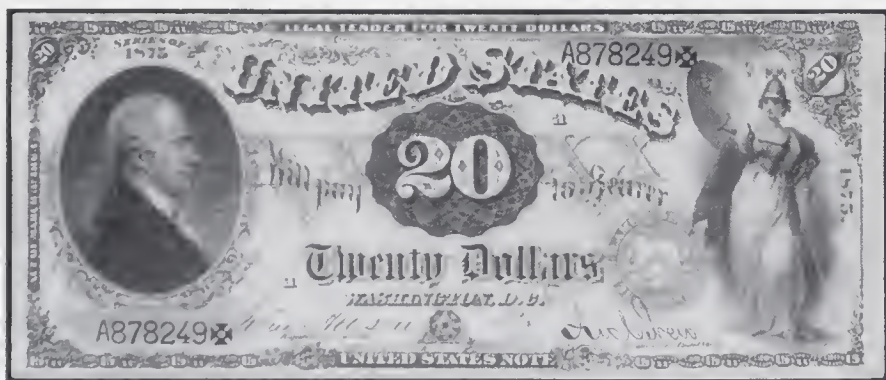

The Fr.125 is one of those underrated notes that doesn't get a lot of attention because a similar variety in the type (Fr.126b) is represented by a hoard of Uncirculated notes. Not one Fr.125 has ever been cataloged or even privately represented to us as being Uncirculated, and truly high grade examples are very hard to find. Only three have been reported as EF or AU, and one of them is owned by the government. Nearly half the known pieces are VG or below.

Number 1 \$20 Legal

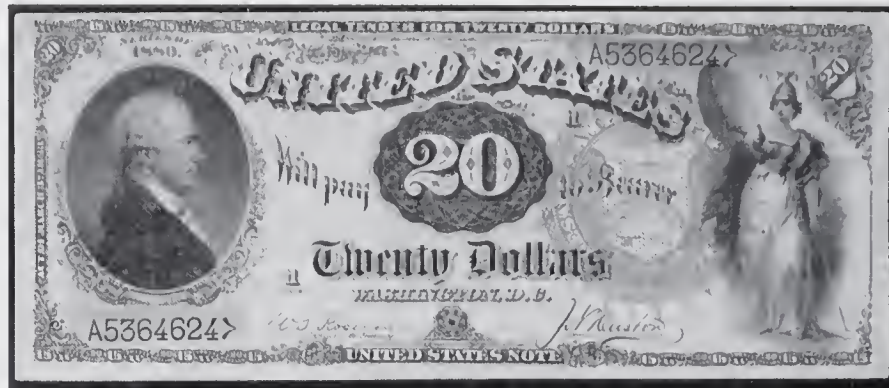

- 2086 \$20. Fr.126.** 1863. No.1, New Series 14. **VG** or so overall, but with a few small pinholes and neatly repaired edge splits, not out of the ordinary for this grade. One of **only two Number One \$20's** known, the other a Fr.125 in similar condition, sold a decade ago. **(\$7,500-12,500)**

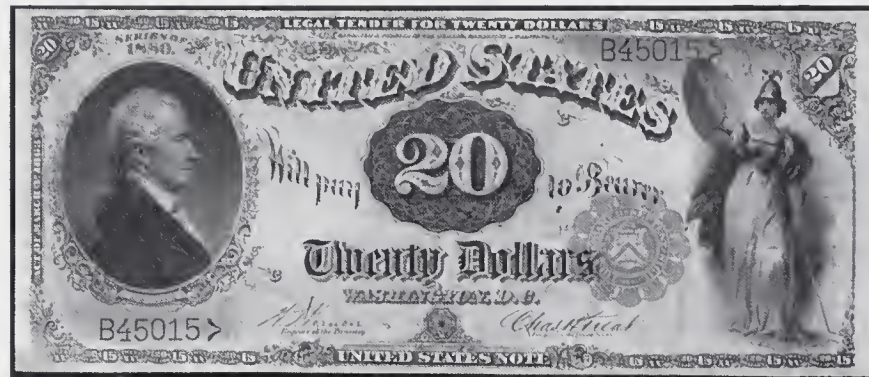

From Stack's May 6, 1992 sale of the Rev. Frank Hutchins Collection, lot 1021, \$3,000.

- 2087 \$20. Fr.128.** 1875. No.A878249. **VF.** A nice, evenly worn note with good margins all around, and the appearance of a grade higher. **(\$1,000-1,500)**

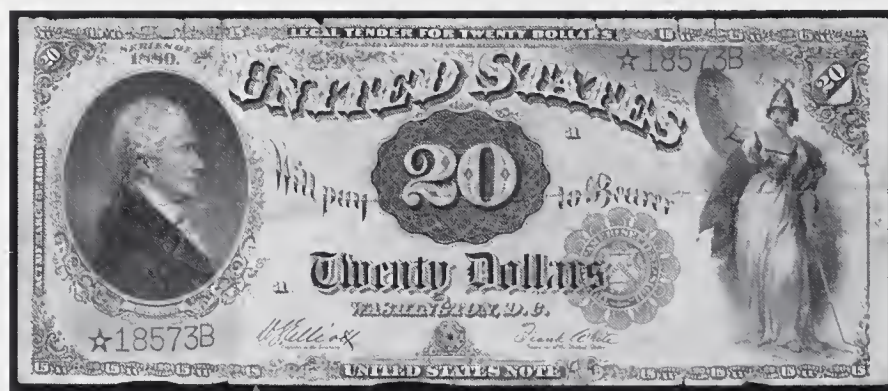

- 2088 \$20. Fr.137.** 1880. No.A5364624. **VF.** Circulated just a bit more than the last, but like the last, the margins are excellent, and there are no pinholes or other problems. **(\$600-800)**

- 2089 \$20. Fr.144.** 1880. No.B45015. **VF.** Another attractive mid-range 1880 \$20, also with good margins and no damage. **(\$450-650)**

- 2090 \$20. Fr.147.** 1880. No.A2597636A. **F-VF.** Good margins all around, with no pinholes, splits, etc. **(\$275-350)**

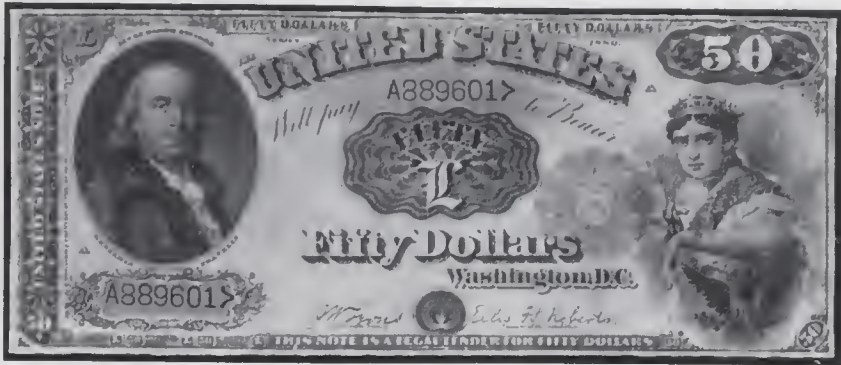

- 2091 \$20. Fr.147.** 1880. No.A3440861A. **F-VF.** Lightly washed and pressed, but with good margins and a nice appearance. **(\$225-300)**

- 2092 \$20. Fr.147\*.** 1880. **STAR** No.\*18573B. **Fine** from the standpoint of overall wear, but with numerous small edge splits across the top and bottom. Nicer than it sounds. **(\$500-750)**

**We accept  
MAIL, PHONE or FAX bids  
for any lots in this sale.**

2093 \$50. Fr.164. 1880. No.A889601. VF or so, but pressed, with tight and slightly wavy, irregular margins. A nice looking type note. (\$2,500-3,500)

### Compound Interest Treasury Note

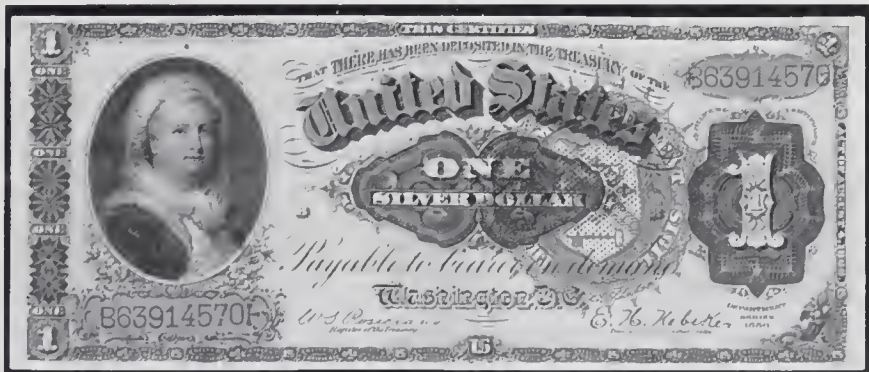

2094 \$10. Fr.190b. 1864. No.424352. A very pleasing original and unmolested example of this rare issue. Full margins, with no ink erosion as often found on these notes. Only a few tiny pinholes and trivial wear at the edges. Dated December 15, 1864, this note bears **the highest serial number known for any \$10 Compound Interest Note in the census**. The only other note even remotely close to this serial number is owned by the Federal Reserve Bank of Atlanta. An attractive **Fine+**, this is an excellent example for the purist. (\$2,500-3,500)

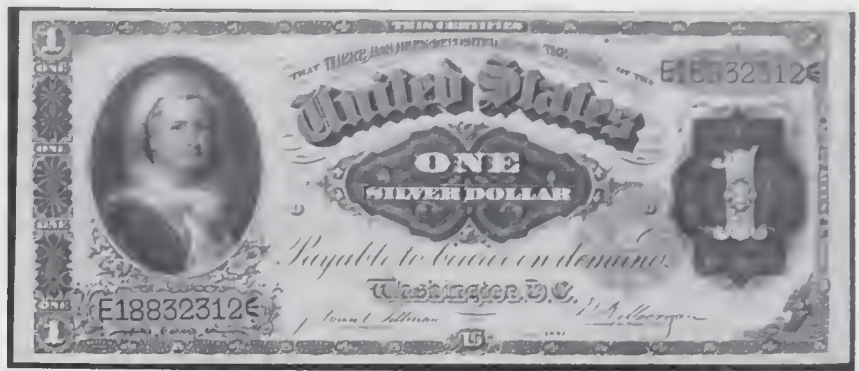

### Silver Certificates

2095 \$1. Fr.217. 1886. No.B37998136. **Fine+**, with a couple of tiny pinholes, but good margins. (\$175-250)

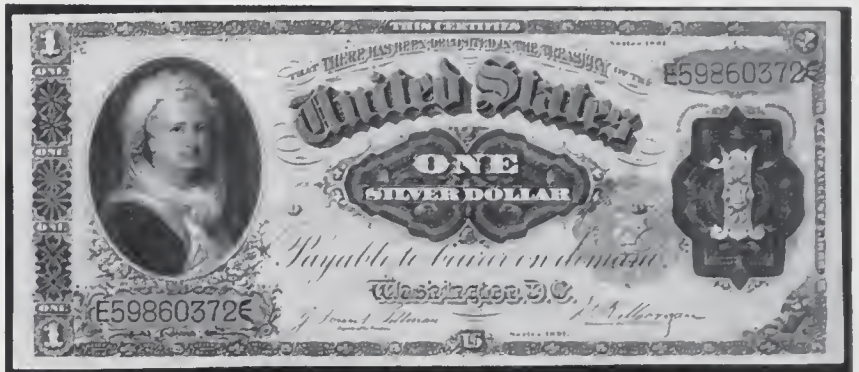

2096 \$1. Fr.218. 1886. No.B49991305. **VF**. Not fully bright, but the margins are good and it looks a full grade better. (\$300-400)

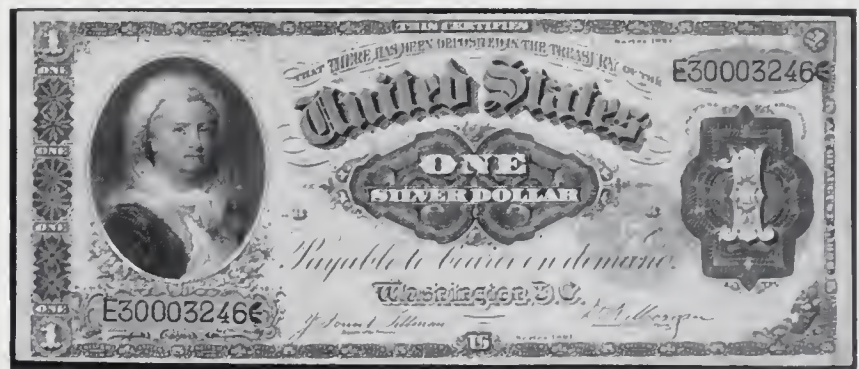

2097 \$1. Fr.220. 1886. No.B63914570. **EF**, with three vertical folds. Looks Uncirculated on the face, with nearly perfect centering, bright color, and a noticeable lack of any sign of circulation. (\$550-750)

2098 \$1. Fr.223. 1891. No.E18832312. **EF**, with excellent margins and color. (\$400-550)

2099 \$1. Fr.223. 1891. No.E59860372. **EF** or so, again with outstanding margins and color. (\$350-500)

2100 \$1. Fr.223. 1891. No.E30003246. **VF** or a bit better, the margins not quite as nice as the last two. (\$250-350)

2101 \$1. Fr.224. 1896. No.24603718. Very close to **EF**, with nice centering, and the look of a full grade higher. (\$500-700)

2102 \$1. Fr.224. 1896. No.28053085. VF-EF, with beautifully broad margins, but trace of toning. (\$425-550)

2103 \$1. Fr.224. 1896. No.21606940. VF or so, with an even nicer appearance and perfect margins. (\$350-450)

2104 \$1. Fr.224. 1896. No.2419246. F-VF, and closer to the higher grade. An evenly circulated, problem-free example that looks a grade better on the face. (\$300-400)

2105 \$1. Fr.225. 1896. No.39895545. Choice EF. Crisp and bright, with excellent margins all around. Some small pinholes can be seen when held up to the light. (\$550-750)

2106 A beautiful 19" x 29" watercolor titled "History Instructing Youth," styled after the back of the 1896 \$1 Silver Certificate, by noted artist Suzanne M. Bauman. Tastefully framed with archival quality material (overall size approximately 31" x 41"). Note: Shipping and packing fees will be the responsibility of the purchaser. (\$1250-1750)

Suzanne Bauman is a well known artist who has done many beautiful paintings based on historic vignettes that appear on numismatic items. Her art was used to illustrate our February 1998 Autograph Catalogue, and she was commissioned to do the cover art for Fred Schwan's "Comprehensive Catalog of Military Payment Certificates." Please note that only the painting is being sold. The consignor reserves all reproduction rights.

### Solid Nines

2107 \$1. Fr.226a. 1899. No.B99999999. VF. Quite nice on the face, the folds showing a bit more heavily on the back. Special numbers like this are more popular than ever, and highly sought after. Some day the companion piece to this note (number B100000000) may surface, but even without it this is a great note! (\$2,500-3,500)

From Mike Abramson's landmark November 1998 fixed price list of special serial numbers (at \$2,800), then to Lyn Knight's June 1999 Memphis sale, lot 292.

Please note that a 10% buyer's premium  
will be added to each lot purchased.

**2108 \$1. Fr.227.** 1899. No.H45901414. **Choice Uncirculated.** Close to gem, with nice deep embossing, but the centering doesn't quite justify gem. **(\$250-350)**

**2109 \$1. Fr.228.** 1899. No.T59778288. **Gem Uncirculated,** with jumbo margins all around. **(\$350-450)**

*Rippled at the top and bottom, as it should be. These very early series were printed wet and became rippled at the top and bottom borders when dried - the dead flat notes so often seen are the ones that have been processed in modern times and dried under pressure.*

**2110 \$1. Fr.228.** 1899. No.T42444444. **EF,** bright and crisp, with good margins and a nice fancy number. **(\$100-150)**

**2111 \$1. Fr.230.** 1899. No.Z26703527. A beautiful **Choice Uncirculated** note with deep original embossing, but with a faint half fold in the right margin and a soft wallet "curl" in the center - not a sharp crease. **(\$200-300)**

### Scarce Napier-Thompson \$1 Silver

**2112 \$1. Fr.231.** 1899. No.D1248105D. **EF-AU.** A beautiful **Gem Uncirculated** except that it has a soft faint fold left of center. Were it not for that bend, this would be one of the finest in existence. **(\$300-500)**

**2113 \$1. Fr.232.** 1899. No.R65R. A superb **Gem Uncirculated** note, with beautifully sharp original embossing. Double-digit black eagle notes have been appearing with some regularity in recent years, but very few are this nice. **(\$500-750)**

*Another special serial number from Lyn Knight's June 1999 Memphis sale, lot 302.*

### Superb Cut Sheet

**2114 \$1. Fr.233.** 1899. **Cut Sheet,** Nos.V84715933V-36V. **Gem Uncirculated,** all with deep original embossing. A beautiful sheet that looks like it just came off the press. **(\$1,500-2,000)**

**2115 \$1. Fr.233.** 1899. No.Z4626445Z. **Gem Uncirculated.** Another great note with deep embossing. **(\$350-450)**

**2116 \$1. Fr.233.** 1899. No.B888553A. **Gem Uncirculated.** **(\$350-450)**

**2117 \$1. Fr.233.** 1899. No.V84715756V. **Gem Uncirculated.** From a May 1999 competitor's sale as "Gem New... wonderfully original," as the superb deep original embossing will attest. **(\$350-450)**

**2118 \$1. Fr.233.** 1899. One Extremely Fine and one close to EF, neither with any defects. [2] **(\$125-175)**

**2119 \$1. Fr.233\*.** 1899. **STAR** No.\*7113462B. **Fine,** with good margins and just one small pinhole at the top. **(\$150-250)**

**2120 \$1. Fr.235.** 1899. No.K34260238A. **Fine,** or a bit better, with numerous small pinholes; **\$1. Fr.237.** 1923. No.K94745510D. **VF-EF,** but looks a grade better. [2] **(\$40-60)**

**2121 \$1. Fr.235\*.** 1899. **STAR** No.\*14874160B. **Choice EF.** Centered a trifle low, but a bright unmolested note that would please anyone. **(\$175-250)**

## Solid Serial Number, Ex Grinnell

- 2122 \$1. Fr.236. 1899. No.T1111A. **Gem Uncirculated.** A great solid serial number, traceable back to the legendary Albert A. Grinnell Collection over a half century ago. **(\$500-1,000)**

*From Barney Bluestone's second Grinnell sale, March 10, 1945, lot 899, where it sold for all of \$7.50.*

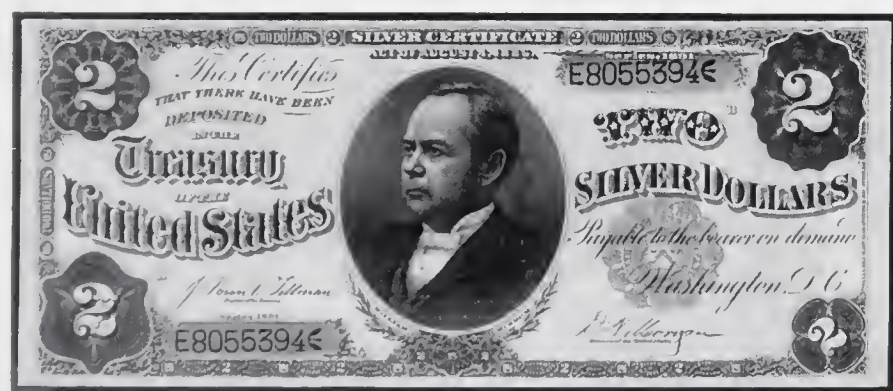

- 2123 \$1. Fr.236\*. 1899. **STAR** No.\*18840742B. **VF**, and a decent problem-free example. **(\$100-200)**

- 2124 \$1. Fr.236\*. 1899. **STAR** No.\*18341310B. **Fine**, or maybe a bit better. Trimmed slightly in at the bottom right. **(\$75-150)**

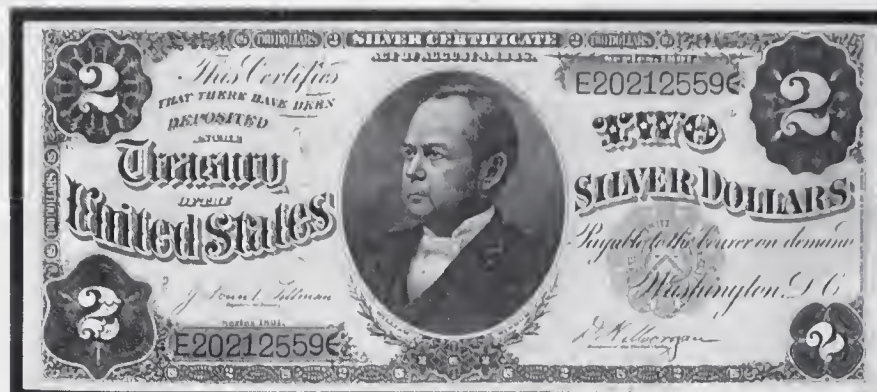

- 2125 \$1. Fr.237. 1923. No.Y74416660D. **EF**. A bit close at the bottom, but clean and crisp, with good embossing. **(\$30-40)**

- 2126 \$2. Fr.242. 1886. No.B13054790. **Choice to Gem Uncirculated.** From a November 1997 sale as "Gem CU," but the top right margin may possibly be a trifle close for the true perfectionist. Superb in all other respects - a premium note from the small consecutive hoard broken up decades ago. **(\$1,750-2,500)**

- 2127 \$2. Fr.246. 1891. No.E8055394. **Choice AU**, with a broad corner fold visible on the back. Superb margins, and a bright stunning appearance superior to many Gem Uncirculated notes we've seen. **(\$1,250-1,750)**

- 2128 \$2. Fr.246. 1891. No.E20212559. **AU**. Some teller handling has been pressed out at the right, and the bottom has a closed pinhole and 1mm shaved off a corner (far from the engraving). These minor factors are offset by great margins and a nice appearance. **(\$1,000-1,500)**

- 2129 \$2. Fr.247. 1896. No.1776457. **EF-AU**. As pretty a note as one might want, with bright paper and broader than average margins all around. The center fold is hard to spot on the face, and the note looks as nice as any Gem Unc. we have ever handled. Beautiful, unmolested notes like this are very hard to find, and always command quite a premium. **(\$1,250-1,750)**

- 2130 \$2. Fr.247. 1896. No.5862914. An **Uncirculated** note but the top and sides have been trimmed down a bit, and there is a small expertly filled pinhole. **(\$1,500-2,500)**

## Do You Have Currency For Sale?

If you are thinking of selling your currency please remember that we are willing buyers. We will gladly make generous offers on single items, estates, collections, and corporate or institutional archives.

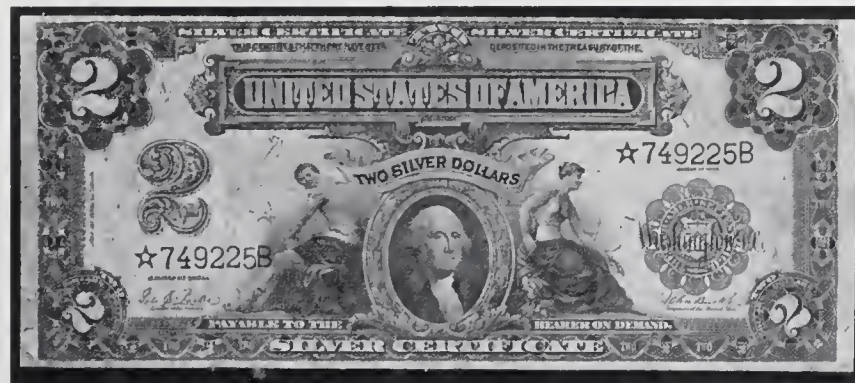

- 2131 \$2. Fr.247. 1896. No.2825449. VF. A nice note with three broad margins, the bottom just a bit close at the right. (\$750-1,000)

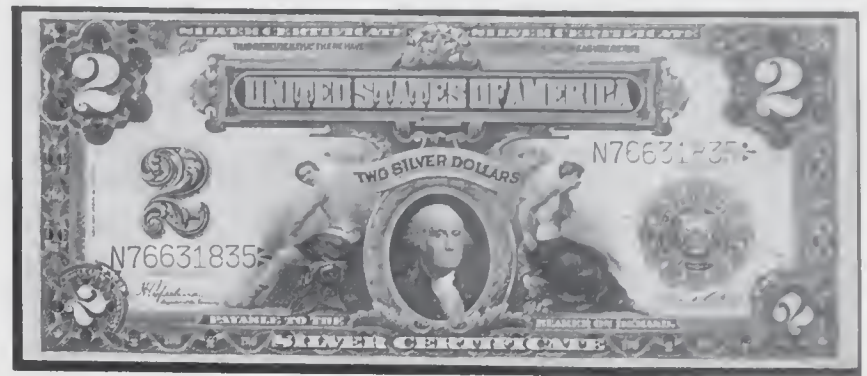

- 2132 \$2. Fr.248. 1896. No.19010940. Fine, with good centering, and looks a grade better on the face. (\$400-600)

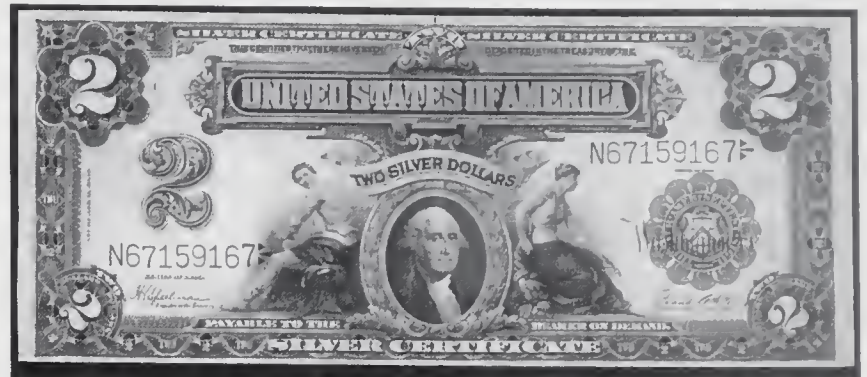

- 2133 \$2. Fr.255\*. 1899. STAR No.\*749225B. Fine, but a bit dirty on the back. The face is clean and attractive. A very rare star - only two were listed by Murray when this note first appeared as part of the Tom Conklin Collection in 1995. The number known has since grown to seven, but the only other one publicly offered in recent years was a damaged VG sold just a month ago. (\$400-600)

- 2134 \$2. Fr.256. 1899. No.M75352356. EF. Clean and crisp, with good margins. (\$225-300)

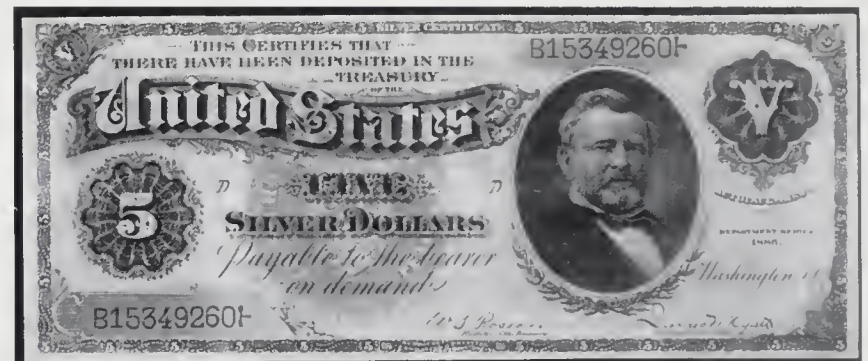

- 2135 \$2. Fr.256. 1899. No.M77659286. VF, very tight across the bottom, but the face looks a grade higher. (\$175-225)

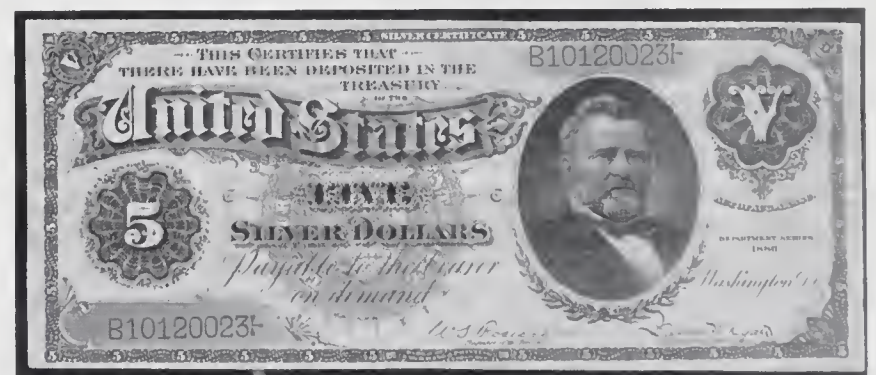

- 2136 \$2. Fr.258. 1899. No.N76631835. Choice to Gem Uncirculated. A beautiful note, with razor sharp embossing. Would be a full gem if the top margin were just a hair better. (\$700-900)

- 2137 \$2. Fr.258. 1899. No.N67159167. VF, or a bit better, with good margins and a clean fresh appearance. (\$175-225)

- 2138 \$5. Fr.261. 1886. No.B15349260. F-VF, but pressed. The popular Silver Dollar back is quite attractive. One of the scarcer varieties of the type. (\$600-800)

- 2139 \$5. Fr.261. 1886. No.B10120023. Fine, with generally decent margins, and two large pinholes. (\$450-600)

2140 \$5. Fr.261. 1886. No.B20766118. **Fine.** Good margins, but lightly washed at one point. **(\$450-550)**

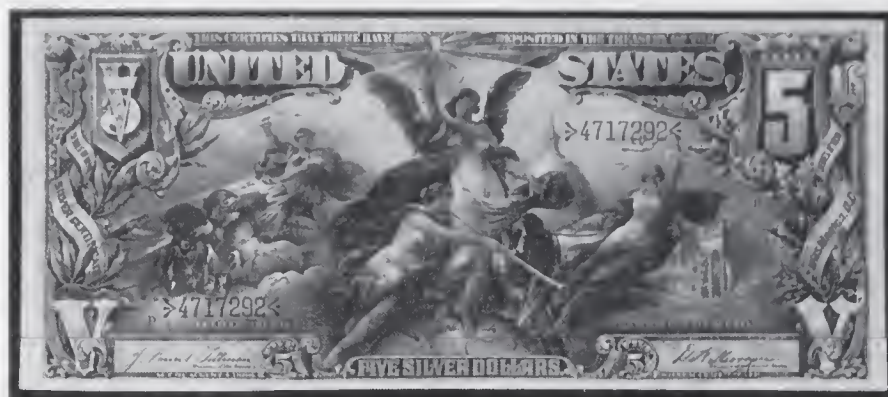

2141 \$5. Fr.263. 1886. No.B28764283. **VF.** While the note has been pressed, the margins and edges are good, and the overall look is of a full grade higher. **(\$1,250-1,750)**

2142 \$5. Fr.267. 1891. No.E28668384. **Fine,** with a tiny bit of expert paper touch-up work in the center fold. **(\$275-350)**

2143 \$5. Fr.268. 1896. No.476214. **EF.** A superb, totally problem-free note, with bright paper and ink and excellent margins. **(\$2,250-3,000)**

2144 \$5. Fr.268. 1896. No.4717292. Technically **VF** or so, but a simply fantastic looking note, as no folds are obvious, all four margins are broad, the paper bright and the face engraving a nice deep black. For the purist, there is a tiny (2mm) spot at the upper right. If all VF's looked this good, the market for higher grades would all but evaporate! **(\$2,000-2,500)**

2145 \$5. Fr.269. 1896. No.26043982. **Fine.** Well worn, but undamaged. **(\$800-1,200)**

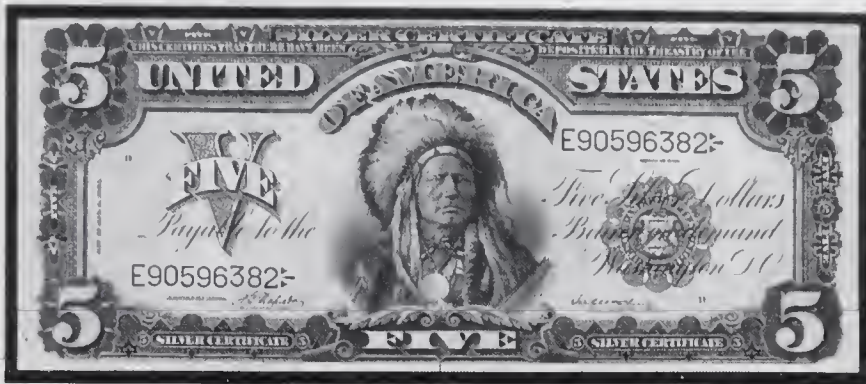

2146 \$5. Fr.271. 1899. No.A61807205. **EF,** bright and crisp. Of particular interest are the margins - as broad as you can get on this design. **(\$750-1,000)**

2147 \$5. Fr.273. 1899. No.D81971940. **VF.** Another broad margined example, not quite as bright as the last. **(\$550-700)**

- 2148 \$5. Fr.275. 1899. No.E90596382. **Choice Uncirculated**, close to gem. One of the dozen most popular designs of our large size currency.  
(\$1,500-2,000)

- 2149 \$5. Fr.275. 1899. No.K2647120. **VF-EF**, and looks a grade higher. Clean, bright and crisp, with good margins.  
(\$600-800)

#### Low Number Napier-Thompson Chief

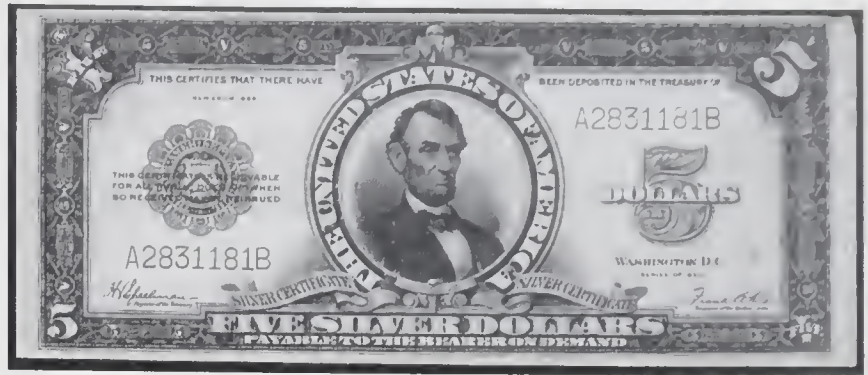

- 2150 \$5. Fr.276. 1899. **Low No.H16. Choice Uncirculated**, but with no bottom margin, and a trivial little deftly done repair. Bright and crisp, with good embossing.  
(\$2,250-2,750)

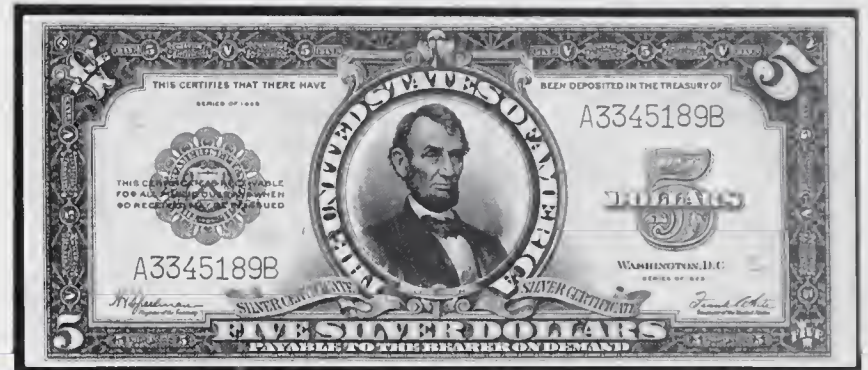

- 2151 \$5. Fr.278. 1899. No.M66101185. **Fine**. The center folds are a bit heavy, but there are no pinholes, splits, or other defects.  
(\$400-500)

- 2152 \$5. Fr.280. 1899. No.N15101442. **VG-F**. Somewhat more soiled than usual, with a couple of tiny pinholes.  
(\$300-400)

*Please note that a 10% buyer's premium will be added to each lot purchased.*

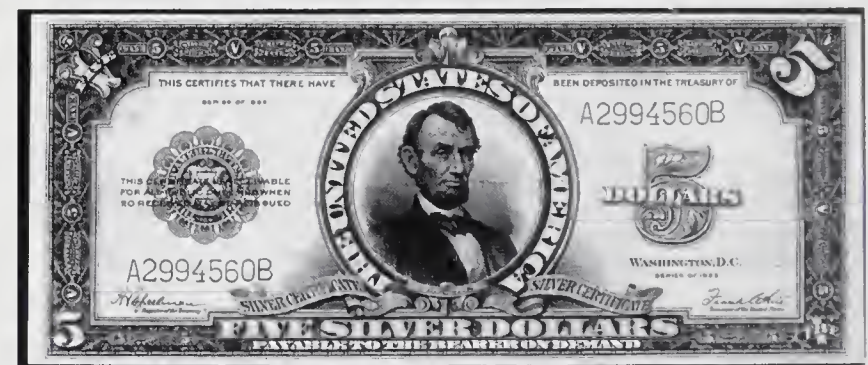

- 2153 \$5. Fr.282. 1923. No.A2831181B. **Choice AU**. Crisp, with no folds through the note, but some handling at the right and the upper right corner is crimped.  
(\$1,000-1,300)

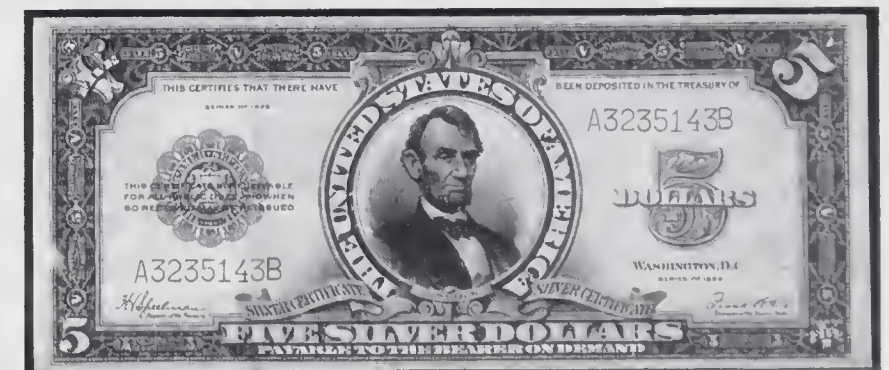

- 2154 \$5. Fr.282. 1923. No.A3345189B. **EF or so**. A beautiful, bright note with great margins. Looks and feels **Choice Uncirculated** at first (or even second) glance. The superb appearance of this pretty note will no doubt carry it well above the "sheet" price for its dry technical grade.  
(\$800-1,000)

*From the May 1996 C.A.A. sale as "Choice AU... kept from Gem New by a single broad corner fold." While we agree that this is a great looking note, we feel that its six or seven light vertical folds also tend to keep it out of the gem class, even if the catalogue at that time didn't consider them worth mentioning.*

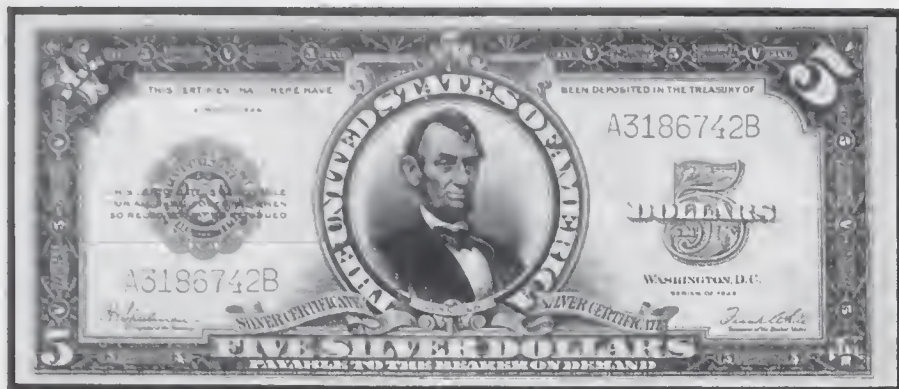

- 2155 \$5. Fr.282. 1923. No.A2994560B. **EF or so**. Bright, clean and crisp, with excellent margins.  
(\$750-900)

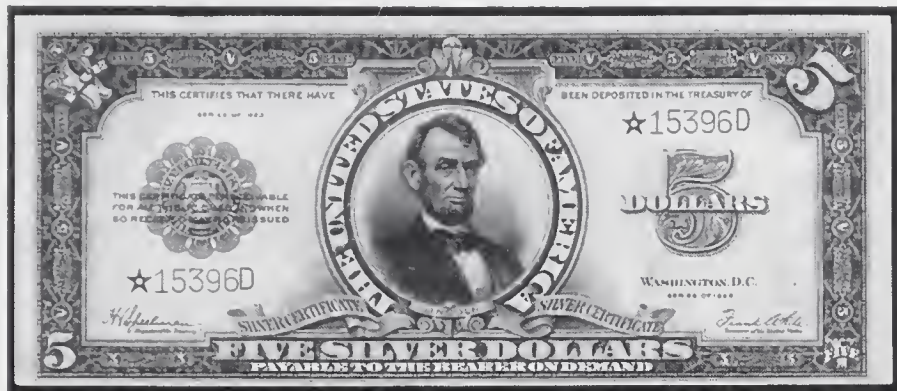

- 2156 \$5. Fr.282. 1923. No.A3235143B. **VF+**. Not quite as nice as the last, but still a clean, very attractive example.  
(\$600-800)

- 2157 \$5. Fr.282. 1923. No.A3186742B. VF+. Again, clean and bright, with good margins. (\$600-800)

## Choice \$5 Silver Star

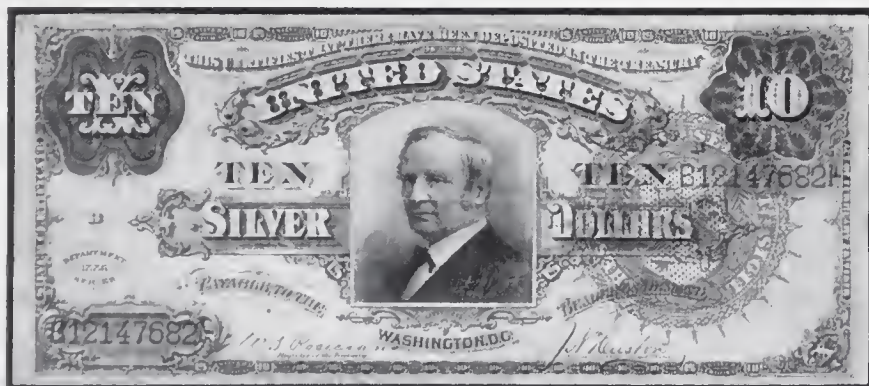

- 2158 \$5. Fr.282\*. 1923. STAR No.\*15396D. Choice Uncirculated. Centered a bit low, but a lovely example from the end of this famous small hoard. (\$3,000-4,500)

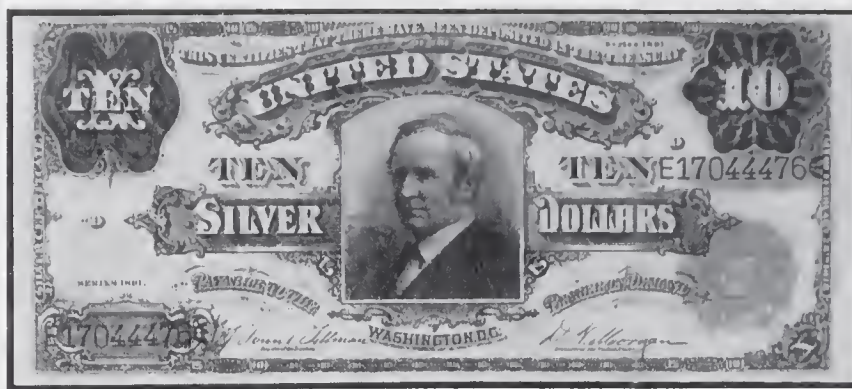

*Ex Abe Kosoff's November 8, 1955 sale of the Clarke, Dunham & Williams Collections, and Stack's December 2, 1992 sale of Jim Thompson's collection.*

- 2159 \$10. Fr.289. 1880. No.B7449571. A solid VG, with some pinholes and a couple of tiny margin splits of little consequence. (\$450-600)

- 2160 \$10. Fr.295. 1886. No.B12147682. VF, with nearly perfect centering and no defects. A very attractive early "Tombstone." (\$1,300-1,700)

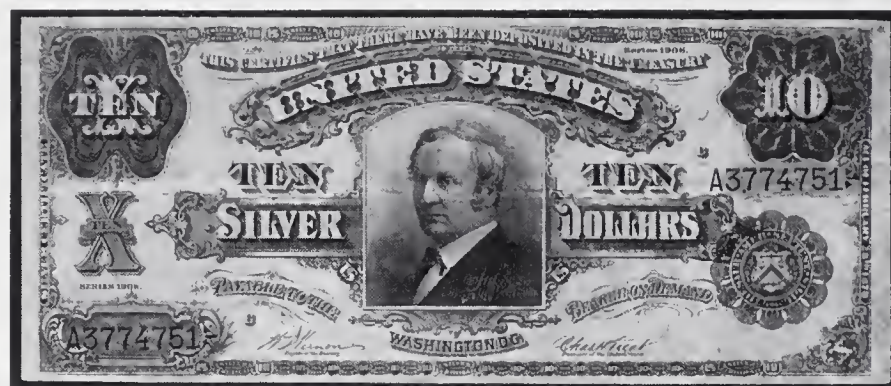

- 2161 \$10. Fr.299. 1891. No.E17044476. VF. A clean, pretty note, with good margins and substantial body to the paper. (\$700-900)

- 2162 \$10. Fr.299. 1891. No.E13041632. Fine+, with good margins. No weakness or splits, but with a number of small central pinholes. (\$300-400)

- 2163 \$10. Fr.301. 1891. No.E32439712. Technically VF, but with its bright paper and bold color it looks at least a grade higher. A trifle close at the top, but the other three margins are quite broad. (\$500-750)

*From Stack's January 14, 1998 sale, lot 631.*

- 2164 \$10. Fr.302. 1908. No.A3774751. A nice solid VF, with excellent margins, and one solitary pinhole at the bottom of the portrait. (\$600-900)

- 2165 \$10. Fr.302. 1908. No.A3673338. F-VF. An attractive problem-free note with good margins, bright paper and vivid color. (\$500-750)

## Do You Have Currency For Sale?

If you are thinking of selling your currency please remember that we are willing buyers. We will gladly make generous offers on single items, estates, collections, and corporate or institutional archives.

2166 \$10. Fr.304. 1908. No.D2039035. VF, with no problems. (\$600-900)

2169 \$50. Fr.335. 1891. No.K329426. Fine, pressed, with a number of tiny pinholes at the left. (\$1,250-1,750)

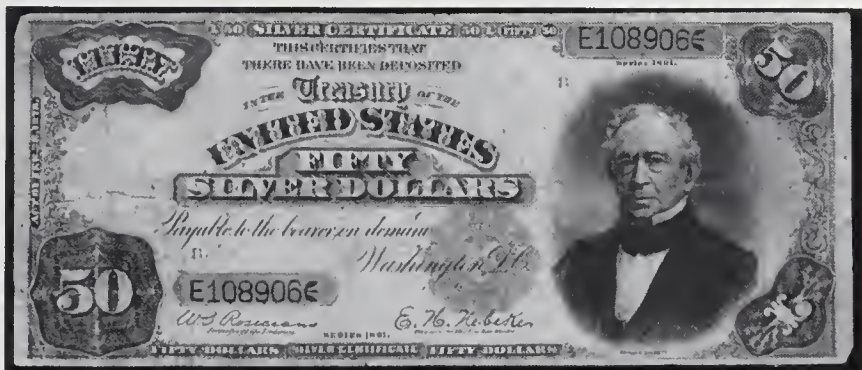

2167 \$20. Fr.321. 1891. No.H1079316. EF, or close to it, with good margins and just a couple of tiny pinholes. (\$1,750-2,500)

2170 \$50. Fr.335. 1891. No.K449656. Fine, but with a couple of erasures in the fields and some scattered small pinholes. (\$1,000-1,500)

### Extremely Rare Friedberg 330

2168 \$50. Fr.330. 1891. No.E108906. Fine, with numerous pin holes scattered across the note. Good margins, with no splits. An **Extremely Rare** variety, with just **six known**, one of which is owned by the government. The last one publicly available was sold in 1995, and given the low printage figure (estimated at 120,000), it's unlikely many more will be discovered. (\$3,500-5,000)

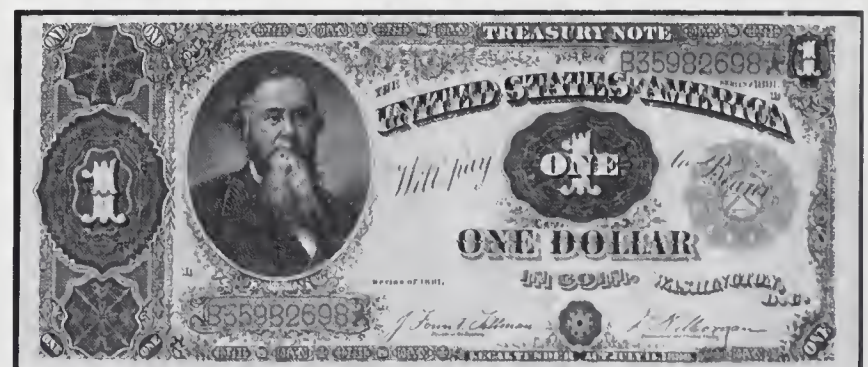

*Of the six varieties that make up the 1891 \$50 Silver Certificate type, the Fr.330 has by far the lowest printage. Of the 243 notes currently in the census for all varieties combined, only six notes (less than 3%) are Fr.330.*

### Treasury / Coin Notes

2171 \$1. Fr.347. 1890. No.A4168366. VG. Well circulated, but free of damage of any kind. (\$175-250)

2172 \$1. Fr.349. 1890. No.A4904032. Fine, but lightly washed. No pinholes, splits, etc., and the overall appearance is still quite nice. (\$225-300)

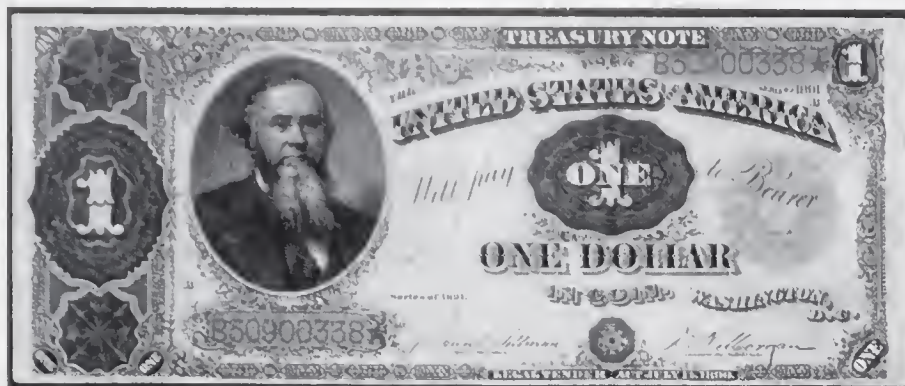

2173 \$1. Fr.350. 1891. No.B4391083. VF. A couple of the folds show heavily on the back, but the face looks a grade better. (\$200-300)

2174 \$1. Fr.351. 1891. No.B35982698. Choice EF. Bright, clean, crisp and perfectly centered. A great looking note with a few light unobtrusive folds. (\$325-425)

2178 \$2. Fr.353. 1890. No.A2274712. VG-F, with a few tiny pinholes and small unobtrusive spots. (\$300-400)

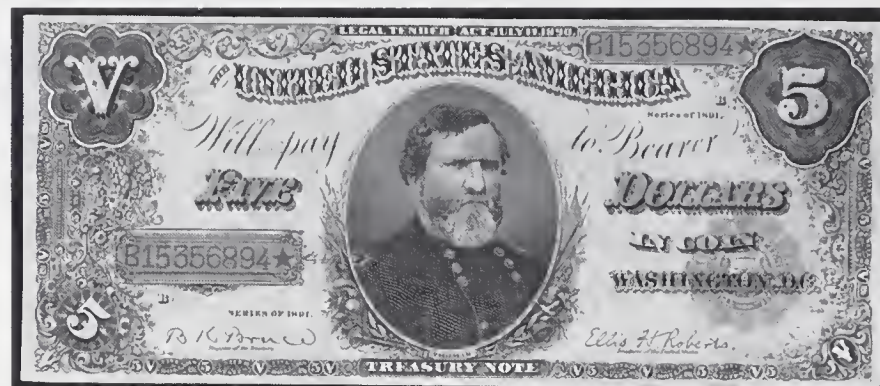

2179 \$2. Fr.357. 1891. No.B11805967. Choice VF. A nice looking note with an attempted repair of a short split at the top left. (\$450-650)

2180 \$2. Fr.358. 1891. No.B17850814. Technically VF, but a nice clean, evenly worn note with good margins and color, worth a premium. (\$500-700)

2181 \$5. Fr.359. 1890. No.A166303. VF, with excellent margins and the look of a full grade higher. Bright clean paper and vivid color. (\$850-1,100)

2182 \$5. Fr.359. 1890. No.A857648. VG or so, with a few pinholes and some circulation soiling typical of the grade. Free of any damage, with good margins. (\$200-300)

2183 \$5. Fr.364. 1891. No.B15356894. EF, clean and bright, with good margins. (\$550-750)

2184 \$10. Fr.368. 1890. No.A4483514. VF in terms of wear, but lightly washed, as evident from the slightly blurred seal and light back. An attractive note nonetheless. (\$700-900)

## Federal Reserve Bank Notes

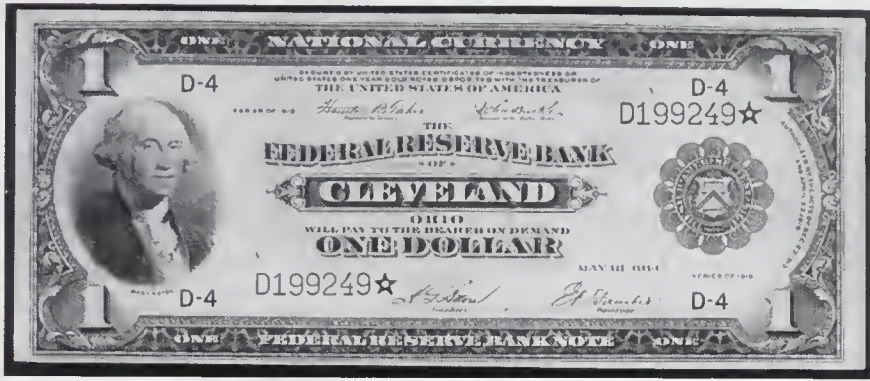

2185 \$1. Fr.712. 1918. No.B37649834A. Choice Uncirculated, with good margins and color; \$1. Fr.746. 1918. No.L21085546A. VG from appearance and wear, but with splits and mouse-eaten edges. [2] (\$200-300)

2186 \$1. Fr.713. 1918. No.B84684235A. Choice EF, with a couple of faint hidden folds. (\$90-120)

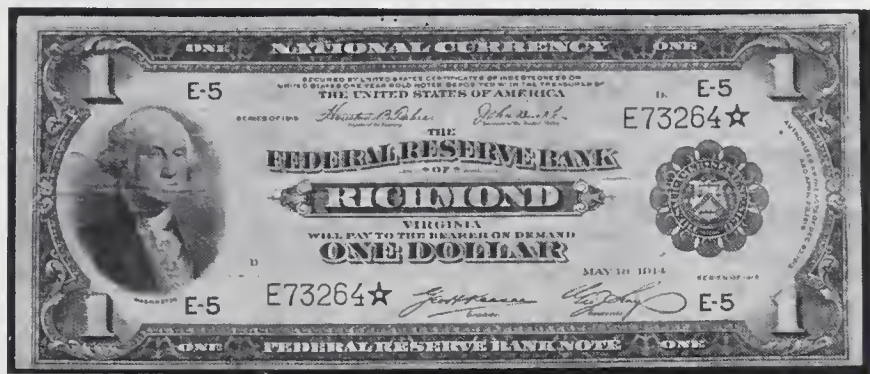

2187 \$1. Fr.715. 1918. No.C12234969A. EF, with a few faint folds. Looks a couple of grades higher. (\$90-120)

- 2188 \$1. Fr.718. 1918. No.D2765707A. Very Choice Uncirculated.** A superb original note with deep sharp embossing. Kept from Gem only by the face centering. (\$200-300)

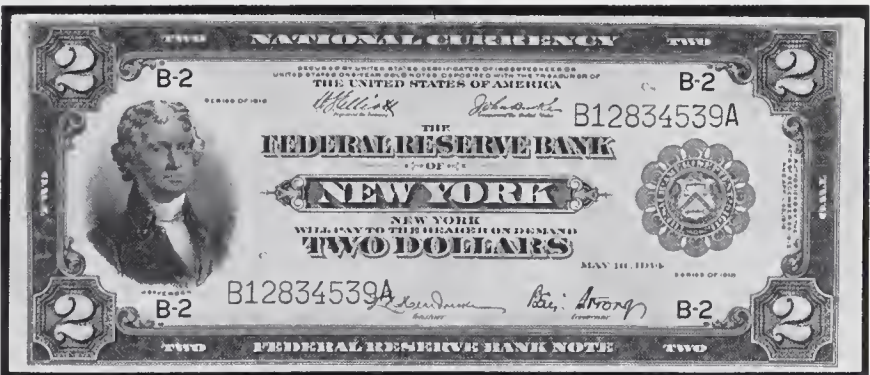

- 2189 \$1. Fr.718\*. 1918. STAR No.D199249\*. VF-EF.** Pressed to minimize some teller handling, but looks a grade better. (\$250-350)

- 2190 \$1. Fr.721\*. 1918. STAR No.E73264\*. Fine** on the face, slightly lower on the back. Tightly trimmed at the bottom, but no pinholes, splits or other defects. This new one brings the census up to eight pieces. (\$250-350)

- 2191 \$1. Fr.722\*. 1918. STAR No.E229942\*. Poor.** The right quarter has been torn off and rejoined with "frosted" tape, and there are other splits. One of only seven in the census, none of which have been publicly available for many years. (\$100-150)

- 2192 \$2. Fr.752. 1918. No.B12834539A. Choice EF.** Bright, clean, crisp and nicely centered. A very nice battleship that looks and feels a grade or two higher. (\$400-500)

### Federal Reserve Notes

- 2193 \$5. Fr.846\*. 1914. STAR No.A361859\*. VG.** Tight at the top, but solid for the grade, with no pinholes, splits, etc. This new addition to the census brings the total to ten, only one of them high grade. (\$175-225)

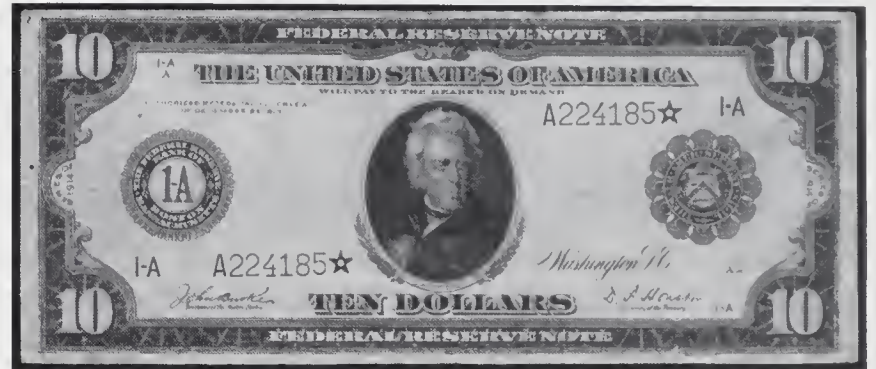

- 2194 \$5. Fr.847a\*. 1914. STAR No.A712487\*. VF+,** with the crisp, clean look and feel of a grade higher. Tight at the bottom left. (\$250-350)

- 2195 \$5. Fr.851c\*. 1914. STAR No.B2305005\*. Fine+.** A completely problem-free note with good margins. This one brings the total known to eleven, only one of which has been sold publicly in many years. (\$200-300)

- 2196 \$5. Fr.871a\*. 1914. STAR No.G661900\*. Fine,** or so, but a couple of the folds are rather heavy, and there is a bit of graffiti in the right margin. This addition to the census is now the lowest number known. (\$75-125)

- 2197 \$5. Fr.874\*. 1914. STAR No.H325831\*. VG-F,** but with a bit more soiling than usual, and some short splits and pinholes. This seventh note reported also has the highest serial number known. (\$175-225)

- 2198 \$5. Fr.878\*. 1914. STAR No.I125599\*. VG.** Well circulated, with some soiling, but undamaged. This discovery makes a half dozen known, of which this has the highest serial number. (\$200-250)

- 2199 \$10. Fr.906\*. 1914. STAR No.A224185\*. Fine.** A bit toned, with a small spot here and there, but the margins are good and there is no damage. Of the ten now reported this is the second finest known. (\$350-500)

- 2200 \$10. Fr.910. 1914; \$10. Fr.931b (2).** All F-VF, one of the latter with some small light stains. [3] (\$100-125)

- 2201 \$10. Fr.911a\*. 1914. STAR No.B1080360\*. VF,** with a rounded lower right corner, but clean, with no pinholes or other problems, and one of the finest known. Of the fifteen now in the census, not one has been reported any better than VF. (\$250-350)

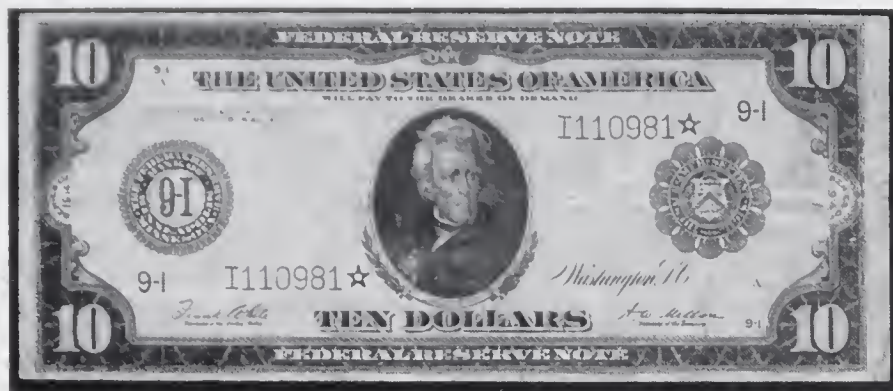

### Rare Fr.922 Star Note

- 2202 \$10. Fr.922\*. 1914. STAR No.E82161\*. Fine,** with a small fold juncture hole at the center. Good margins, with a nice appearance for the grade. Murray only lists three known, but a couple more have surfaced since his latest edition went to press. All fall within the VG to VF range. (\$250-350)

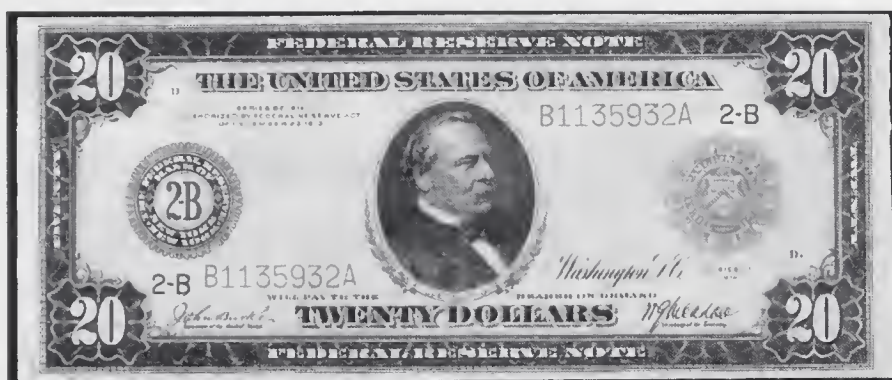

- 2203 \$10. Fr.930\*. 1914. STAR No.G356266\*. VG,** but somewhat soiled, with a few small pinholes. (\$100-150)

One of Five Known

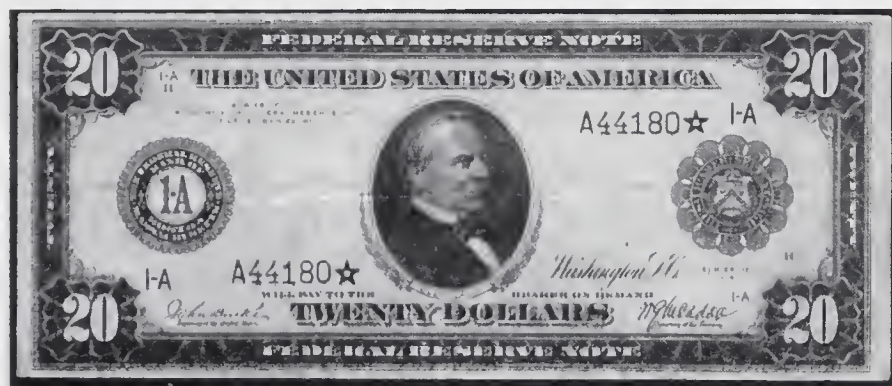

**2204 \$10. Fr.939\*. 1914. STAR No.I110981\*. Fine**, and a nice problem-free example. The census now consists of a single AU plus four notes around Fine. This is the highest number known, well above the other four, which are all within a narrow range. **(\$500-750)**

**2205 \$20. Fr.953a. 1914 Red Seal. No.B1135932A. VF** or a bit better, but lightly pressed, with a couple of tiny pinholes. Bright, with excellent margins. **(\$225-300)**

One of Three Known

**2206 \$20. Fr.964\*. 1914. STAR No.A44180\*. VF.** A clean, pleasing note with good margins and not a single defect. **(\$800-1,200)**

*The census consists of just three notes: No.A13696\* - auctioned for \$550 as "Fine" nearly a year ago; No.A32651\* - an EF sold at auction over three years ago for \$770; and this attractive note, never before available at auction.*

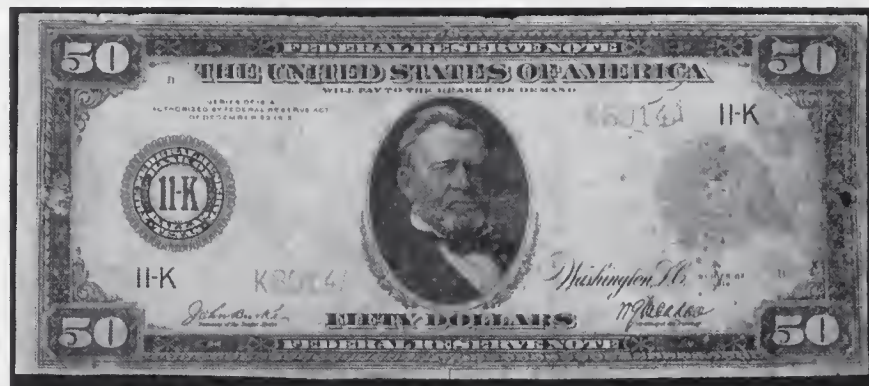

**2207 \$20. Fr.978\*. 1914. STAR No.D182868\*. Good**, with slightly rough edges and some internal splitting. Not a great looking piece, but with **just eight known**, one can't be too picky. **(\$100-150)**

**2208 \$20. Fr.990\*. 1914. STAR No.G191095\*. VG** or so, but with a split from top center to the middle of the note. Of the two dozen known, most are very low grade, and only two exceed VF. **(\$100-150)**

**2209 \$20. Fr.991a\*. 1914. STAR No.G285566\*. VG.** A bit soiled, but undamaged. This one brings the total known to six, none of them offered publicly in many years. **(\$300-400)**

**2210 \$20. Fr.1002\*. 1914. STAR No.J16327\*. VG**, but lightly washed, with a couple of small bald spots on the back from careless hinge removal. There are now seven known, ranging from VG to VF. **(\$200-300)**

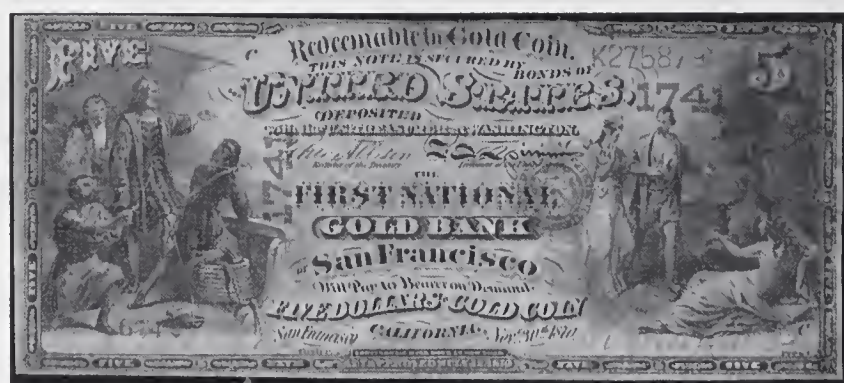

Pair of Rare \$50 Dallas Red Seals

**2211 \$50. Fr.1022a. 1914 Red Seal. No.K8014A.** Technically VF in terms of folds and wear, but stained and washed, with some splits, spots and a worm hole at the right. For those who prefer a "net" grade, VG or so might be reasonable. Not a pretty note, but certainly rare, with just over a dozen known for the district, all the "a" variety (Dallas didn't issue the Red Seal "b" variety). **(\$300-500)**

**2212 \$50. Fr.1022a. 1914 Red Seal. No.K20617A.** Similar to the last - not all that heavily circulated, but with a faded overprint, soiling, and a hole and some damage at the right end. Again, hard to grade, but a "net" grade of VG might be in the ball park. **(\$300-500)**

National Gold Bank Notes

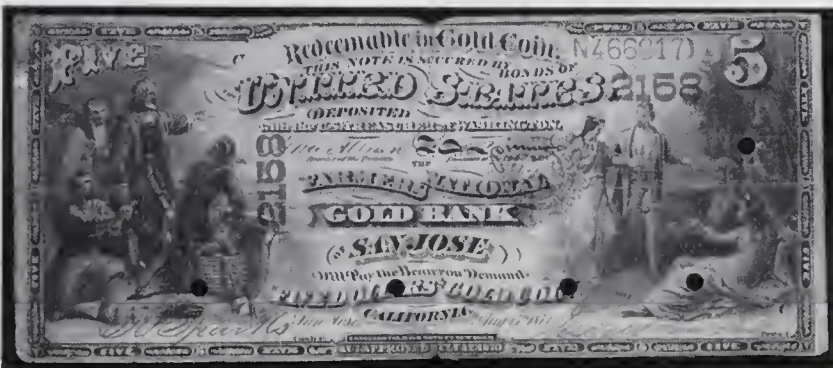

**2213 \$5. Fr.1136. Orig. No.K275879/6742. F-VF** with a small pinhole. Tightly trimmed, particularly at the top right, but with good color and legible signatures. Even for this most common of National Gold Banks this is an above average grade. **(\$2,500-3,500)**

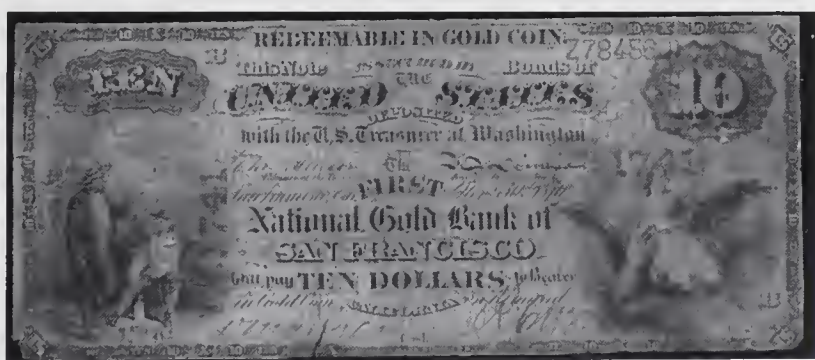

- 2214 \$5. Fr.1136. Orig. First National Gold Bank of San Francisco. No.K276635/7498. A. Fine. Trimmed slightly in at the top, with a few small pinholes, but a solid, attractive note, with strong signatures. (\$2,000-3,000)

- 2215 \$5. Fr.1141. Orig. Farmers National Gold Bank of San Jose. No.N466817/1474. C. VG-F in terms of wear, but with a couple of hinge-repaired splits and small edge stains. In addition there are five 4mm round holes punched in the note, something we've not seen before on a genuine note. These notes were not punched this way for redemption purposes, and this note is unquestionably genuine, so they aren't counterfeit cancellations. Curious indeed. Otherwise the note is bright, with good signatures. (\$1,000-1,500)

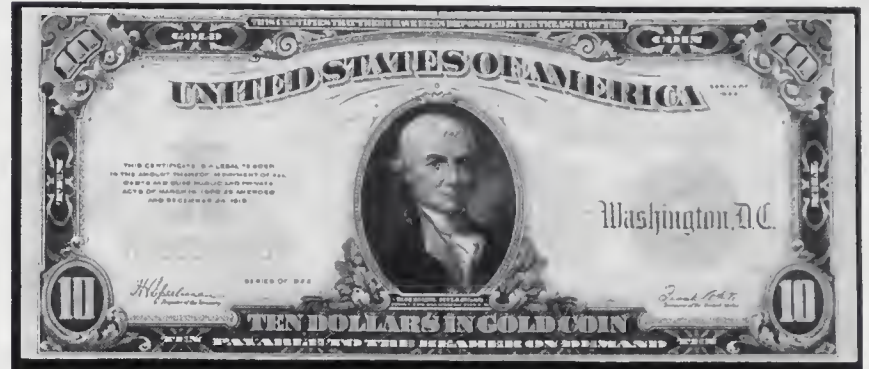

- 2216 \$10. Fr.1142. Orig. First National Gold Bank of San Francisco. No.Z784360/4399. B. G-VG. Tightly trimmed and well worn, with some edge splits and numerous pinholes. (\$1,000-1,500)

### Gold Certificates

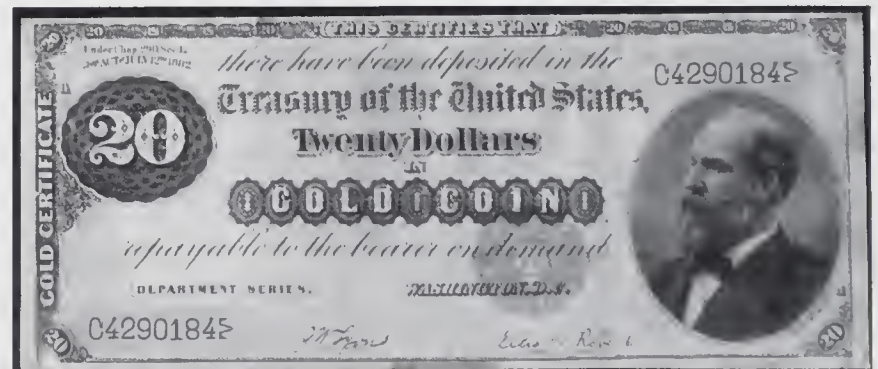

- 2217 \$10. Fr.1172. 1907. No.E26428067. EF with a small (2mm) brown spot at the right side. Good margins, with a nice vivid orange back, not toned as usual. (\$175-225)
- 2218 \$10. Fr.1172. 1907. No.E42804360. VF. Bright, clean and reasonably crisp, with good margins and color. (\$100-150)

- 2219 \$10. Fr.1173. 1922. No.K54640083. Choice Uncirculated. A gem but for the slightly tight bottom margin. (\$600-800)

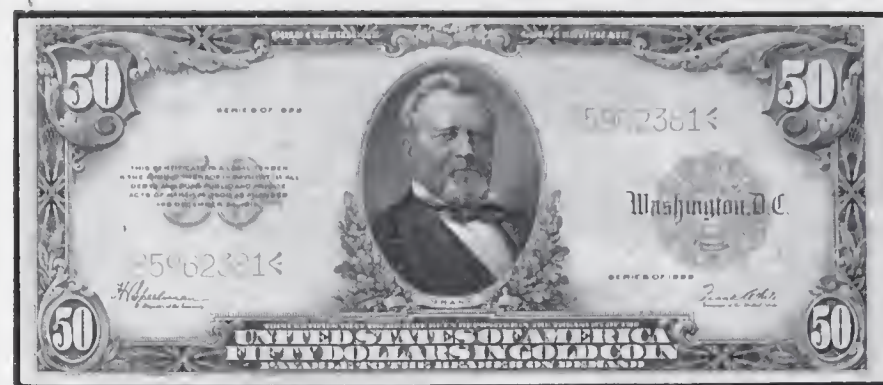

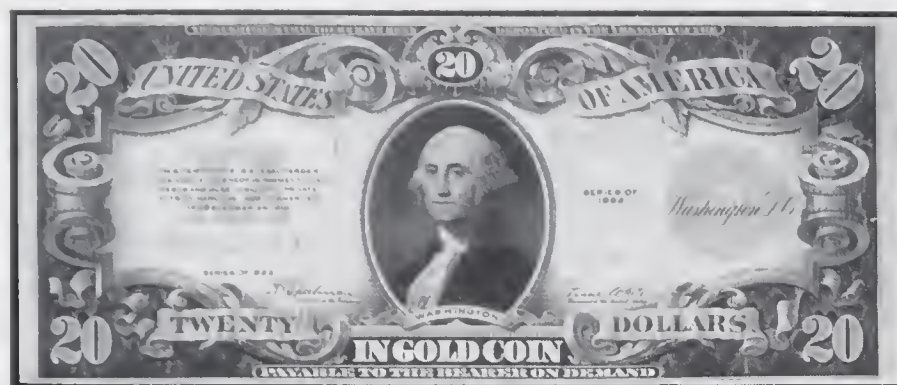

- 2220 \$10. Fr.1173. 1922. No.K49036095. CU but for a soft center curl - not a sharp crease. The margins are a bit tight at the top and bottom, but the note is clean, bright, crisp, and fully original. (\$400-500)
- 2221 \$10. Fr.1173. 1922. No.H24563049. VF. A problem-free note that looks even nicer on the face. (\$125-175)
- 2222 \$10. Fr.1173. 1922. No.K30018095. F-VF, but trimmed in at the top, with a couple of short repaired splits and pinholes. Still a nice looking note. (\$75-100)
- 2223 \$10. Fr.1173. 1922. No.H32049733. VG. A bit dirty, but undamaged. The much scarcer "Mule" variety, with the back plate number at the upper right. (\$75-100)
- 2224 \$10. Fr.1173a. 1922. No.H4643954. EF, with a pair of neatly filled staple holes at the left. Bright and crisp. The much scarcer **small serial number variety**, with a printage figure less than one tenth that of the large number variety, though the market is just beginning to realize it. (\$225-300)

- 2225 \$20. Fr.1178. 1882. No.C4290184. F-VF, with a couple of pinholes and a tiny bit of repair in the lower right corner, just barely touching the engraving. The back is light, but the face is quite pleasing. (\$350-450)

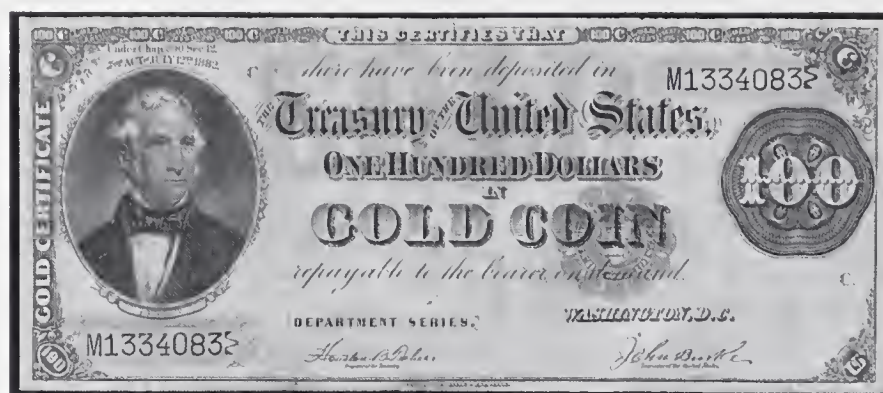

- 2226 \$20. Fr.1178. 1882. No.C14038669. **Fine**. A well centered note with no pinholes, splits, etc., and cleaner than one might expect for the grade. (\$400-500)

- 2233 \$50. Fr.1200. 1922. No.B5962381. A solid VF, or a bit better, with a few small pinholes. A bit close at the top. (\$500-600)

- 2227 \$20. Fr.1187. 1922. No.K82261321. A pretty EF, with folds so faint it could easily pass for Uncirculated. Bright, clean and crisp, with vivid color. (\$300-450)

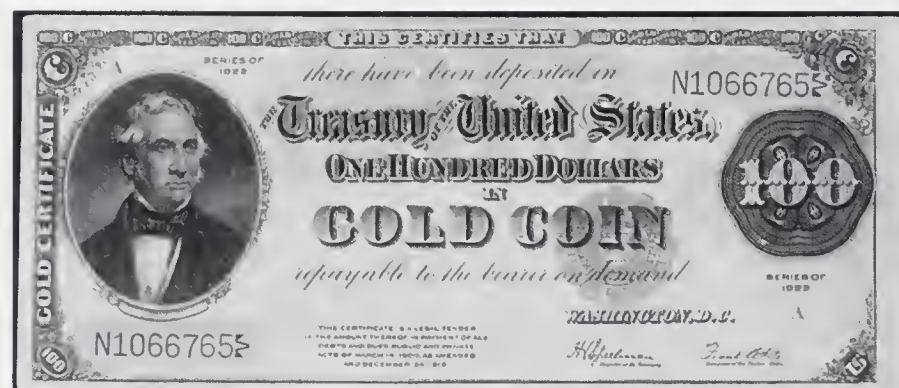

- 2228 \$20. Fr.1187. 1922. No.K84959046. **VF**. Very tight at the top and bottom, but no pinholes or other damage, and the colors are bright. (\$200-250)

- 2229 \$20. Fr.1187. 1922. No.K57233296. **F-VF**. A solid note, with good margins and color, and no defects. (\$175-225)

- 2234 \$100. Fr.1214. 1882. No.M1334083. **Fine+**, with good margins, but a number of tiny pinholes as well. (\$600-700)

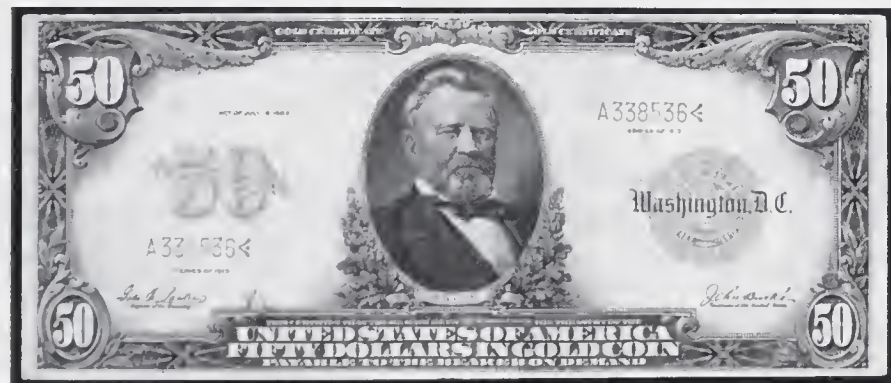

- 2230 \$20. Fr.1187\*. 1922. **STAR** No.\*451143D. **Fine**, tight at the bottom, with a few small pinholes. (\$300-400)

- 2231 \$50. Fr.1195. 1882. No.E69607. From our June 1998 Memphis sale as "**Fine** or a bit better... The back is a bit nicer, the face just a hair less so." Shortly afterward it appeared in the October 1998 CAA sale at essentially the same grade, after which it had a superbly done face lift. It now looks as nice as any EF we've seen, with excellent color and margins. (\$1,500-2,250)

- 2235 \$100. Fr.1215. 1922. No.N1066765. **VF**, the face somewhat better, the back a bit lower. Superb margins on both sides, and a great appearance on the face. (\$650-800)

- 2236 \$100. Fr.1215. 1922. No.N1106008. **VF**, or very close to it, but with a couple of small edge repairs, not touching the engraving. (\$400-600)

- 2237 \$100. Fr.1215. 1922. No.N1879598. **F-VF**. Looks better on the face, but the back is a bit dirty, and there are some small pinholes. (\$400-550)

- 2232 \$50. Fr.1198. 1913. No.A338536. **Fine**, but lightly washed. Good margins, with no pinholes or other damage. The scarcer of the two 1913 varieties, outnumbered two to one by the Teehee Burke combination. (\$500-750)

## National Bank Notes

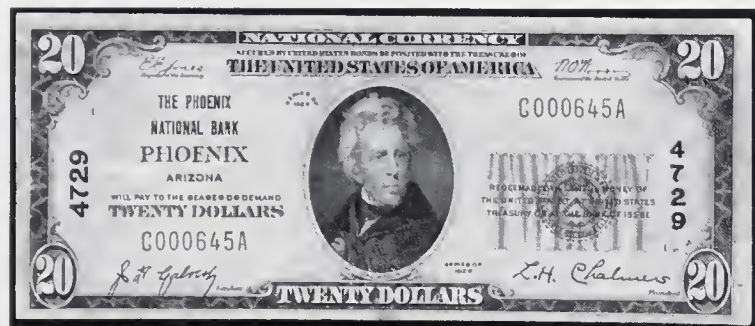

## Alabama

- 2301 Ch.4250. Anniston. Anniston NB. \$10. 1902 Plain Back. Fr.632. No.21343/21343. A. F-VF, trimmed in across the top, with a small pinhole. Looks a grade better on the face, which has bold stamped signatures, but the back shows a bit of soiling. (\$125-150)

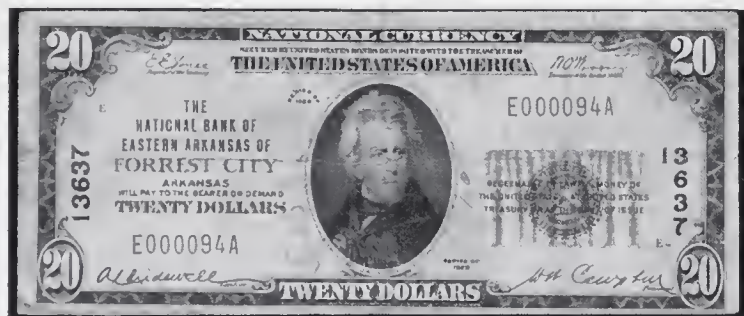

- 2302 Ch.S1814. Montgomery. First NB. \$10. 1882 Brown Back. Fr.484. No.T362116T/20991. E. Fine. Trimmed well into the design across the top, but the other three margins quite broad. There is a bit of translucent staining at the bottom, not touching the engraving. The signatures are light but legible. (\$500-750)

## Arizona

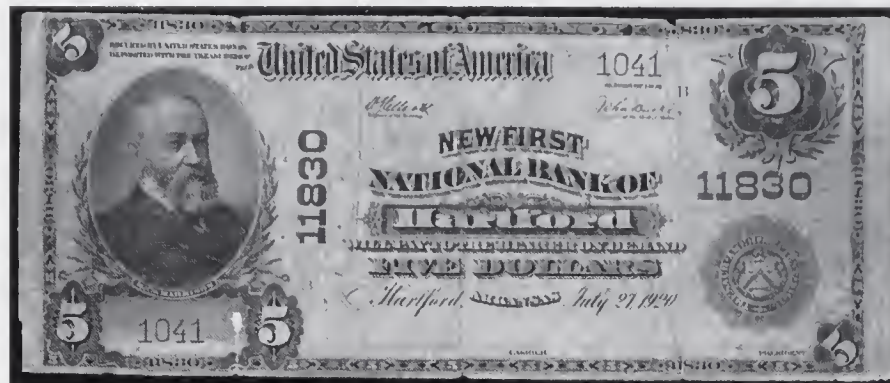

- 2303 Ch.4729. Phoenix. Phoenix NB. \$20. 1929 T1. Fr.1802-1. No.C000645A. Fine, but looks a grade better. A nice example of this popular state. (\$450-600)

## Arkansas

- 2304 Ch.13637. Forrester City. NB of Eastern Arkansas. \$20. 1929 T1. Fr.1802-1. No.E000094A. VG-F, with a few small pinholes. A small size only bank, with just five notes reported, and just four public offerings in over fifty years. (\$600-800)

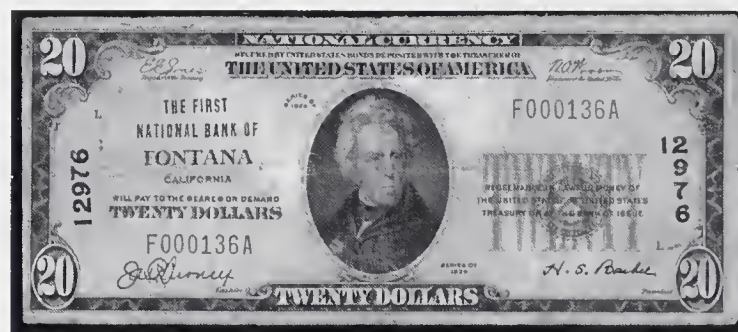

Historic Hartford Arkansas  
Bank Robbery Note

- 2305 Ch.11830. Hartford. New First NB. \$5. 1902 Plain Back. Fr.607. No.1041/1041. B. VG in terms of wear, but with a half inch split at the bottom, and a couple of other trivial nicks. A rare three-title bank, with only four large notes known for all three titles combined. Only one of the four has ever been offered publicly - a \$5 Plain Back with the first title, sold by Allen Mincho two decades ago, described as VG with a small hole.

(\$1,500-2,500)

A very interesting note that comes with a newspaper clipping from the Valley Advance, Vincennes, Indiana, dated March 14, 1968. In short, the note was spent by a man wanted for (and later convicted of) a 1926 bank robbery and murder of a police officer in Arkansas. It was the spending of the unsigned note in Indiana that led to the capture. Dreyfus Rhodes was twice convicted of the murder, and twice sentenced to the electric chair, but in a third trial was convicted of involuntary manslaughter and given a two- to- twenty-one year sentence. Most of the principals in the case have died, and it is unknown what has become of Rhodes.

## California

- 2306 Ch.12976. Fontana. First NB. \$20. 1929 T1. Fr.1802-1. No.F000136A. Fine, but a trifle on the dirty side. Small size only from this bank, the only one in Fontana. Kelly reports eleven known, and nearly all are lower grade than this, which is similar to the \$10 T1 sold for \$550 last year. (\$500-600)

- 2307 Ch.P2491. Los Angeles. First NB. \$5. 1882 Value Back. Fr.574. No.U227094/138232. N. Fine. Trimmed slightly into the design at the bottom, with a small "75" pencilled in the field, but with strong signatures and just one small pinhole. (\$225-275)

- 2308 Ch.10931. San Bernardino. American NB. \$10. 1929 T1. Fr.1801-1. No.B001363A. EF-AU. Tightly trimmed at the top, with some tiny pinholes in the portrait. (\$200-250)

## Connecticut

- 2324 Ch.1216. Middletown. Middletown NB. \$5. 1875. Fr.401. No.K524962/7388. C. Choice Uncirculated. A superb gem in every respect but for the margins, which show the infamous "New England trim." The paper is bright, the colors vivid, and the signatures dark and sharp, making this a very stunning note.

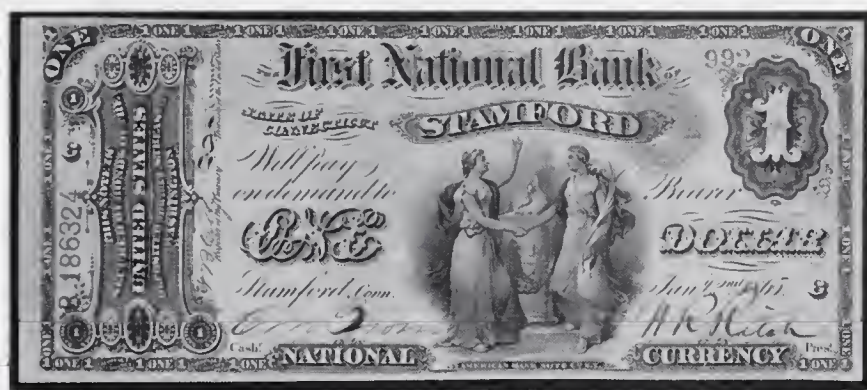

(\$1,750-2,250)

- 2325 Ch.N1216. Middletown. Middletown NB. \$5. 1902 Plain Back. Fr.598. No.K402956E/64635. I. EF. A clean, bright note with bold dark signatures.

- 2326 Ch.2. New Haven. First NB & TC. \$20. 1929 T1. Fr.1802-1. No.B004133A. Choice Uncirculated. Not well centered enough for gem, but bright and crisp, with deep original embossing.

(\$100-150)

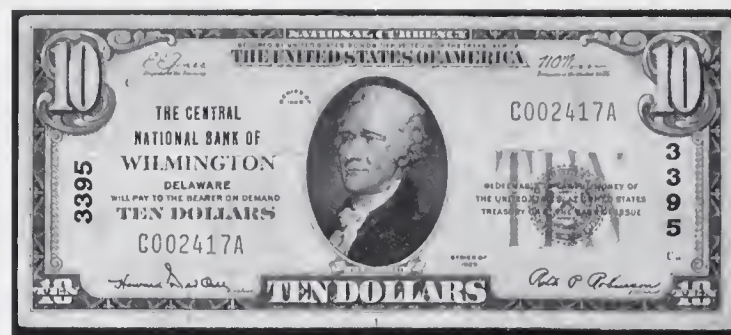

- 2327 Ch.4. Stamford. First NB. \$1. Orig. Series. Fr.380. No.B186324/992. C. AU. From a sale a few months ago as Uncirculated, though the single center fold is plain enough. Tight across the top, with uniform moderate aging and lightening of the overprint. The signatures are dark, with a small bit of ink erosion in the cashier's signature. Still a reasonably attractive note.

(\$1,250-1,500)

Choice EF due to a few light folds, but with the appearance of at least a grade better (from Lyn's fixed price list of the C. Dale Lyon collection as "Choice AU"). Bright, clean and crisp, with perfect margins and bold dark pen signatures, and fully worth an AU price. The only bank in Phillipsburg, with nine large and nine small notes reported. (\$500-750)

- 2397 Ch.3374. St. Marys. First NB. \$20. 1929 T1. Fr.1802-1. No.A000192A. VF or so, with good margins and no defects. Far scarcer in small size than large size, and the only collectible bank in this town. (\$175-250)

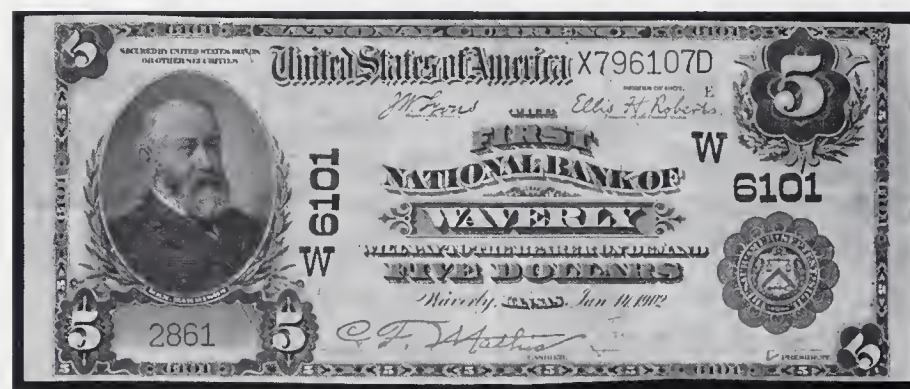

- 2398 Ch.W3546. Smith Centre. First NB. \$10. 1902 Plain Back. Fr.626. No.R262857B/3187. E. VG-F. Some circulation dirt on both sides, but with good margins and strong pen signatures. (\$350-500)

- 2399 Ch.8162. Troy. First NB. \$10. 1929 T1. Fr.1801-1. No.B000430A. Fine or so, but somewhat dark. The only bank in Troy, with seven large and seven small notes reported. (\$175-250)

- 2400 Ch.3434. Wamego. First NB. \$20. 1902 Plain Back. Fr.651. No.3101/3101. B. EF-AU, with broad margins and bold dark signatures. A particularly attractive note tracing its pedigree from Dr. Carter to the C. Dale Lyon collection. (\$300-450)

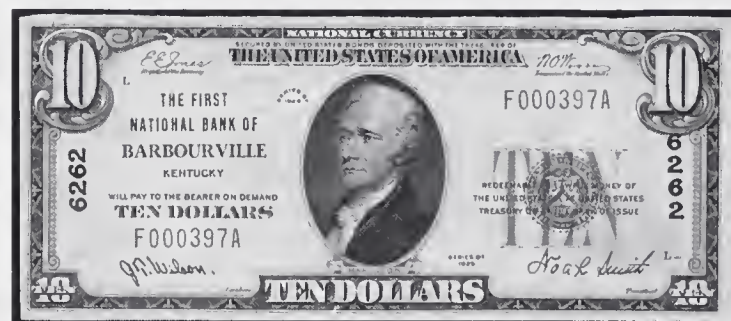

- 2401 Ch.W2912. Washington. First NB. \$10. 1902 Date Back. Fr.616. No.M371855/104. D. F-VF, very slightly close at the top, but with bold dark pen signatures and no pinholes or other problems. A very scarce large-only bank, with **seven notes reported** of the \$1,930 outstanding. (\$400-500)

- 2402 Ch.W6101. Waverly. First NB. \$5. 1902 Plain Back. Fr.598. No.X796107D/2861. E. VF, trimmed slightly in at the bottom right. The vice president's signature is faint, the cashier's strong. Seldom available, not surprising as there are **only five large notes reported** of the \$1,845 outstanding. (\$600-800)

## Kentucky

### From the Last Sheet Printed

- 2403 Ch.6262. Barbourville. First NB. \$10. 1929 T1. Fr.1801-1. No.F000397A. AU, with a very faint center fold. Kelly's census shows just five large and **three small notes known**, and our extensive records show just three prior appearances - a VF \$5 Plain Back in the Grinnell sale and a lower grade \$20 Plain Back sold in 1997 and resold six months later. This is the first publicly available small size note on a bank which only issued 3,066 small notes. **This is the bottom note from the last sheet of small size \$10 notes issued.** (\$750-1,250)

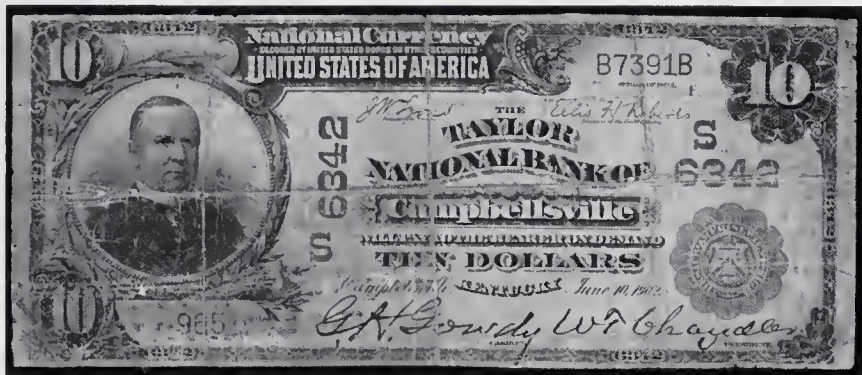

**2404 Ch.S7284. Barbourville. NB of John A. Black. \$20.** 1902 Plain Back. **Fr.650.** No.V256926B/1884. B. **VG-F**, but with a couple of small bald spots and irregular trimming. A bit dirty, but the signatures are good. A great "name" bank, not too often available. Kelly lists eight large and two small notes known, and the outstanding large size balance is a low \$1,460.

**(\$1,750-2,250)**

**2405 Ch.S9365. Bowling Green. American NB. \$20.** 1902 Plain Back. **Fr.652.** No.E497855E/18803. A. **Fine.** Good margins, with no damage, but the signatures are faint.

**(\$300-400)**

**2406 Ch.S6342. Campbellsville. Taylor NB. \$10.** 1902 Date Back. **Fr.616.** No.B7391B/965. F. **Good** in terms of wear, but dirty, a bit stained and washed, with parts of the edges repaired and built up. What this note lacks in condition it makes up for in rarity, with **just three large notes known.**

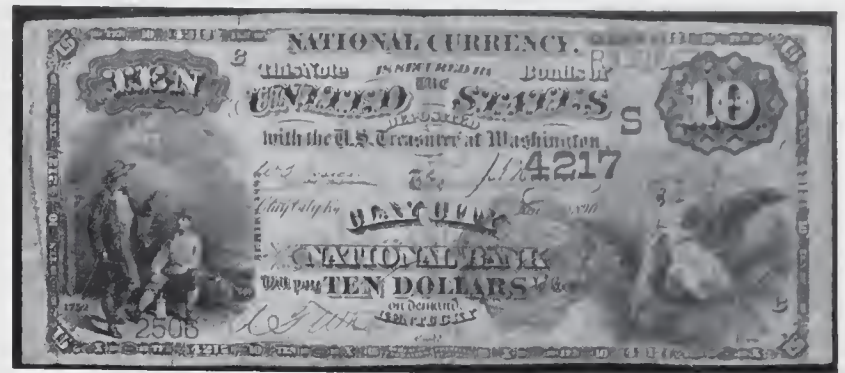

**(\$400-600)**

**2407 Ch.9602. Catlettsburg. Kentucky NB. \$5.** 1902 Plain Back. **Fr.601.** No.19018/19018. C. **VG.** Evenly worn, with good margins, but the signatures are long gone. Just eight large and six small notes known, none of which have been offered in the past few years.

**(\$300-400)**

**(\$1,000-1,500)**

**2409 Ch.4260. Covington. Citizens NB. \$50.** 1929 T1. **Fr.1803-1.** No.A000327A. **VF**, with a couple of pinholes, and light teller smudging, but attractive nonetheless.

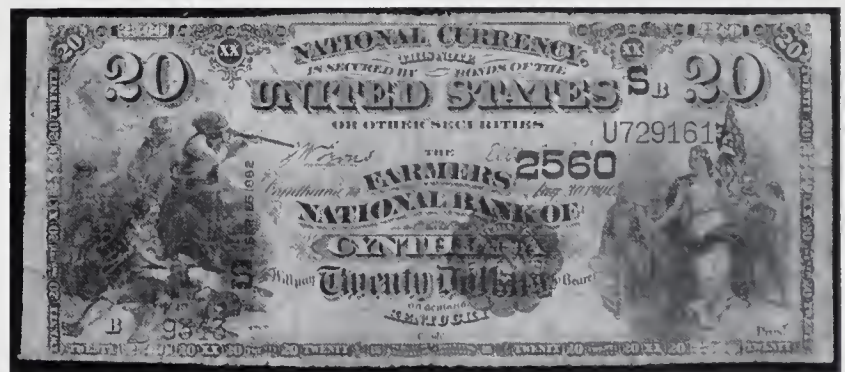

**(\$250-300)**

**2410 Ch.1847. Covington. German NB. \$2.** 1875. **Fr.391.** No.A602025/341. A. **VG** in terms of wear, but with a large number of pinholes in the center of the note, and a few edge repairs, and the upper left quarter inch of the note has been replaced. Looks better than it sounds, with good color and strong signatures.

**(\$800-1,200)**

From New Netherlands Coin Co.'s June 16, 1959 sale, lot 1873.

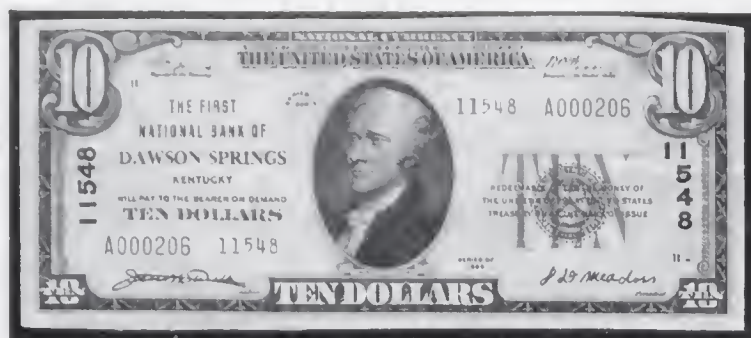

**2411 Ch.S2560. Cythiana. Farmers NB. \$20.** 1882 Value Back. **Fr.581.** No.U729161/9343. B. **G-VG.** Well worn, with pinholes but no signatures. Still solid, with splits or damage.

- 2416 Ch.5376. Frankfort. National Branch Bank of Kentucky. \$10. 1902 Plain Back. Fr.633. No.11506/11506. C. **About Fine**. Very tightly trimmed across the bottom, with faint signatures. Just seven large notes in the census. **(\$400-600)**

### Second Public Appearance

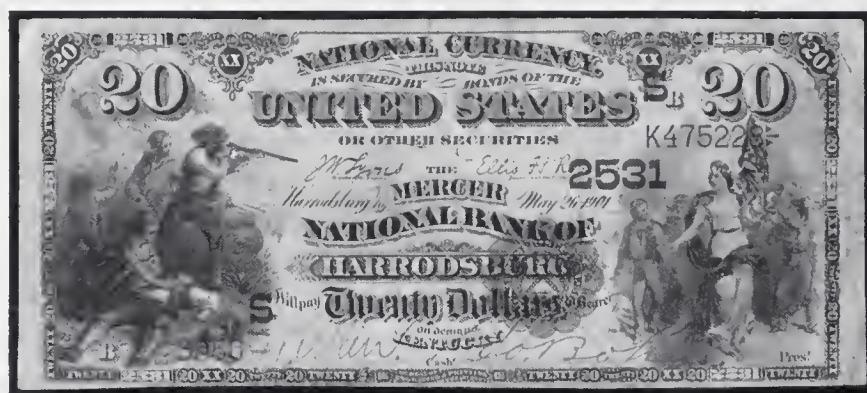

- 2413 Ch.10254. East Bernstadt. First NB. \$10. 1929 T1. Fr.1801-1. No.C000165A. VF-EF, with a faint touch of soiling right of center. A rare one-bank town, with one large and **five small notes in the census**. **Only one note has ever been publicly offered** - a \$20 in substantially lower grade, sold by Hickman & Oakes over eleven years ago. With only 5,934 small notes issued, it is unlikely that many more will surface. **(\$650-850)**

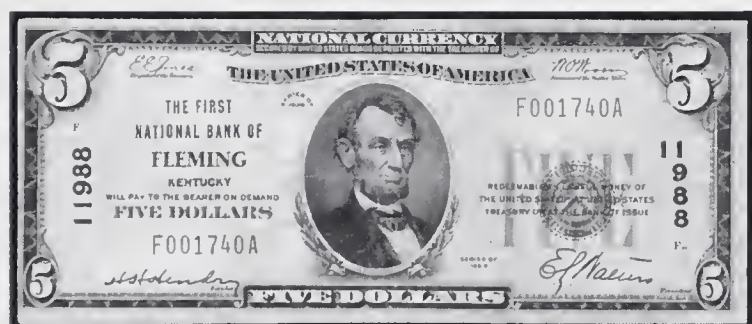

- 2417 Ch.S12243. Harlan. Citizens NB. \$20. 1902 Plain Back. Fr.661. No.H249158H/1656. A. **Fine**. Light brown staining here and there at the edges, with light, blurred signatures. There is also a small bit of pen graffiti at the lower right. Kelly lists **just five large notes known**, plus seven small notes. **(\$600-900)**

- 2415 Ch.11988. Fleming. First NB. \$5. 1929 T1. Fr.1800-1. No.F001740A. VG-F, but washed, noticeably so on the back, but the face is nicer. Not top condition, but a one-bank town, with just one sheet and three single small notes known, plus three large notes. **(\$400-600)**

- 2419 Ch.S8258. Hazard. First NB. \$10. 1902 Plain Back. Fr.625. No.H990815E/6323. F. VG-F, but quite soiled, particularly at the top and right, with no signatures. A large-only bank, and the only bank in Hazard. Kelly lists **five notes known**, and while the records show over a dozen public sales, most are accounted for by a string of Iverson and Mincho fixed price lists from 1978 to 1990. (\$600-900)

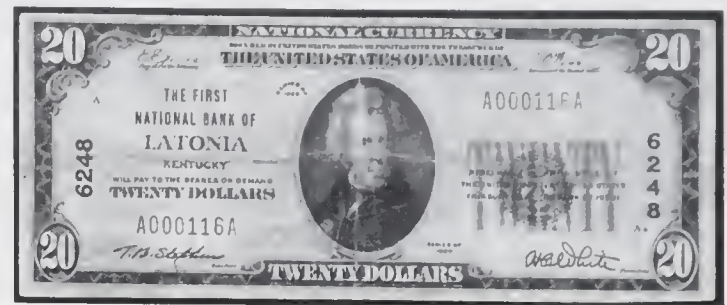

- 2420 Ch.2917. Hustonville. National Bank. \$20. 1902 Plain Back. Fr.650. No.11241/11241. - 2423 Ch.6248. Latonia. First NB. \$20. 1929 T1. Fr.1802-1. No.A000116A. **Fine**, but washed, leaving a couple of thin white streaks in the portrait. Kelly's census lists three large and **three small notes known**, of which **only one has ever sold publicly**. In 1983 Hickman & Oakes handled a \$10 Date Back. 2428 Ch.S4271. Lebanon. Farmers NB. \$10. 1902 Plain Back. Fr.627. No.U340827D/5065. C. EF. Far off center to the top, but the signatures are bold and sharp. This note was auctioned a few years ago as "CU," and it's easy to see why. Just five large and eight small notes in the census. (\$500-750)

2429 Ch.1694. Lebanon. National Bank. \$5. 1875. Fr.401. No.Z173884/11718. A. VG-F. Well worn, with a couple of pinholes, but the signatures are strong and the overall appearance is pleasing. A large-only bank liquidated in 1889, with just \$2,190 outstanding as of 1910. There are two notes in Kelly's census and **three notes in our census**, all \$5 notes. Very few public appearances other than a string of Curt Iverson fixed price lists from 1978 to 1983. (\$1,000-1,500)

2430 Ch.906. Lexington. First NB & TC. \$5. 1929 T2. Fr.1800-2. No.A117598. Choice Uncirculated. Very close to gem, with nice deep original embossing. (\$100-125)

2431 Ch.7110. Louisa. First NB. \$5. 1929 T1. Fr.1800-1. No.E001229A. Choice EF, very tight at the bottom left. (\$250-350)

Really closer to EF than VF, and a particularly attractive Kentucky Brown Back. 2433 Ch.4956. Louisville. American NB. \$20. 1882 Brown Back. Fr.501. No.Z694675/36458. A. VG-F, with a few small pinholes. More worn than the last, but again with good margins and signatures. (\$450-750)

## First Charter Kentucky Sheet

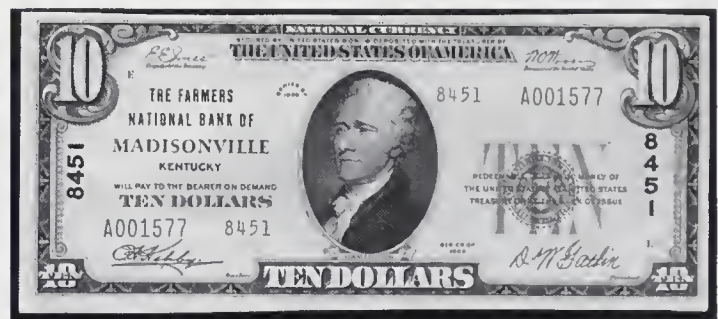

- 2434 Ch.2062. Louisville. German NB. \$1-1-1-2.** Orig. Series. **Fr.382/389.** No.D357806/14. A-B-C-A. An **UNCUT strip of three \$1 notes, plus the now-reattached \$2 note** from the bottom of the sheet. Individually the notes would grade from a nice **Fine** to nearly **VF**, but with pinholes and a few short repaired edge splits. All have good margins and bold dark signatures. A rare bank that issued only First Charters and Brown Backs before being placed in receivership in 1897. Kelly reports **two sheets and five single notes known**. The other sheet (Bank SN 16) was Amon Carter's. There are only three public sales on record for the bank, and the only one in the last 25 years was for the 1998 sale of this sheet. **(\$6,000-8,000)**

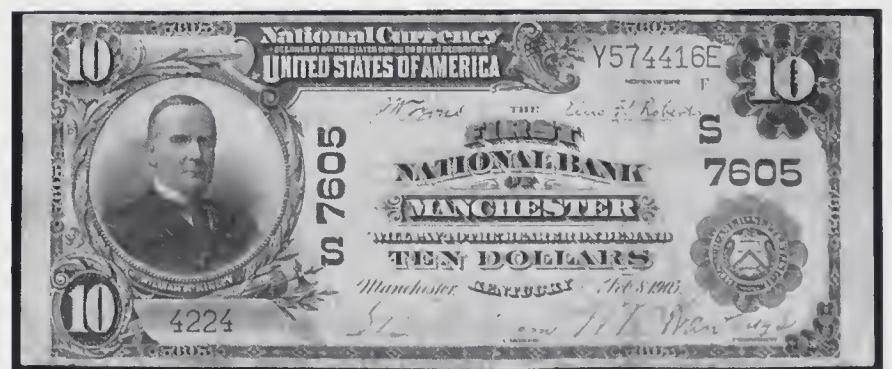

- 2435 Ch.2062. Louisville. German NB. \$2.** Orig. Series. **Fr.389.** No.D359581/1789. A. **VG-F**, but with a few small edge splits. Looks nicer, with bold sharp signatures. For those without the room for a full sheet, this attractive deuce will suffice nicely. **(\$1,500-2,000)**
- 2436 Ch.5312. Louisville. NB of Kentucky. \$5.** 1882 Value Back. **Fr.574.** No.T677196/156934. Q. **VF**. A particularly attractive value back type note, with excellent margins and dark sharp signatures. **(\$350-500)**

- 2437 Ch.S4145. Louisville. Union NB. \$5.** 1882 Brown Back. **Fr.471.** No.E624075E/5877. A. **Fine**, peppered with small pinholes. A good looking note, with nearly perfect margins on the face, and large dark signatures. A large-only bank closed in 1919. **(\$250-350)**
- 2438 Ch.4145. Louisville. Union NB. \$10.** 1882 Brown Back. **Fr.484.** No.N506748/3096. A. **Fine+**. Looks better on the face, with broad margins and dark signatures, but the overprint has bled slightly onto the back. **(\$300-400)**
- 2439 Ch.5323. Ludlow. First NB. \$10.** 1929 T1. **Fr.1801-1.** No.B001130A. **EF**. Clean and bright, with good margins. The only issuing bank in Ludlow. **(\$350-450)**
- 2440 Ch.5323. Ludlow. First NB. \$20.** 1929 T1. **Fr.1802-1.** No.C000249A. **F-VF**. Excellent margins, with no pinholes or other defects other than a couple of small and light traces of a teller stamp, hardly noticeable. **(\$250-350)**

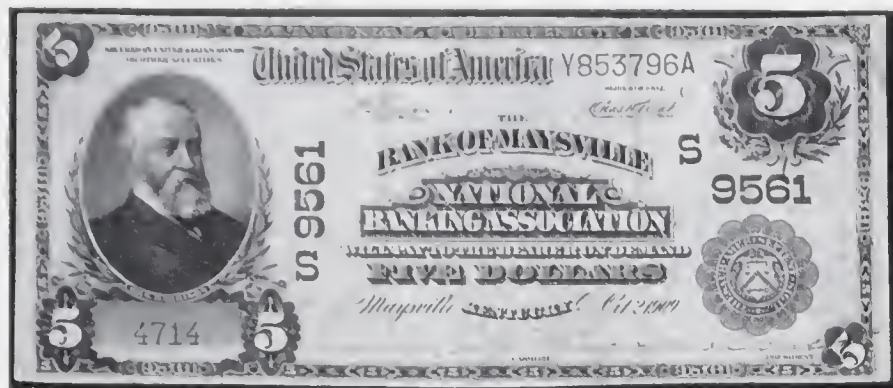

- 2441 Ch.8451. Madisonville. Farmers NB. \$10.** 1929 T2. **Fr.1801-2.** No.A001577. **Choice Uncirculated**, fully gem but for the centering. Four large and eight small notes recorded. **(\$400-500)**

- 2442 Ch.S7605. Manchester. First NB. \$10.** 1902 Plain Back. **Fr.624.** No.Y574416E/4224. F. **Fine**, with a half inch split at the bottom. Good margins and signatures. The only bank in Manchester, with six large and six small notes known. **(\$500-750)**

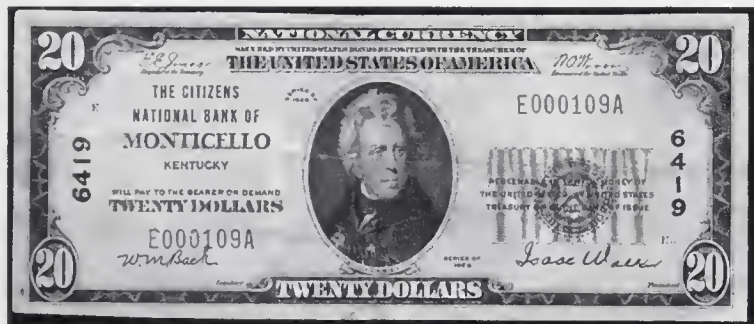

2443 Ch.S9561. *Maysville. Bank of Maysville, National Banking Assoc.* \$5. 1902 Date Back. Fr.592. No.Y853796A/4714. C. F-VF. Good margins and light but legible signatures. This bank lasted only seven years before being liquidated in 1916, and has **just four notes known** today. There are nine public appearances on record, the majority of them accounted for by two notes sold by two firms. (\$600-800)

2444 Ch.S2663. *Maysville. State NB.* \$5. 1902 Plain Back. Fr.598. No.Y531217D/12886. A. EF. Bright, clean and crisp, with good margins and strong purple stamped signatures. (\$250-350)

2445 Ch.7086. *Middlesborough. National Bank.* \$10. 1929 T1. Fr.1801-1. No.A001000A. AU, with faint traces of foxing or aging at the top. (\$250-325)

2446 Ch.7086. *Middlesborough. National Bank.* \$20. 1929 T1. Fr.1802-1. No.E000175A. **Choice Uncirculated.** Centered just a bit low, but gem otherwise. (\$250-350)

2447 Ch.6419. *Monticello. Citizens NB.* \$20. 1929 T1. Fr.1802-1. No.E000109A. **Fine**, with nice broad margins all around. Only **six large and five small notes are known**, with a total of just a half dozen sales in over fifty years (three of them for just one note that appeared in a few Lyn Knight sales). Only 4,806 small notes were issued by this bank. (\$400-500)

2448 Ch.7490. *Morganfield. Morganfield NB.* \$10. 1902 Plain Back. Fr.624. No.Z687983H/13031. D. VG-F. Tight across the top, with a small spot in the left margin, but the signatures are strong. Kelly shows just five large notes known, though more small notes are known. (\$400-600)

2449 Ch.4765. *Newport. Newport NB.* \$10. 1902 Plain Back. Fr.628. No.16092/16092. C. VF. Trimmed in across the bottom, but clean and bright, with decent signatures. Just eight large notes in the census. (\$350-450)

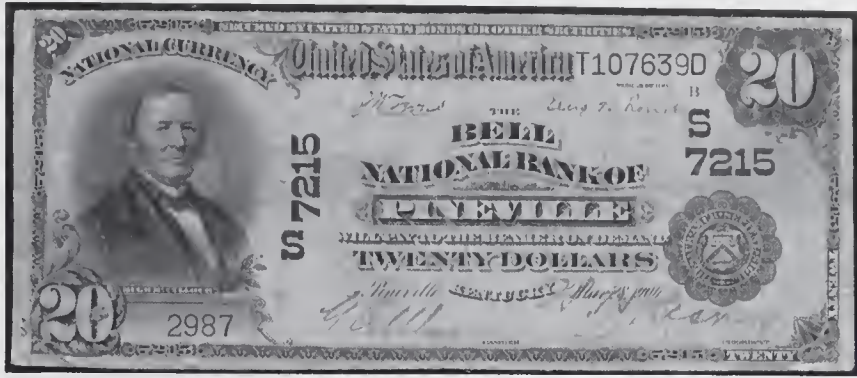

2450 Ch.12961. *Paducah. Peoples NB.* \$10. 1902 Plain Back. Fr.635. No.5666/5666. A. VF-EF. Bright and clean, with decent margins, but the signatures are faint. Kelly's census shows three large notes known, while our census shows four, of which **this is easily the finest known.** (\$600-800)

2451 Ch.12961. *Paducah. Peoples NB.* \$10. 1929 T1. Fr.1801-1. No.E002635A. AU. **Choice Uncirculated** but for one light center fold. (\$200-300)

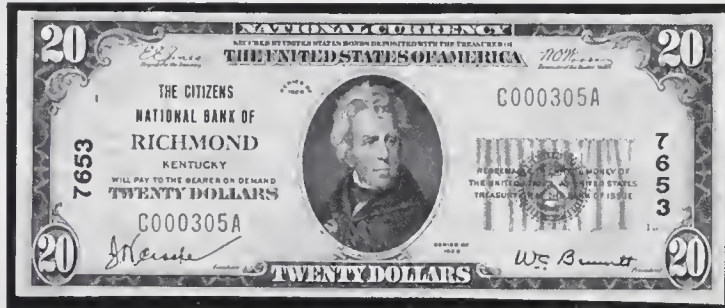

2452 Ch.13763. *Paintsville. First NB.* \$5. 1929 T2. Fr.1800-2. No.A008973. VG-F. Good margins, with no defects, but a bit more soiled than normal. Don't be misled by Kelly's census, which shows thirteen notes known - our sales records indicate not a single note being offered publicly since a VG \$5 was sold by Hickman & Oakes in 1986, and only two other public sales prior to that. The thirteen known must be very tightly held, as they almost never change hands. (\$200-400)

*Please note that a 10% buyer's premium  
will be added to each lot purchased.*

### Pair of Rare Whitesburg Notes

2463 Ch.S10433. *Whitesburg. First NB.* \$5. 1902 Plain Back. Fr.604. No.M990514D/2213. D. VG. Solid, but rather dirty, with edges slightly rough here and there. The Kelly census shows **three large and six small notes known**. Our sales records show a single prior auction appearance over ten years ago, and a few fixed price offerings a decade before that.

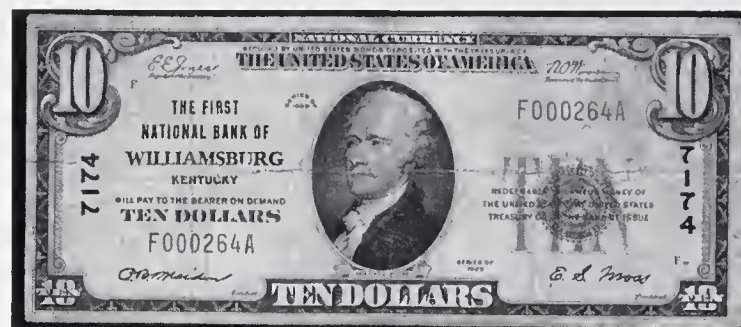

(\$750-1250)

2464 Ch.10433. *Whitesburg. First NB.* \$5. 1929 T1. Fr.1800-1. No.E001535A. VF. An attractive note, centered a bit high and left, but bright and crisp. Not quite as rare as the large note above, but equally hard to obtain.

(\$400-600)

### First Auction Appearance

2465 Ch.7174. *Williamsburg. First NB.* \$10. 1929 T1. Fr.1801-1. No.F000264A. **Fine.** Not the cleanest, but the margins are decent and there are no splits or damage. **Very rare** - the only bank in Williamsburg, with just two large and **four small notes in the census**. Our records show **not a single prior auction appearance for this bank**, and only six fixed price offerings scattered over the last twenty years. Not at all surprising, as only 5,628 small notes were issued.

(\$500-750)

Very few Kentucky Red Seals have been offered in the past decade, and all have been low grade. (\$750-1,500)

Rather dirty, with splits, nicks, small pieces out of the edge, etc. **Only four notes are known for this bank** (the only bank in Brookline), which was liquidated in 1910. Until now only three notes have been offered publicly - the Grinnell sale, and sales in 1990 and 1997, all \$5 Brown Backs (three different notes). This new addition to the census was issued just before the bank was liquidated. (\$150-200)

- 2474 Ch.428. Easthampton. First NB. \$10. 1929 T2. Fr.1801-2 (4 pcs.). **Choice Uncirculated**. Another nice original group, gem but for the centering. One is trimmed slightly into the design at the lower left. [4] (\$400-600)

- 2478 Ch.11388. Southbridge. Peoples NB. \$10. 1929 T1. Fr.1801-1. No.F000112A. AU, with a faint old center fold. Looks a full grade better. Just four large and four small notes in the census. (\$250-350)

## Mississippi

2498 Ch.6847. Canton. First NB. \$20. 1902 Plain Back. Fr.650. No.11048/11048. B. F-VF. Trimmed slightly in at the bottom, the blue signatures slightly blurred but legible. The only issuing bank in Canton, and Kelly reports just three large notes known of the \$3,080 outstanding. The only two auction records recent enough to be meaningful were for the far more common small size notes. (\$1,250-1,750)

## Scarce Signature Variety

2499 Ch.S3332. Jackson. First NB. \$10. 1902 Date Back. Fr.618. No.K7427/5919. E. F-VF, tight at the top. From a sale catalogued by Allen Mincho a couple of years ago as "A most interesting note from this scarcer state capital bank, as the signature on the Cashier's line is that of O.J. Waite "for" Cashier, a style which we have never before encountered." Signatures of Assistant Cashiers are occasionally seen, but like Allen, we have never seen another note signed "for" one of the officers. (\$500-600)

## Missouri

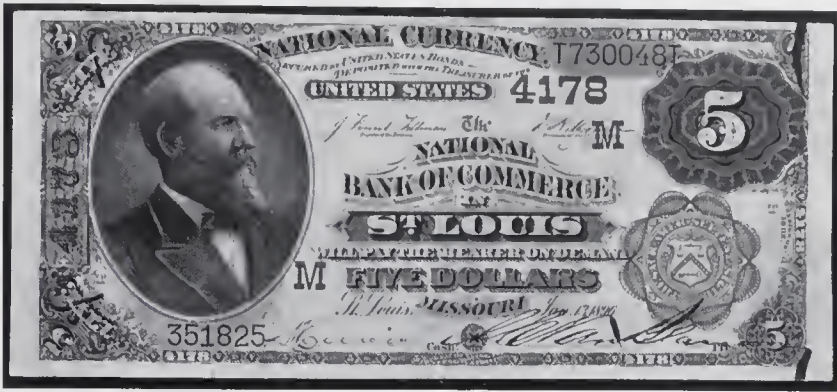

2500 Ch.M10915. Boonville. Boonville NB. \$5. 1902 Plain Back. Fr.606. No.X172621D/10150. A. Fine, with decent signatures. (\$125-175)

2501 Ch.M9404. Kansas City. Gate City NB. \$20. 1902 Plain Back. Fr.652. No.R617025B/9024. A. Fine, with a few pinholes, but good signatures. A large-only bank that issued only Date Backs and Plain Backs before closing in 1930. Kelly reports just seven notes known. (\$200-250)

## Do You Have Currency For Sale?

**2502 Ch.M4178. Saint Louis. NB of Commerce. \$5. 1882 Brown Back. Fr.474. No.T730048T/351825. T. EF,** with one tiny pinhole. Bright and clean, and looks as nice as any from the famous run of Uncirculated notes from this bank, but will be considerably less expensive.

**(\$450-600)**

**2503 Ch.12389. Saint Louis. Telegraphers NB. \$5. 1902 Plain Back. Fr.609. No.21047/21047. B. Fine,** or a bit better. Lightly washed, with a tiny pinhole or two, but the margins are decent and the signatures nice and dark.

**(\$150-225)**

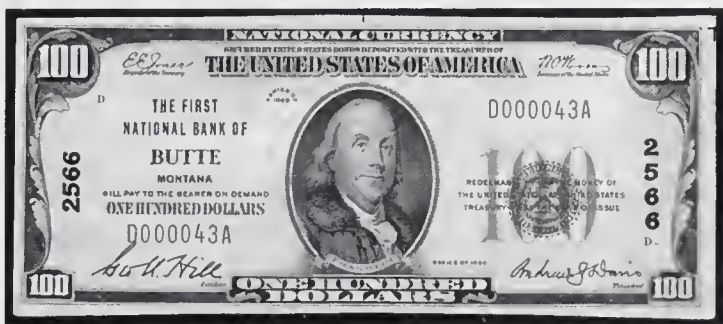

### Montana

**2504 Ch.12407. Billings. Midland NB. \$10. 1929 T1. Fr.1801-1. No.D003366A. F-VF,** with a bit of light soiling about the folds.

**(\$125-175)**

### Lovely Butte \$100

**2505 Ch.2566. Butte. First NB. \$100. 1929 T1. Fr.1804-1. No.D000043A. EF,** and a very attractive example. After the 1875 series this bank issued nothing but \$50 and \$100 notes. Kelly reports only fourteen small notes known. This isn't quite as nice as the AU \$100 that brought over \$1,800 two years ago, but it's close.

**(\$1,000-1,500)**

### Rare Geyser Note

**2506 Ch.W10952. Geyser. First NB. \$10. 1902 Plain Back. Fr.632. No.R325919E/1607. B. EF-AU.** Bright, with light but legible signatures and decent margins. A large-only bank with a **population of two sheets and four single notes**, quite high considering that **the outstanding balance is a minuscule \$470**. Sales records include just three auctions and three fixed price offerings, scattered over the past twenty years. Another \$10, close to this in both grade and serial number was offered at \$4,750 in 1998, and an AU \$20 sold at auction just before that for over \$4,800.

**(\$3,500-4,500)**

**2507 Ch.8259. Wibaux. First NB. \$5. 1929 T1. Fr.1800-1. No.B000730A. VG-F,** with some dirt at the right and "28" in blue pen left of the portrait. Only a dozen small notes have been recorded.

**(\$175-225)**

### Nebraska

**2508 Ch.3523. Weeping Water. First NB. \$20. 1929 T1. Fr.1802-1. No.F000172A. F-VF.** Tight at the top, but no pinholes or other problems. Not a rare bank, but without doubt one of the most popular town names in the National field.

**(\$125-175)**

### New Hampshire

**2509 Ch.4793. Claremont. Peoples NB. \$5. 1902 Plain Back. Fr.602. No.X37630H/17484. B. Fine,** with a couple of tiny pinholes. Washed, the signatures long gone. Scarce, with only a half dozen large notes known.

**(\$200-300)**

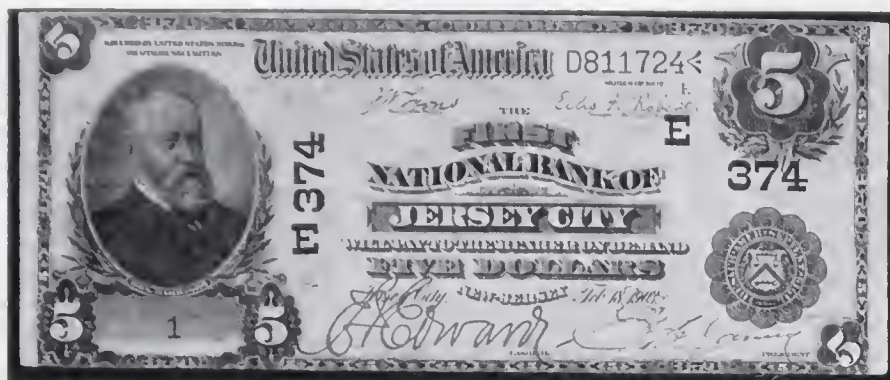

### New Jersey

**2510 Ch.E8627. Arlington. First NB. \$5. 1902 Plain Back. Fr.600. No.H609055D/2404. F. Fine+.** Irregularly trimmed at the top, but the signatures are strong. The first (large size only) location for this bank, which moved to Kearny in 1924 (see later notes below). **Only seven notes are known from Arlington.**

**(\$200-300)**

## Number 1 Jersey City

- 2511 Ch.E374. Jersey City. First NB. \$5. 1902 Date Back. Fr.590. No.D811724, Bank Serial Number 1. E. VF-EF, but slightly in at the top and bottom, and two small pinholes. Bright and crisp, with bold dark signatures and a very attractive overall appearance. One other number one note is known on the bank (from the same sheet as this), but it's a couple of grades lower. (\$1,250-1,750)

## Three Notes From the Kearny NB

- 2512 Ch.9661. Kearny. Kearny NB. \$5. 1902 Plain Back. Fr.601. No.1409/1409. C. Choice Uncirculated, with bold black pen signatures. This is the top note from an uncut pair that was sold in 1996, the only public sale of a note from this bank in the last decade. The second title (and location) for this bank, with eight large notes known, quite high as the outstanding large size balance is a minuscule \$815 for both titles. (\$1,000-1,500)
- 2513 Ch.9661. Kearny. Kearny NB. \$10. 1902 Plain Back. Fr.627. No.138/138. B. VG-F. Trimmed slightly in across the top, with a couple of small pinholes, but the signatures are strong. (\$400-600)
- 2514 Ch.9661. Kearny. Kearny NB. \$20. 1902 Plain Back. Fr.653. No.849/849. A. Fine. Very tight at the the bottom, with a couple of tiny pinholes, but good signatures like the last. (\$500-750)

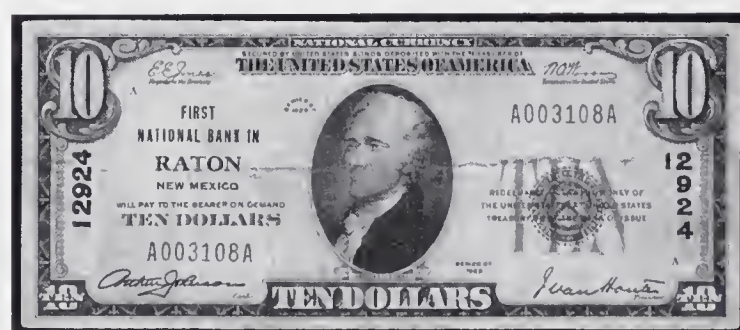

- 2515 Ch.13537. Kearny. Kearny NB. \$5. 1929 T1. Fr.1800-1. Fine, but tight at the top, with a half inch split at the bottom; \$10. 1929 T2. Fr. 1801-2. Fine, with a small ink stain on the back. The more "common" Kearny NB, with a couple of sheets and twenty single notes known. [2] (\$100-150)
- 2516 Ch.13537. Kearny. Kearny NB. \$10. 1929 T1. Fr.1801-1. F-VF. Tight at the top, but an attractive, undamaged note; \$10. 1929 T2. Fr.1801-2. VF. Centered high, but clean and crisp. [2] (\$125-150)
- 2517 Ch.13537. Kearny. Kearny NB. \$5. 1929 T2. Fr.1800-2. No.A000983. AU, with a very light center fold, but a nice original note with deep embossing. (\$100-125)
- 2518 Ch.13537. Kearny. Kearny NB. \$5. 1929 T2. Fr.1800-2. No.A000984. Choice AU. A superb note with deep original embossing, and just the slightest touch of handling. (\$125-150)

## Very Rare North Arlington Note

- 2519 Ch.12033. North Arlington. North Arlington NB. \$5. 1929 T1. Fr.1800-1. No.D001819A. F-VF, but tight at the bottom, and very lightly washed. A rare bank, with just six small notes in the census, plus a single large size (not surprising, as the outstanding large balance is just \$100). Only one note from the bank has ever been publicly auctioned, a Type 2 \$5 (tape repaired, with pieces missing) that we sold in 1995. (\$300-400)
- 2520 Ch.4724. Orange. Second NB. \$20. 1929 T1. Fr.1802-1. No.A000544A. Choice Uncirculated but for a short sharp corner fold. A beautiful note with deep original embossing. (\$100-125)

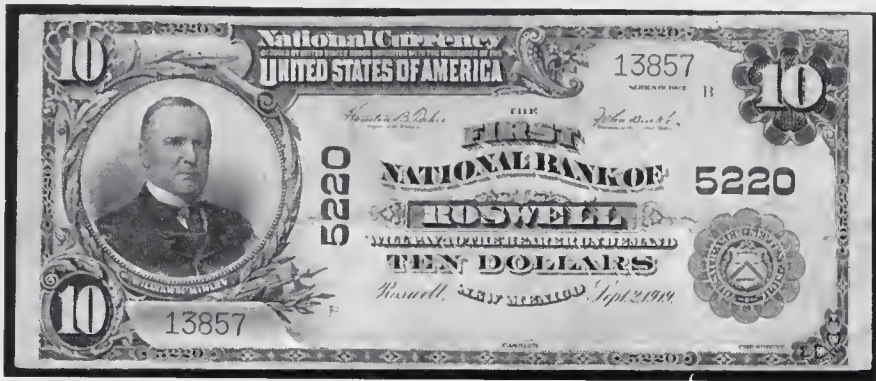

## New Mexico

- 2521 Ch.12924. Raton. First NB. \$10. 1929 T1. Fr.1801-1. No.A003108A. Fine, with good margins. (\$200-250)

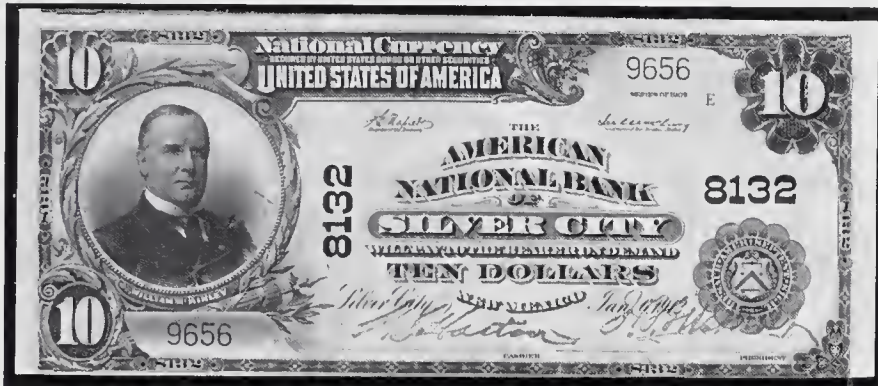

- 2522 Ch.12924. Raton. First NB. \$10. 1929 T1. Fr.1801-1. No.E000051A. **Fine.** Good margins, but with a couple of tiny pinholes and a minor split at the bottom.  
(\$150-200)

- 2523 Ch.5220. Roswell. First NB. \$10. 1902 Plain Back. Fr.632. No.13857/13857. B. F-VF. The signatures are quite faint, but the margins are generally good.  
(\$300-400)

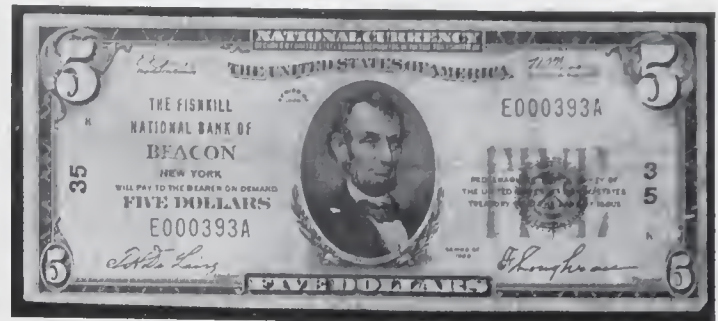

### Choice New Mexico Large \$10

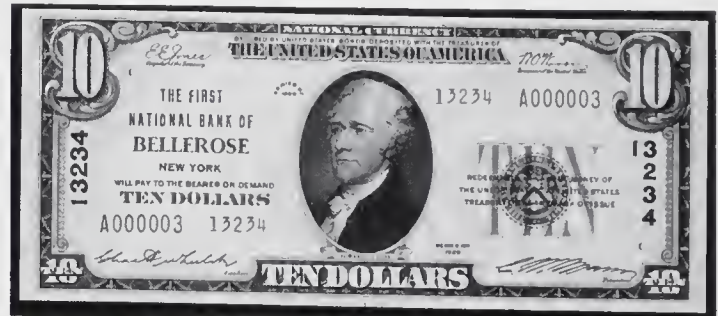

- 2524 Ch.8132. Silver City. American NB. \$10. 1902 Plain Back. Fr.628. No.9656/9656. E. **Choice AU**, with a faint soft center fold. Looks and feels Choice Uncirculated. Though centered low, it's bright, clean and crisp, with bold purple signatures. A very attractive large note for this scarce state, and one of the finest known for the bank.  
(\$1,000-1,500)

### New York

- 2525 Ch.1350. Auburn. National Bank. \$20. 1929 T1. Fr.1802-1. No.D000876A. VF, with excellent margins and no problems. Rarer in small size than large, with only eight notes reported.  
(\$125-175)

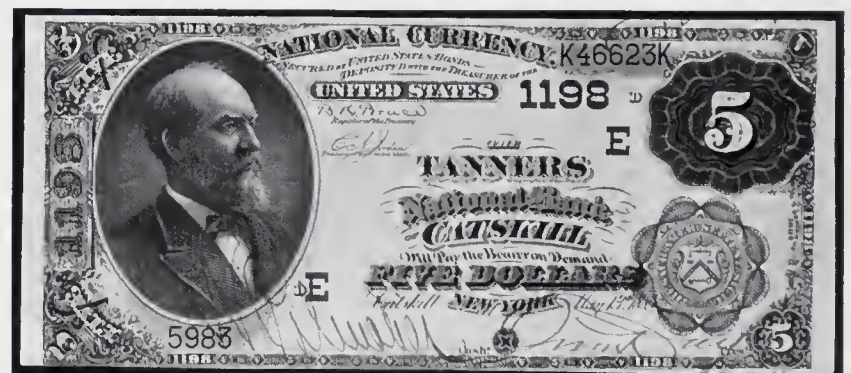

- 2526 Ch.35. Beacon. Fishkill NB. \$5. 1929 T1. Fr.1800-1. No.E000393A. VG-F, but a bit soiled, with a few small pinholes. The second title for the bank, and very scarce, with just three large and four small notes in Kelly's census.  
(\$300-400)

- 2527 Ch.13234. Bellerose. First NB. \$10. 1929 T2. Fr.1801-2. No.A000003. **Choice Uncirculated**, but with mounting remnants along the side margins on the back. Kelly's census lists three sheets and eight single notes, but with the \$10 sheet now cut to satisfy the great demand for single notes, the distribution changes a bit.  
(\$600-800)

- 2528 Ch.1294. Catskill. Catskill NB & TC. \$10. 1929 T2. Fr.1801-2. No.A000389. **Choice EF**, but with a couple of small holes at the bottom. Small size only for the second title, with just eight reported.  
(\$125-175)

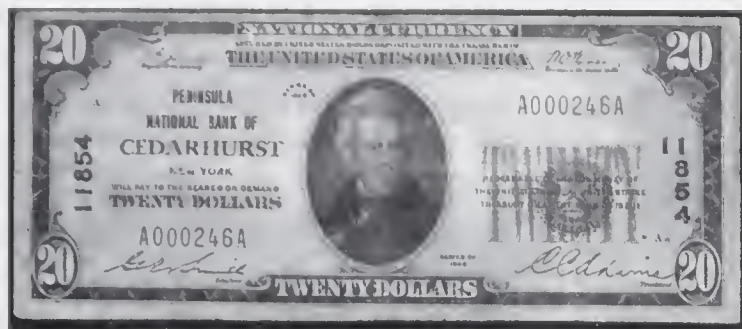

- 2529 Ch.E1198. Catskill. Tanners NB. \$5. 1882 Brown Back. Fr.468. No.K46623K/5983. D. VF-EF, tight at the bottom, but with the look and feel of a much higher grade. Bright and clean, with nice bold pen signatures.  
(\$600-800)

### Number 1 Great Neck Station

- 2531 Ch.12659. Great Neck Station. First NB of Great Neck. \$5. 1929 T1. Fr.609. No.Y645262H, Bank Number 1. C. F-VF, with good margins and nice bold pen signatures. Only eight large and two small notes have been reported, including one other Number 1 note, from the same sheet as this note. An outstanding Long Island note that traces its pedigree back to early paper money pioneer Dr. Frank A. Limpert, whose collection was sold by Stack's in 1955, then to a Christie's sale in 1994. A note certain to excite even the most jaded Long Island specialist. (\$7,500-12,500)

- 2532 Ch.12017. Hamden. First NB. \$10. 1929 T1. Fr.1801-1. No.D000027A. Good or better in terms of wear, but with numerous pinholes and a fair amount of soiling. Kelly reports just three large and six small notes, none of which have been available in the last few years. (\$300-400)

- 2533 Ch.4880. Hempstead. First NB. \$5. 1929 T1. Fr.1800-1. No.D009297A. Fine, trimmed slightly in across the bottom, but undamaged. Rarer in small size than large, with just eight notes in the Kelly census. (\$400-500)

- 2534 Ch.6019. Larchmont. Larchmont NB & TC. \$5. 1902 Plain Back. Fr.608. No.12559/12559. D. VF. An attractive problem-free note with decent margins and good signatures. A popular upscale Westchester County location. (\$250-350)

- 2535 Ch.8923. Lynbrook. Lynbrook NB & TC. \$5. 1929 T1. Fr.1800-1. No.D000023A. VG-F. The first title (large size only) is unknown, and the second title (small only) is represented by a number of uncut sheets but only twelve single notes. From Long Island's popular south shore, just past the Nassau County line. (\$200-300)

- 2536 Ch.12503. Merrick. First NB. \$5. 1929 T1. Fr.1800-1. No.F003071A. F-VF. A scarcer Long Island bank, just a few towns farther down the Sunrise Highway from Lynbrook. It's represented today by one large note and seven small notes in Kelly's census. This is a nice solid example with good margins. We've traced only eight public offerings, from the 1945 Grinnell sale up through 1998. (\$400-500)

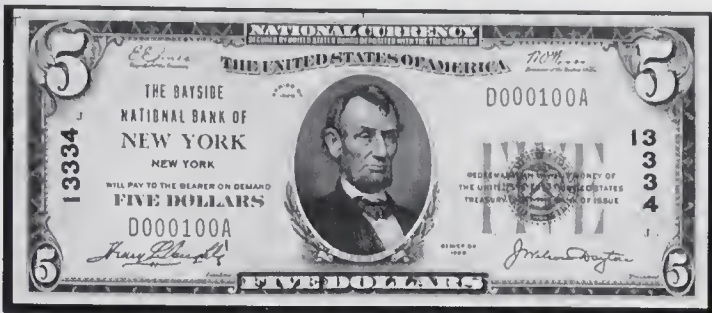

### Number 1 Mineola

Just \$1,610 in large notes remain outstanding. (\$200-300)

## Very Rare Racine Ohio Note

**2606 Ch.835. Tunkhannock. Wyoming NB. \$20.** 1929 T1. Fr.1802-1. No.A000553A. F-VF. Very tight across the top, with no defects. (\$75-100)

**2607 Ch.E520. Warren. First NB. \$10.** 1882 Brown Back. Fr.480. No.D478524D/6926. B. VF, with a few tiny pinholes. A particularly attractive note, with bold dark signatures, great face margins (the back is low), and a fresh clean appearance. (\$400-700)

**2608 Ch.E4445. Waynesboro. Peoples NB. \$10.** 1882 Brown Back. Fr.484. No.U988277U/3136. C. Fine. ## Rhode Island

- 2609 Ch.948. Providence. Phenix NB. \$1. Orig. Series. Fr.380. No.859849/6069. C. Fair. Well used, with rough, somewhat split edges typical of the grade. (\$125-175)

## South Dakota

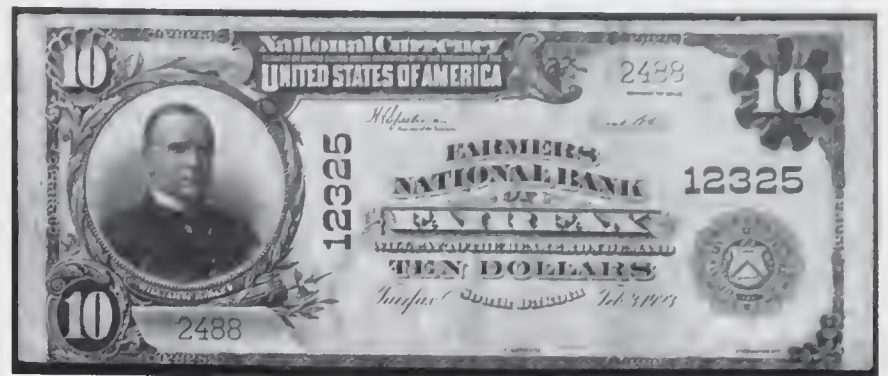

- 2610 Ch.13483. Chamberlain. First NB & TC. \$20. 1929 T1. Fr.1802-1. No.B000011A. Fine. Decent margins, with no defects. An interesting bank - though Kelly reports 20 notes known, and we have records of two sheets, not one has appeared publicly in over twenty years, and the June 1979 Kurt Krueger sale is the only auction ever to offer a note from this bank (indeed, this note was lot 1019 in that sale). Prior to that the only public appearances were two of John Hickman's fixed price lists. It is indeed unusual for this many notes to be so closely held for so long - how many more years it will be before the next one breaks free? (\$200-300)

## Very Rare Clear Lake Bank

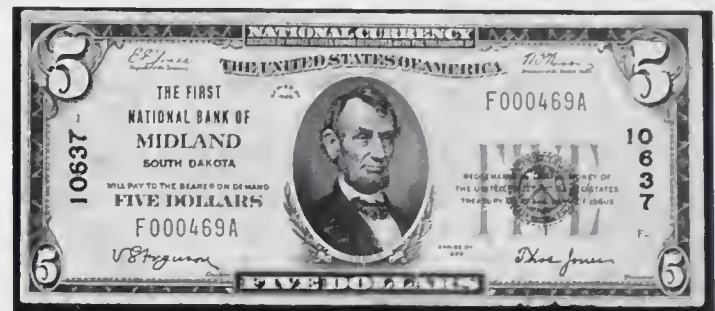

- 2611 Ch.W6357. Clear Lake. First NB. \$10. 1902 Plain Back. Fr.624. No.X828717B/2216. F. VG. Evenly worn, with a few small pinholes. The cashier's signature is faint, the president's strong. The rarer of two issuing banks in this small town on the eastern edge of the state. The bank was placed in receivership in 1925, and only three notes are known today. Only one of the three has previously appeared at auction - a \$10 Red Seal in our Chicago sale last year. That note had retraced signatures - this one is lower in grade but is original. (\$750-1,000)

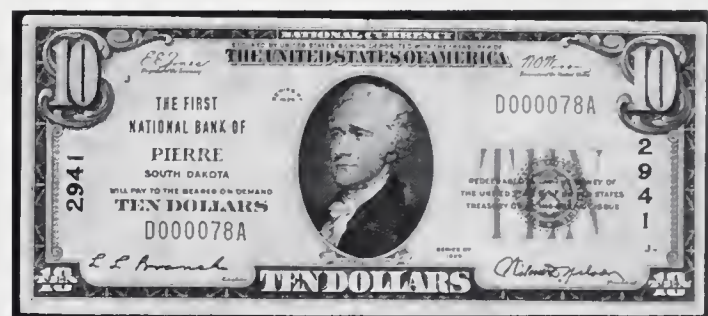

- 2612 Ch.W7252. Egan. First NB. \$20. 1902 Plain Back. Fr.650. No.Y98026B/1845. B. Fine, but rather dirty for the grade, the signatures long gone. Eight large and six small notes in the census. (\$250-350)

- 2613 Ch.12325. Fairfax. Farmers NB. \$10. 1902 Plain Back. Fr.635. No.2488/2488. A. Fine. Trimmed slightly in across the bottom, with light central soiling and faint signatures. A rare bank that issued only \$10 and \$20 before being liquidated in 1925. Kelly reports just six notes now known. (\$450-600)

- 2614 Ch.10637. Midland. First NB. \$5. 1929 T1. Fr.1800-1. No.F000469A. Fine, with a pinhole and a bit of soft weakness at the extreme bottom edge. An attractive note nonetheless. The only bank in this small town nestled in the Black Hills southwest of Pierre. Very rare, with no large notes reported, and just five small notes. (\$500-750)

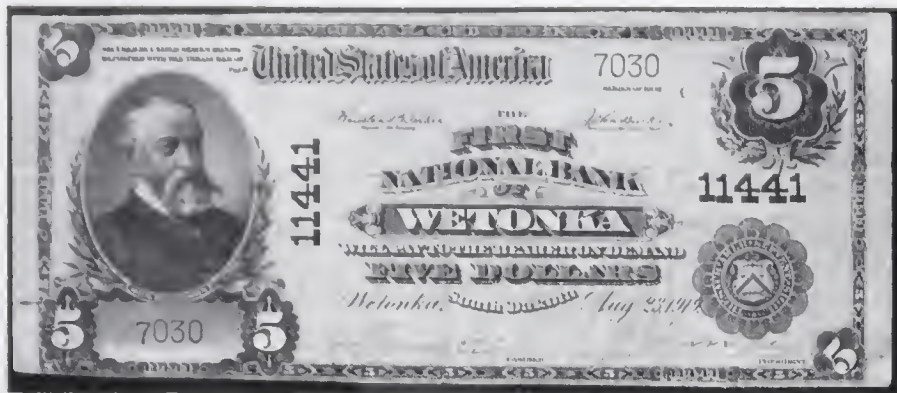

- 2615 Ch.2941. Pierre. First NB. \$10. 1929 T1. Fr.1801-1. No.D000078A. VF+. A clean, pleasing state capitol note with good margins. (\$200-300)

**2616 Ch.11441. Wetonka. First NB. \$5.** 1902 Plain Back. **Fr.606.** No.7030/7030. C. **Fine+**. Trimmed slightly in at the bottom left, with a bit of wallet dirt on the back, but the purple signatures are strong. The only bank in this small town northwest of Aberdeen near the North Dakota border. The entire issuance consisted of some Plain Back \$5 notes before being liquidated in 1927. **Only eight notes are known today. (\$450-600)**

**2617 Ch.11399. Wilmot. First NB. \$10.** 1929 T1. **Fr.1801-1.** No.A000026A. **VG-F.** Problem-free aside from a couple of small light unobtrusive spots on the face. The only bank in this tiny hamlet in the eastern part of the state that even today seems barely large enough to support a bank. Kelly reports **just six notes known** from this small-size only bank. **(\$250-350)**

### Tennessee

**2618 Ch.2796. Bristol. First NB. \$10.** 1929 T1. **Fr.1801-1.** No.A005692A. **AU.** Actually Uncirculated (from a small hoard of consecutive notes), but has been handled a bit too much. Bright, clean and crisp, with good margins. **(\$150-200)**

**2619 Ch.13349. Memphis. Union Planters NB & TC. \$100.** 1929 T1. **Fr.1804-1.** No.B000434A. **EF.** Centered low, with a couple of tiny pinholes, but with good original embossing. **(\$150-250)**

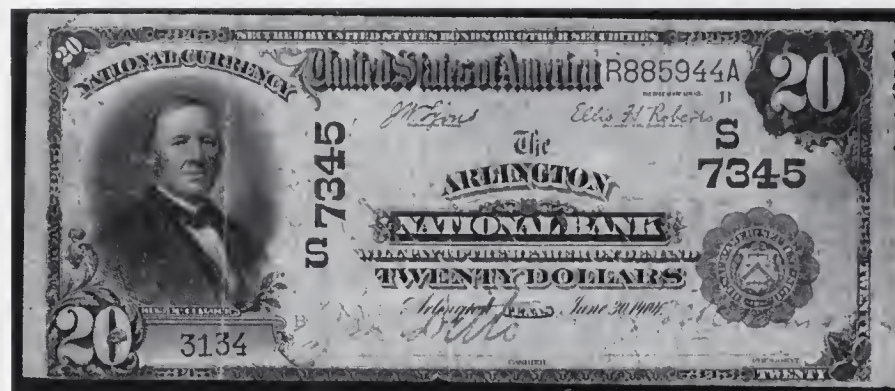

### Texas

**2620 Ch.6476. Abilene. Citizens NB. \$20.** 1929 T1. **Fr.1802-1.** No.E000290A. **Fine,** but a bit toned, with some spots on the back, and small edge repairs. **(\$250-350)**

### Second Note Reported from the Arlington National Bank

**2621 Ch.S7345. Arlington. Arlington NB. \$20.** 1902 Date Back. **Fr.642.** No.R885944A/3134. B. **VG.** Tight at the bottom, with a couple of pinholes and trivial tiny edge problems, but the signatures are discernible. Very similar to the Irish piece, which accounts for the only two prior public offerings from this bank. That note resold in 1998 for \$3,850, when it was still thought to be the unique note in Kelly's census. **(\$3,000-4,000)**

**2622 Ch.12792. Brownsville. First NB. \$10.** 1902 Plain Back. **Fr.635.** No.8367/8367. A. **Fine,** but washed to minimize some soiling at the right, the signatures now gone. Good margins, with no damage. **(\$300-400)**

**2623 Ch.S4577. Brownsville. First NB. \$20.** 1902 Plain Back. **Fr.653.** No.E329204D/7695. A. **F-VF** in terms of wear, but quite soiled, with aging and/or slight burning about the edges, with a few small resulting nicks and splits. Trimmed slightly in at the top. A scarce large-only bank, with just **seven notes known.** **(\$200-300)**

**2624 Ch.7002. Brownsville. Merchants NB. \$20.** 1902 Plain Back. **Fr.650.** No.Z308887H/29985. B. **Fine,** but lightly washed, the signatures nearly gone, and trimmed in slightly across the bottom. **(\$150-225)**

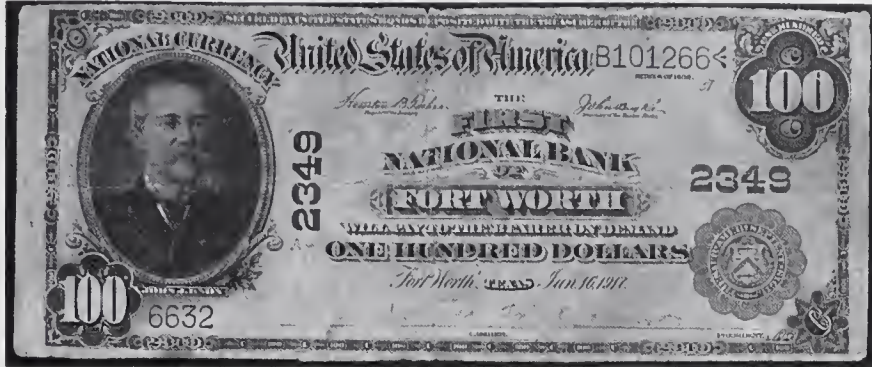

**2625 Ch.12236. Brownsville. State NB. \$10.** 1902 Plain Back. **Fr.635.** No.8231/8231. A. **VF.** A bit irregular at the top, with a brown spot in the portrait, but the purple signatures are strong. Reasonably available in small size, but Kelly's census shows just five large notes known. **(\$350-500)**

**2626 Ch.S12236. Brownsville. State NB. \$10.** 1902 Plain Back. **Fr.635.** No.E262160H/2838. B. **F-VF.** Close at the top, but the signatures are strong. **(\$250-350)**

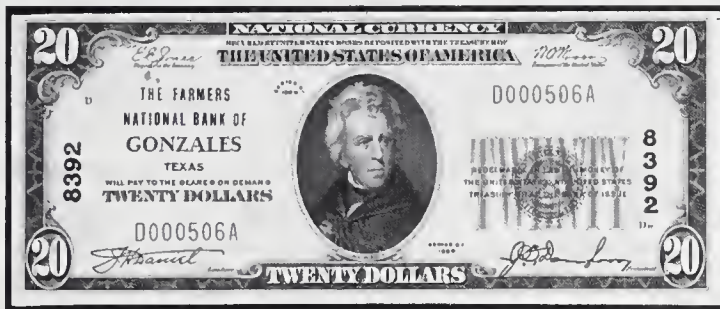

**2627 Ch.12236. Brownsville. State NB. \$20.** 1902 Plain Back. **Fr.661.** No.12730/12730. A. **Fine+**, with a few small spots, and traces of a rusty paper clip on the back. The signatures are faint. **(\$350-500)**

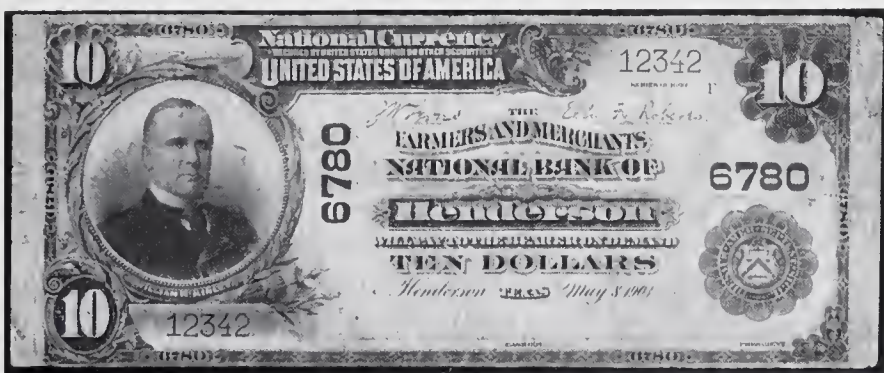

- 2628 Ch.S4423. Corpus Christi. Corpus Christi NB. \$10.** 1902 Date Back. **Fr.619.** No.Y402071A/5485. B. **About Fine**, but lightly washed, with a couple of pinhole and a tight bottom margin, and a tiny bit (2mm) of one corner off. A large size only bank, with only six notes known. **(\$300-400)**

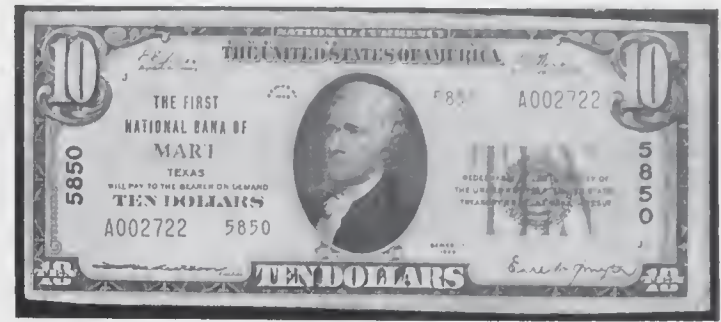

- 2629 Ch.2349. Fort Worth. First NB. \$100.** 1902 Plain Back. **Fr.704.** No.B101266/6632. A. **VG-F**, with a short split at the top and a couple of faint brown spots. The purple signatures are light but legible. Large size only for this bank, and the \$50 and \$100 denominations were issued only in the 1902 Plain Back variety. We've traced almost two dozen notes on this bank, and grades, surprisingly, range from damaged VG to a high of only VF. **(\$400-500)**

- 2630 Ch.8392. Gonzales. Farmers NB. \$20.** 1929 T1. **Fr.1802-1.** No.D000506A. **AU.** Not perfectly centered, but quite nice. **(\$250-350)**

- 2631 Ch.6780. Henderson. Farmers & Merchants NB. \$10.** 1902 Plain Back. **Fr.624.** No.12342/12342. F. **VG**, with some soiling and tiny edge nicks. Tight across the bottom, with no signatures. The rarest of Henderson's three banks, with just four large and two small notes known. **(\$400-600)**
- 2632 Ch.2486. Laredo. First NB. \$20.** 1929 T1. **Fr.1802-1.** No.F000707A. **Fine**, with a blue "NI" penned between the right serial number and charter number. Far outnumbered by first title in large size (by more than 3 to 1), but the only title available for small size. **(\$150-200)**

- 2633 Ch.5850. Mart. First NB. \$10.** 1929 T2. **Fr.1801-2.** No.A002722. **Fine.** Evenly worn, with decent, if slightly irregular margins. Very scarce. **(\$325-400)**
- 2634 Ch.11879. Mercedes. First NB. \$5.** 1929 T1. **Fr.1800-1.** No.F002311A. **F-VF**, with decent margins and no damage. **(\$200-250)**
- 2635 Ch.3694. Palestine. First NB. \$5.** 1929 T1. **Fr.1800-1.** No.A008765A. **VG** or a bit better, with good margins, but somewhat dirtier than usual. **(\$225-300)**
- 2636 Ch.1657. San Antonio. San Antonio NB. \$5.** 1929 T2. **Fr.1800-2.** No.A009117. **Fine**, close at the bottom. **(\$200-300)**
- 2637 Ch.S10220. Waco. Central Texas Exchange NB. \$20.** 1902 Plain Back. **Fr.654.** No.Z477499B/17436. A. **Fine**, but with a vertical area of light discoloration left of center and faint signatures. Trimmed in across the bottom. A large-only bank, and the scarcer of the two titles used, with **only five notes reported.** **(\$250-350)**

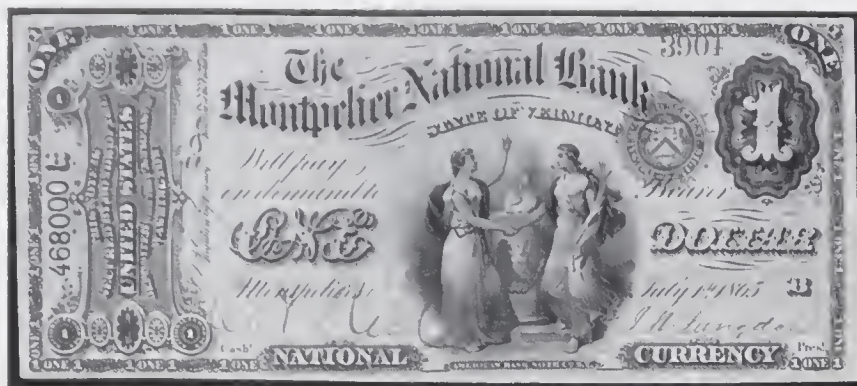

## Utah

- 2638 Ch.7696. Coalville. First NB. \$5.** 1929 T2. **Fr.1800-2.** No.A000305. **Fine+**, with a bit of wallet dirt on the left quadrant of the back. Very scarce, with three large and eleven small notes in the census. **(\$450-600)**
- 2639 Ch.2597. Ogden. First NB. \$20.** 1929 T1. **Fr.1802-1.** No.D003573A. **VG** or a bit better. Well used, and tight at the bottom left, but with no pinholes, splits, etc. **(\$75-100)**
- 2640 Ch.9652. Salt Lake City. National Copper Bank. \$10.** 1929 T1. **Fr.1801-1.** No.F002006A. **EF**, with some edge repair work at the upper left. **(\$100-150)**
- 2641 Ch.4341. Salt Lake City. Utah State NB. \$5.** 1929 T1. **Fr.1800-1.** No.B001283A. **EF-AU.** Bright, clean and crisp, with good margins. **(\$175-225)**

B. **Choice EF.** A truly exceptional note, with good margins all around, bold signatures, bright paper, etc. In fact, it would be next to impossible to find anything not to like about this attractive note! **(\$750-1250)**

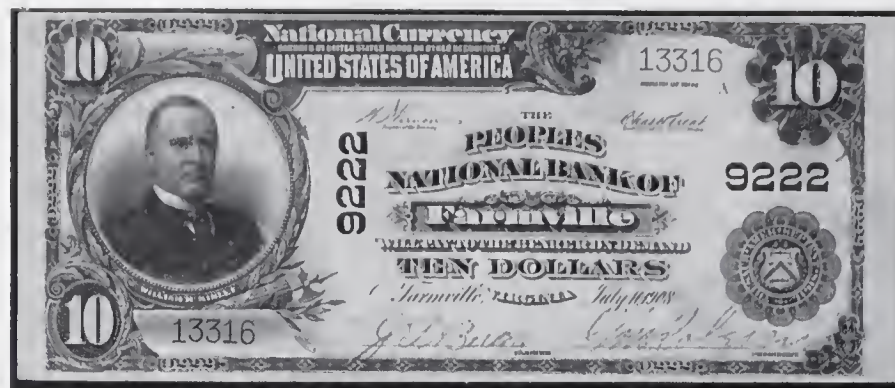

## Virginia

- 2643 **Ch.5150. Abingdon. First NB. \$5.** 1902 Plain Back. **Fr.606.** No.92173/92173. F. **VF.** Tight at the top left, and the signatures are virtually gone. **(\$175-225)**

## Rare Appomattox Note

- 2644 **Ch.11205. Appomattox. Farmers NB. \$10.** 1929 T1. **Fr.1801-1.** No.C001722A. **Fine,** tight at the bottom, with some light discoloration here and there. A great location for the Civil War enthusiast, and rarely available - our fifty+ years of records show only two auction appearances and two old fixed price offerings. In the only recent auction appearance for the bank, one of the two known large notes sold for triple the Kelly value. Eight small notes have been recorded, but none have been offered recently. With no other issuing banks in this historic city, expect some serious competition for this note. **(\$450-750)**

- 2645 **Ch.9222. Farmville. Peoples NB. \$10.** 1902 Plain Back. **Fr.626.** No.13316/13316. A. **VF-EF.** Clean, with mostly decent margins and nice purple stamped signatures. **Only four large notes have been reported** of the \$2,460 outstanding, and the only other large note auctioned recently was a damaged VG. **(\$500-750)**

- 2646 **Ch.6031. Luray. First NB. \$20.** 1929 T1. **Fr.1802-1.** No.E000164A. **VG,** but somewhat aged and a bit dirty, with short repaired edge splits. Very scarce, with just five large and five small notes reported, and a few scattered public appearances. **(\$150-250)**

- 2647 **Ch.11387. Pulaski. Peoples NB. \$5.** 1902 Plain Back. **Fr.606.** No.A353925K/9264. C. **Fine.** A bit dirty, but evenly worn, with good stamped signatures and no damage. **Only a half dozen large notes have been reported.** **(\$200-300)**

- 2648 **Ch.8984. Rocky Mount. Peoples NB. \$10.** 1929 T1. **Fr.1801-1.** No.B002946A. **Fine,** with some circulation dirt on both sides. **(\$80-120)**

## Washington

- 2649 **Ch.3355. Yakima. Yakima First NB. \$20.** 1929 T1. **Fr.1802-1.** No.F000411A. **Choice Uncirculated.** A nice original note with good embossing, fully gem except for the centering. **(\$100-150)**

## West Virginia

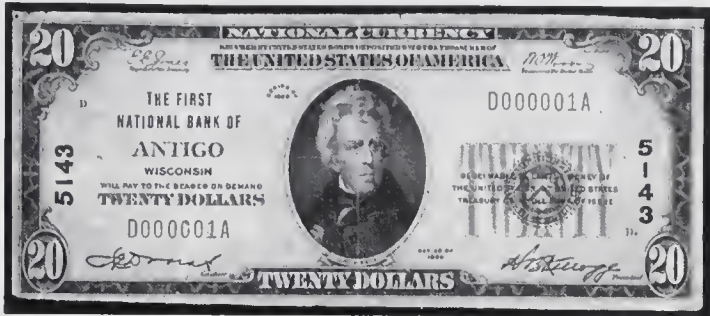

- 2650 **Ch.7029. Clarksburg. Empire NB. 1929 T2.** **Fr.1802-2.** No.A001750. **About Fine.** A decent example, with good margins and no defects. **(\$125-175)**

## Wisconsin

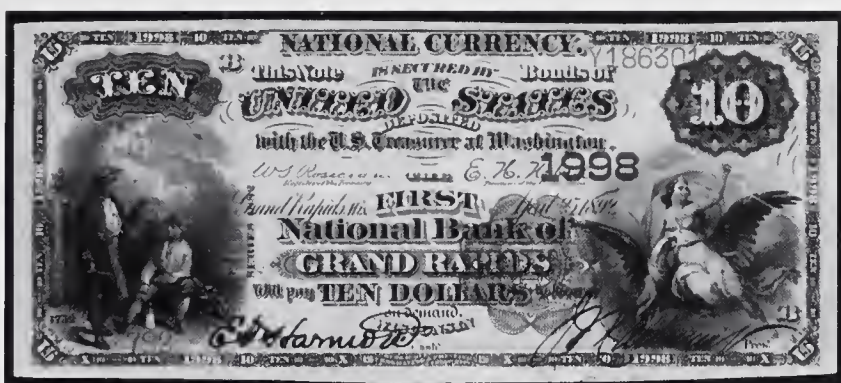

## Number 1 Antigo

- 2651 Ch.5143. Antigo. First NB. \$20. 1929 T1. Fr.1802-1. No.D000001A. Fine, but lightly washed, with a few small edge and internal repairs. Looks better than it sounds. Given the condition of this note and the fact that only ten small notes are reported, it is likely that the other number 1 notes weren't saved. (\$350-450)

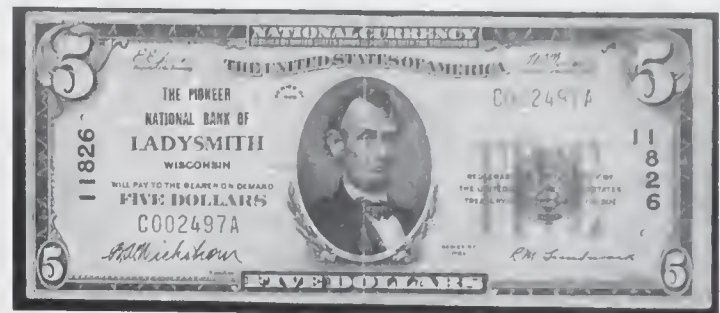

- 2652 Ch.2565. Appleton. Commercial NB. \$10. 1875. Fr.420. No.K774789/3950. B. VG, with some scattered pinholes. Decent margins, with nice bold signatures and good color, particularly for the grade. A very rare type for Wisconsin, with only a handful of First Charter notes over \$5 reported for the entire state. (\$1,250-1,750)

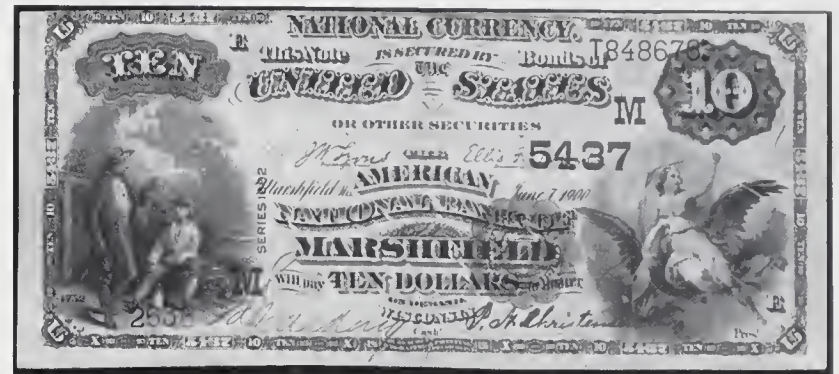

- 2653 Ch.1998. Grand Rapids. First NB. \$10. 1882 Brown Back. Fr.485. No.Y186301/782. B. Choice EF. A particularly attractive note, with bright paper in bold ink, broad margins, and dark sharp signatures. A few pinholes can be found at the left, but they in no way detract from the appearance of this lovely note. (\$1000-1,500)

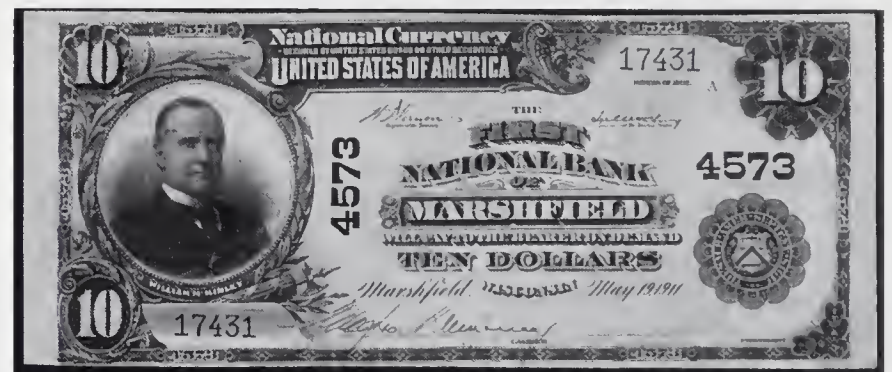

- 2654 Ch.212. Kenosha. First NB. \$10. 1929 T1. Fr.1801-1. No.B000974A. Fine, with a few small pinholes; Ch.5695. Medford. First NB. \$10. 1929 T1. Fr.1801-1. No.F000299A. G-VG, but torn almost in two, with other edge problems. [2] (\$75-100)

- 2655 Ch.11826. Ladysmith. Pioneer NB. \$5. 1929 T1. Fr.1800-1. No.C002497A. Fine, with no pinholes, splits, etc. A great town name, and very scarce, with just three large and eight small notes known. (\$450-550)

- 2656 Ch.M5437. Marshfield. American NB. \$10. 1882 Value Back. Fr.577. No.T848676/2638. E. VF, with a small faint yellow spot at the top. Trimmed slightly in at the top, but the other margins are quite broad, and the black and purple signatures are strong. (\$500-750)

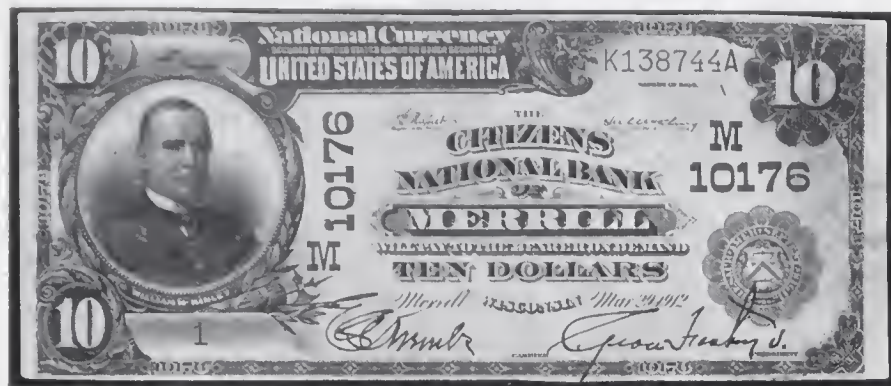

- 2657 Ch.4573. Marshfield. First NB. \$10. 1902 Plain Back. Fr.627. No.17431/17431. A. VF-EF. The cashier's signature is strong, the president's signature just a ghost. Bright and clean. Just eight large notes in the census, and a lower grade \$20 sold for over \$500 two years ago. (\$500-650)

## Number 1 Merrill, Wisconsin

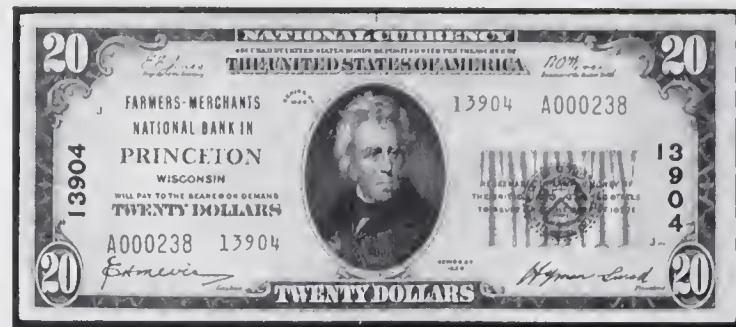

2658 Ch.M10176. Merrill. Citizens NB. \$10. 1902 Date Back. Fr.620. No.K138744A, Bank Number 1. A. EF+, but peppered with small pinholes at the left, and some counting smudges at the right. Crisp and attractive, with bold dark signatures. (\$1,000-1,500)

2659 Ch.M64. Milwaukee. First NB. \$10. 1902 Plain Back. Fr.624. No.A265761D/58814. A. VF, with a couple of pinholes, but good margins and bold dark stamped signatures; Ch.64. Milwaukee. First Wisconsin NB. \$20. 1929 T1. Fr.1802-1. No.F025039A. VF-EF. A solid note with excellent margins. [2] (\$100-150)

2660 Ch.11412. New Richmond. First NB. \$5. 1929 T1. Fr.1800-1. No.D001449A. Fine, but with one broadly rounded corner, and some dirt on both sides. The only bank in New Richmond, with six large and seven small notes in the census. (\$250-350)

2661 Ch.M9419. Port Washington. First NB. \$10. 1902 Date Back. Fr.618. No.M798468/813. A. Fine, with light but legible signatures. The only bank in Port Washington, with just five large notes known. (\$500-750)

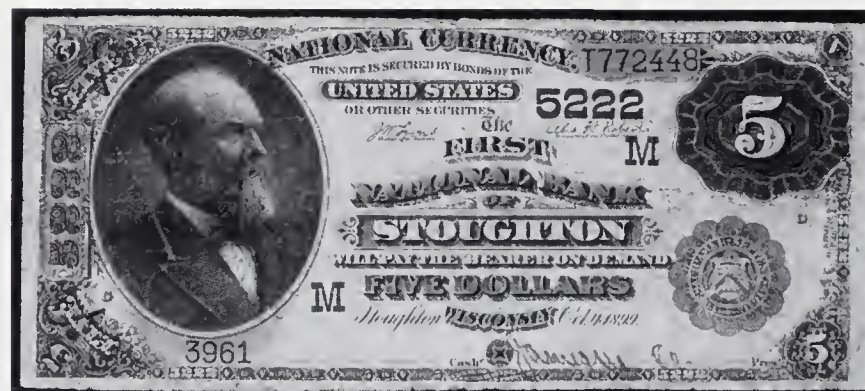

2662 Ch.13904. Princeton. Farmers-Merchants NB. \$20. 1929 T2. Fr.1802-2. No.A000238. EF. Bright, clean and crisp, with excellent margins. A rare bank that issued only Type 2 \$5, \$10 and \$20 notes. Kelly reports just five known, and there have been very few offered publicly in the past fifty years. (\$500-750)

2663 Ch.4305. Ripon. American NB. \$5. 1902 Plain Back. Fr.606. No.12625/12625. C. VF-EF. But looks a full grade better. Bright and crisp, though the signatures are gone. The far scarcer second title for this bank, with just six large notes known. (\$350-450)

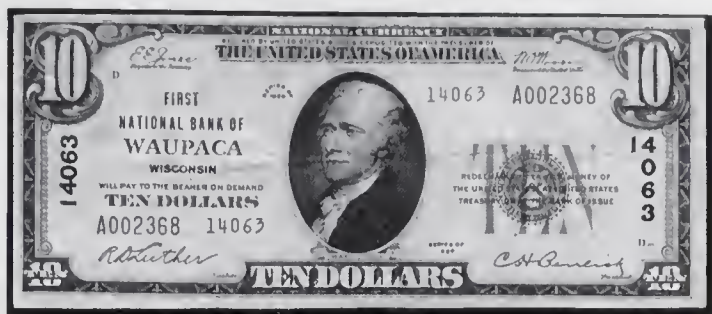

2664 Ch.425. Ripon. First NB. \$10. 1929 T1. Fr.1801-1. No.A003737A. Choice Uncirculated, with great original embossing, but it did pick up a short faint corner bend at some point, barely noticeable. (\$100-150)

2665 Ch.M5222. Stoughton. First NB. \$5. 1882 Value Back. Fr.574. No.T772448/3961. G. VG-F. Well worn, but evenly, with a short internal split in the seal. The president's signature is plain enough, but the cashier's signature is gone. (\$350-500)

A late charter bank that issued only Type 2 \$5, \$10 and \$20 notes, with just a half dozen known. Our records show only two auctions appearances and a few fixed price offerings. (\$500-700)**

- 2667 Ch.6908. West Allis. First NB. \$10. 1902 Plain Back. Fr.624. No.B451392K/10910. F. VF or better, with perfect margins and bright purple stamped signatures. (\$200-300)**

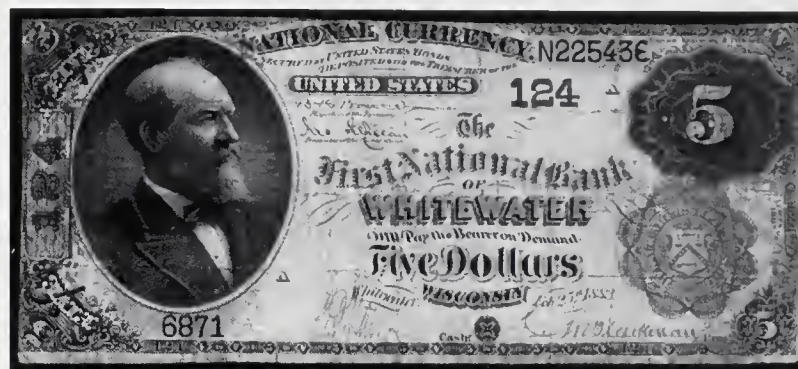

- 2668 Ch.M11060. West Bend. First NB. \$5. 1902 Plain Back. Fr.606. No.A539935E/3739. B. Fine, slightly tight at the bottom. A bit dirty on the back, but not the face, which has bold black signatures and a nice appearance. (\$350-500)**

## First Public Appearance

- 2669 Ch.2925. Whitewater. Citizens NB. \$5. 1882 Brown Back. Fr.467. No.N173679/3804. C. Fine. A trifle toned, but with excellent margins and bold dark pen signatures. A very rare bank liquidated in 1894 after only eleven years of operation. Kelly's census shows just two notes known of the minuscule \$570 outstanding as of 1910. Neither of them has ever been offered publicly. (\$2,000-3,000)**

- 2670 Ch.124. Whitewater. First NB. \$5. 1882 Brown Back. Fr.466. No.N22543/6871. A. VG-F, with some pinholes. Trimmed into the design on three sides, but the signatures are still good. (\$350-500)**

## U. S. Small Size Currency

### Legal Tender Notes

- 2671 \$1. LT. 1928. Low Number A00000588A. **Choice Uncirculated.** There are tiny blue ink marks, which just barely touch the right margin. (\$200-300)

*Although dated 1928 and printed in 1933, these notes were not released until 1948, when they were used in Puerto Rico.*

- 2672 \$1. LT. 1928. Low Number A00001571A. **Choice Uncirculated.** Well centered, pure and fresh. A delightful example of this classic Legal Tender issue, showing a mere touch of teller handling at the upper right. (\$175-225)

- 2673 \$1. LT. 1928. No.A00631244A. **Choice Uncirculated.** A solid gem, except the lower face margin is a bit narrow. (\$125-175)

- 2675 \$1. LT. 1928. No.A01772474A. **Choice Uncirculated.** This example has a touch of handling evident at the top margin. (\$125-175)

- 2676 \$1. LT. 1928. No.A01772737A. **Choice Uncirculated.** Absolutely flawless, except the margins are not uniform. (\$125-175)

- 2677 \$1. LT. 1928. No.A01840574A. **Choice Uncirculated.** Lower margin is a bit narrow. (\$125-175)

- 2678 \$1. LT. 1928. No.A01859839A. **Choice Uncirculated.** As last. (\$125-175)

- 2695 \$1. SC. 1935C. Solid Number Z44444444D. Fine.** Attractive for the grade, bordering on a higher classification. Solid numbered eight digit notes are extremely rare and desirable. **(\$300-500)**

### Federal Reserve Notes

- 2698 \$1. FRN. 1969B. Fancy Numbers G66666661-70B. Gem Uncirculated.** Immaculate, well centered notes. In consecutive order lacking only the solid 6 example. [9] **(\$400-600)**

- 2699 \$1. FRN. 1977A. Low Number H00000004D. Choice Uncirculated.** Nicely centered. A gem, except for a minute lower left corner tip bump. **(\$100-150)**

- 2703 \$5. FRN. 1928. Dallas. Five consecutive notes,** Nos.K01709383A-387A. **Choice Uncirculated.** A nice group of original notes, tight at the bottom and left, but otherwise gem. [5] **(\$200-300)**

- 2704 \$5. FRN. Quartet of Attractive Early Issues. Chicago and Dallas notes for both the 1928 and 1928A series. Choice Uncirculated.** All are borderline gems. [4] **(\$200-300)**

- 2705 \$5. FRN. 1928. Nos.G00941522-525A. Uncirculated.** Each note in this quartet appears to be gem, but close examination reveals a uniform light horizontal "bend" in the paper. The bends do not break the fibre, justifying this conservative classification. [4] **(\$200-250)**

- 2706 \$5. FRN. 1928A. Nos.D13179278A and H07495416A. Choice Uncirculated.** Both are fully choice, or better. [2] **(\$100-150)**

**2708 \$5. FRN. 1963A. Low Number C00000006B. Choice Uncirculated.** A borderline gem. The face is perfectly centered, while the back impression is a bit low. **(\$125-175)**

**2709 \$10. FRN. 1928. Low Number D00000202A. Choice Uncirculated.** Nearly gem, showing just a touch of teller handling at the upper right. **(\$400-500)**

**2710 \$10. FRN. 1928. Nos. D09806027A and D10155838A. Uncirculated.** One is cut close at the right margin, while the other has a bit of discoloration at the top right corner. [2] **(\$150-250)**

**2711 \$10. FRN. 1928. Consecutive Nos. G00573139A to 141A. Choice Uncirculated.** Each is a near gem, with slightly narrower top margins. [3] **(\$300-400)**

**2712 \$10. FRN. 1928. No. H04089117A. Choice Uncirculated.** The St. Louis Federal Reserve branch had the third lowest emission of the series. **(\$100-150)**

**2713 \$10. FRN. 1928. No. H04089317A. Uncirculated.** The top margin shows a mere touch of handling, otherwise choice. **(\$75-125)**

**2714 \$10. FRN. 1928B. Light Green Seal. No. J09297811A. Choice Uncirculated.** Crackling fresh. **(\$60-90)**

**2715 \$10. FRN. 1934A. C-A block (5), C-B block (1). Choice to Gem Uncirculated.** Superb original notes. [6] **(\$150-250)**

**2717 \$10. FRN. 1934B. Nos. A40019774-778B. Choice Uncirculated.** Virtually perfect, although the left face margin on each is a trifle narrow. [5] **(\$200-300)**

## Number 2 1969 \$10

## Exceedingly Low Number Star Note

**2719 \$10. FRN. 1963. Low STAR Number J00000004\*. Choice Uncirculated.** Coveted and carefully preserved since its time of issue, it is a magnificent example. **(\$600-900)**

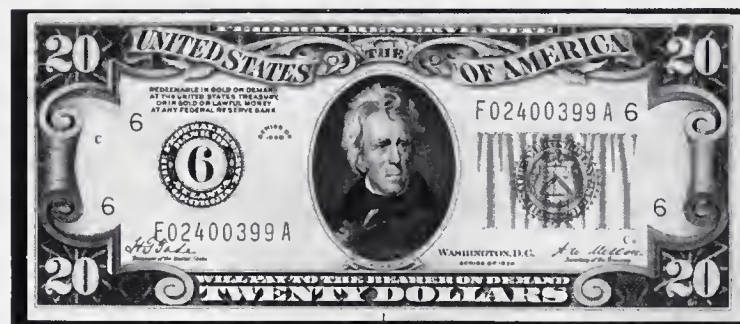

## Wonderful Companion Regular and Star Pair of Low Numbers

**2720 \$10. FRN. 1963. STAR Nos. J000000019A and J000000019\*. Gem Uncirculated.** A superb matching pair. [2] **(\$300-400)**

**2721 \$20. FRN. 1928. Two consecutive Cleveland notes, both Choice Uncirculated, borderline Gem. [2] (\$200-300)**

*The popularity of early small size type notes is at an all time high, with higher denomination issues being especially scarce and desirable. Collectors view this segment of paper money collecting as an excellent value for the money.*

**2722 \$20. FRN. 1928. Another consecutive pair of Cleveland notes. Choice Uncirculated and Uncirculated, respectively.** The higher numbered example has a trace of handling. [2] **(\$150-250)**

**2723 \$20. FRN. 1928. No. F02400399A. Choice CU. (\$125-175)**

**2724 \$20. FRN. 1928. Nos. G03125804A and G07437697A. Uncirculated and Gem Uncirculated, respectively.** The first note shows a touch of handling at the right side, while the latter is virtual perfection. [2] **(\$200-300)**

**2725 \$20. FRN. 1928. No. G06257575A. Gem CU. Deeply embossed, with centering only slight off to the right. (\$150-200)**

**2726 \$20. FRN. 1928. No. I02548686A. Gem Uncirculated.** The top face margin is a bit narrower than the others, though virtual perfection in every other way merits gem classification. **(\$150-200)**

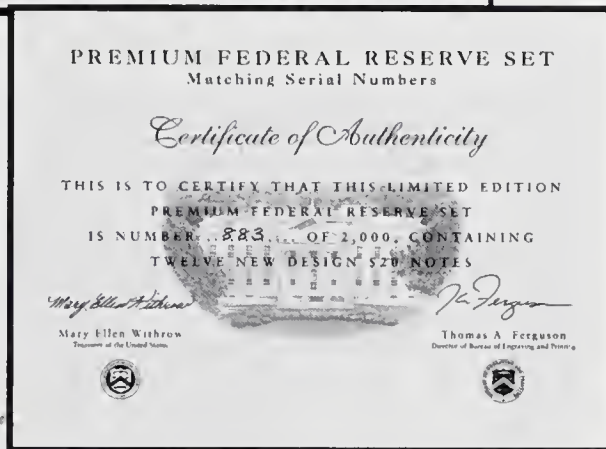

*A mere 2,633,100 Minneapolis 1928 \$20 notes were issued.*

2727 \$20. FRN. 1934A. Interesting grouping of notes in close serial number sequence. Nos.F43570234A, 237A, 240A and 247A. **Choice to Gem Uncirculated.** [4]  
(**\$150-250**)

2728 \$20. FRN. 1934B. No.I18108403A. **Choice Uncirculated.** A lovely example from one of the scarcest districts in the series.  
(**\$50-100**)

### Superb 1996 Low Number \$20 Treasury Set

2729 \$20. FRN. 1996. Treasury Issued 12-District Low Number Set, in Treasury binder with slipcase. Set number 883 of 2,000 sets sold to the public. All twelve are **Gem Uncirculated.** [12]  
(**\$1,250-1,750**)

*These sets were first offered to the public last year, and quickly sold out. The twelve notes from the twelve districts all have matching low numbers, in this case 00001283. All are contained in an embossed dark green binder, with a write-up on each of the twelve Federal Reserve districts, plus a matching slip case for the binder. Since the quality and presentation of this set is so high and the demand quickly exceeded the quantity available, this is one of the few recent Treasury products where the after-market greatly exceeds the issue price.*

2730 \$50. FRN. 1928. No.D01095053A. **Choice EF**, with three nearly undetectable vertical creases. (**\$100-150**)

2731 \$50. FRN. 1928A. **Dark Green Seal.** No.G02335982A. **Uncirculated.** Bright, fresh and well centered. There is a tiny bump at the upper right corner tip. (**\$100-150**)

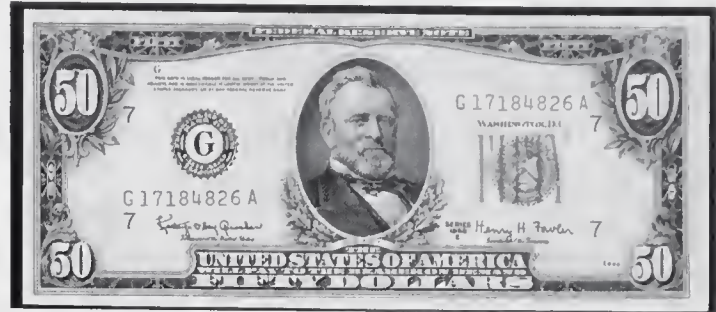

2732 \$50. FRN. 1928A. No.G03767656A. **Very Fine.** This note has a greenish-yellow seal. (**\$75-125**)

2733 \$50. FRN. 1950A. **STAR** No.C00170038\*. **Choice Extremely Fine.** Nicely centered and attractive.  
(**\$150-250**)

2734 \$50. FRN. 1950D. Two consecutive New York notes. **Gem Uncirculated.** Wonderful examples. [2]  
(**\$300-400**)

2735 \$50. FRN. 1950D. B-A blocks. **Gem Uncirculated;** C-A block. **Uncirculated,** with light handling. [3]  
(**\$400-600**)

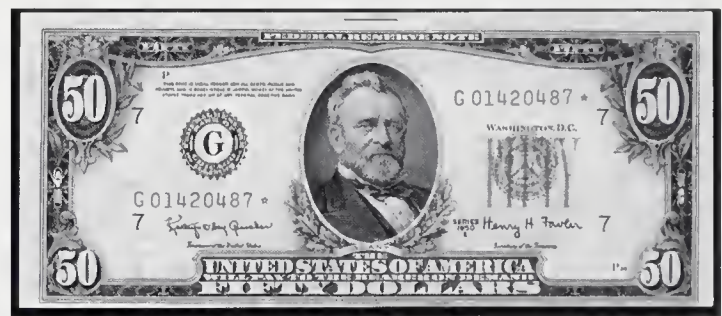

### Rare 1950E \$50 Chicago Notes

2736 \$50. FRN. 1950E. **Chicago.** No.G17184826A. **Choice to Gem Uncirculated.** Only three districts issued 1950E \$50 notes, and in severely limited quantities. Rarely are any of the three districts available in any condition. The few and far between sales we've seen that could offer any 1950E \$50 invariably had the New York district. The Chicago district had the lowest printage of the three districts, and was **unknown in Uncirculated until this note surfaced.** We have traced very few Chicago \$50's for this series, and none can compare to this beautiful original note. Very close to gem, but centered just a bit to the left. (**\$600-800**)

### Extremely Rare

### 1950E \$50 Chicago STAR Notes

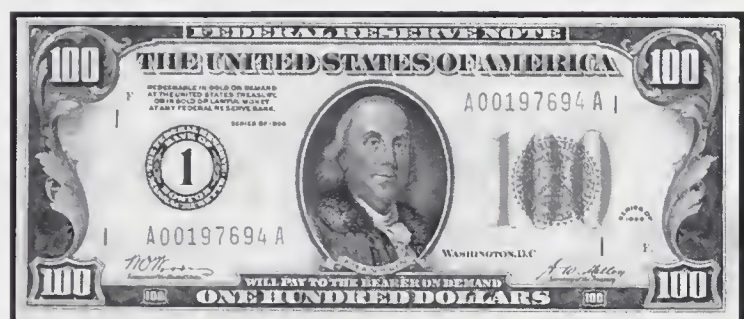

2737 \$50. FRN. 1950E\*. **STAR** No.G01420487\*. **Choice Uncirculated.** As noted above, only three districts printed \$50 notes for the 1950E series, and even non-stars are rarely offered. Oakes & Schwartz list stars only for New York and San Francisco, and they list only one San Francisco note. **The Chicago district has no star numbers listed in Oakes & Schwartz,** and we are unaware of any other in any grade ever appearing at auction. A New York star in only EF brought \$1,700 recently, almost four times the pre-sale estimate! This nice original note would be a full gem if the centering were a bit better, and should attract some serious interest from knowledgeable small size specialists. (**\$1,500-2,500**)

We accept  
**MAIL, PHONE or FAX bids**

- 2743 \$100. FRN. 1928. No.A00197694A. **Uncirculated.** A small lower right corner tip fold keeps this desirable note from a higher classification. (\$400-500)
- 2744 \$100. FRN. 1928. No.A00102409A. **Choice Extremely Fine.** An attractive example, showing evidence of merely light circulation. (\$175-225)

- 2753 \$100. FRN. 1950 Mule. No.G02694538A. **Gem Uncirculated.** Far scarcer than generally recognized, as are nearly all the ca. 1950 notes. This one is beautifully original, and better centered than the 6/99 CAA note that brought \$715. (\$700-900)
- 2754 \$100. FRN. 1981A. No.H02597632A. **Choice Uncirculated.** A borderline gem. (\$200-300)
- 2755 \$100. FRN. 1988. No.B33326362D. **Choice Uncirculated.** Another borderline gem. (\$125-175)

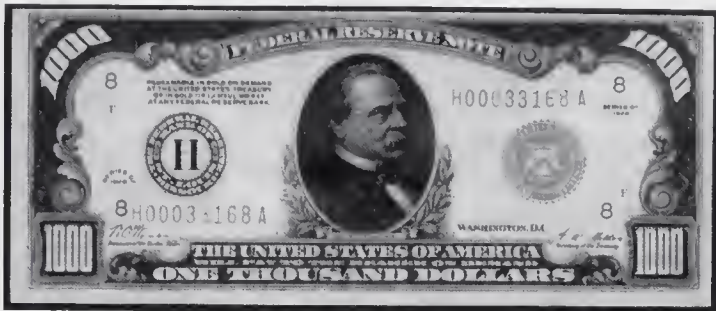

- 2756 \$500. FRN. 1928. No.H00027647A. **Choice About Uncirculated.** This note has no hard folds, merely a trace of a vertical center crease and light handling. It is bright and fresh, with perfect centering. A most impressive appearing example. (\$850-1,000)  
*The St. Louis Federal Reserve branch issued a scant 66,180 notes of the \$500 denomination, one of the lower emissions of the series.*

- 2757 \$500. FRN. 1934A. No.I00016035A. **Very Fine.** Stamped "Feb 1 1961" on the back, with an additional small ink imprint lines on the face, just left of center. (\$750-850)  
*Only 14,400 Minneapolis Federal Reserve branch notes were issued. All are mules, utilizing back plates from the previous series.*

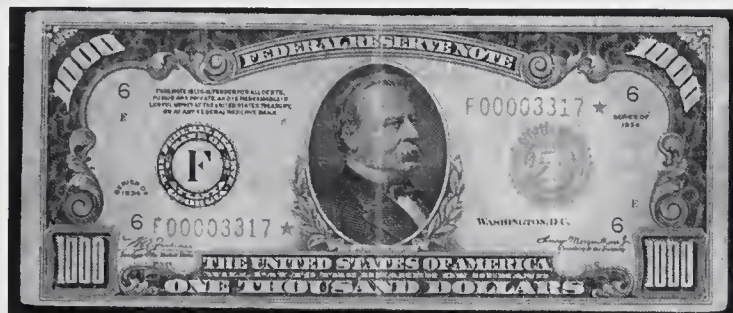

## Important 1928 Series St. Louis Branch \$1,000

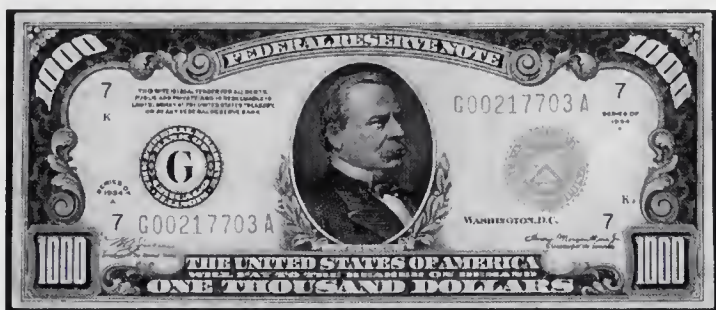

- 2758 \$1,000. FRN. 1928. No.H00033168A. Choice Uncirculated.** Without traces of handling, but centered a bit too high for the higher classification. Exceptional quality for the issue. **(\$2,500-3,000)**

*The early \$1,000 notes, commencing with the Series of 1928 are much scarcer and quite undervalued in relation to the issues to follow.*

- 2759 \$1,000. FRN. 1934A. Dark Green Seal. STAR No.F00003317\*. Very Good to Fine.** Quite attractive. **(\$1,500-2,500)**

*This note is a mule. The serial number is recorded in the Oakes-Schwartz small size currency reference, but incorrectly not listed as a mule. It is an exceedingly rare, if not unique star from this Federal Reserve branch.*

- 2760 \$1,000. FRN 1934A. Dark Green Seal. No.G00217703A. Choice About Uncirculated.** Problem free. It appears Uncirculated without careful examination. **(\$1,500-1,750)**

## U. S. Error Currency

### A Special Collection of Mismatch Errors

Since the prefix and suffix first three digits of serial numbers are set by hand and don't change automatically, and the presses only change the last five digits, Mismatches can occur four ways:

1) By a human setting the first three digits differently at the left and right.

2) By one of the numbers skipping or freezing for a sheet or two, resulting in the following sheets no longer being synchronized. The most common mismatch - if the mismatch involves only one digit, may go unnoticed for a large part of the press run.

3) By a human incorrectly setting one prefix or suffix letter.

4) By having one number freeze for a long stretch, while the other continues to advance.

We are very pleased to be able to offer the three rarest of these types here.

2781 \$1. SC. 1957. No.G55440697A-G54440697A. **Mismatched Serial Numbers.** This well known error is one of only two mismatches reported on the 1957 \$1 Silver Certificate. **Choice Extremely Fine.** (\$100-150)

### Gem Star Note Error

2782 \$1. FRN. 1988A. STAR No.G11409784\*-G00409784\*. **Mismatched Serial Numbers.** Quite rare as a star note error, and additionally desirable as one of very few two digit mismatches. Superb, flawless condition. **Gem Uncirculated.** (\$300-400)

### Rare Error Sheet

2783 \$1. FRN. 1981. Error Uncut Sheet, One Note With **Mismatched Prefix Letter.** A 32-note sheet, with Nos.A99844717H-A99999717H for the sheet, but the third note in the last column is mis-numbered A99954717H / B99954717H. **Choice Uncirculated.** Rare in uncut sheet form. (\$300-400)

2784 \$2. FRN. 1976. No.B45439148A-H45439148A. **Mismatched Prefix.** There is a trivial corner tip bump at the lower left. **Uncirculated.** (\$400-600)

This mismatch is unlisted in Frederick Bart's reference work on error currency. For the \$2 FRN emissions, he lists only two serial number variations and no prefix or suffix errors.

### Very Rare Pair of \$5 Multiple Error Serial Number Mismatches

2785 \$5. FRN. 1977A. Two multiple major error notes: First, these two notes have the **same identical left serial number - H673496122A.** Notes of the same series and district with identical serial numbers should never happen, and make **one of the rarest errors in the small size field**, so infrequently offered that we cannot recall the last time a pair was available. Additional errors occurred, for the right serial numbers on these two notes - **H67344627A** and **H67344678A** - not only don't match each other, but are each **four-digit mismatches** with the left serial numbers as well! The fourth type of mismatch listed above, and by far the rarest. A true showpiece in the error field, with very few such pairs known. The first note is VF, the second a nice EF, both clean and crisp. (\$800-1,200)

2786 \$2. LT. 1963. No.A09661666A. A **solvent smear** has greatly blurred the Treasury Seal and right serial number. **EF**, and attractive. Solvent errors are among the scarcer errors, as are any errors on \$2 bills. (\$200-400)

- 2787 \$1. SC. 1935E. No.J34417684H. **100% Offset, face on back.** A solid offset is as dark as the original face printing, if not even darker. **Choice Extremely Fine.** (\$150-250)

*Errors of this variety are frequently encountered on modern Federal Reserve Notes, but rarely seen on early Silver Certificates.*

- 2788 \$1. SC. 1935E. Nos. V70054512H and X76906876H. **Each has the right Overprint Shifted Slightly**, one is about 2mm off to the right, while the other is 1mm too low. **Uncirculated.** [2] (\$125-175)

*Both are ready for display, with an inspector's red tag affixed to each at the lower right corner, along with an arrow pointing to the position of the error. These notes were recognized as defective, but not pulled. Quite unusual, and perhaps worth a premium above our estimate, as such.*

- 2789 \$1. FRN. 1969B. No.G94805006B. **Overprint Shifted Right about 20mm.** There is a small lower left corner tip bump. **Uncirculated.** (\$75-125)

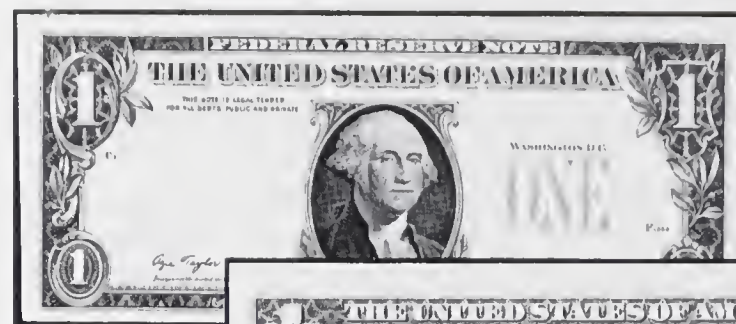

- 2790 \$1. FRN. 1974. No.B80256941B. **Inverted Overprint.** An outstanding example of this spectacular error. The quality is all one could ask for. **Gem Uncirculated.** (\$300-400)

- 2791 \$1. FRN. 1974. No.E11660940D. **Inverted Overprint.** Someone may have carried this piece in a wallet for a while as a showpiece, although it is doubtful that it actually circulated. Whatever, it shows light handling and a few creases, but retains an attractive appearance. **Extremely Fine.** (\$125-175)

- 2792 \$1. FRN. 1977. No.G62435854F. **100% Offset, face on back.** The impression is nearly as dark as the original. **Choice About Uncirculated; \$1. FRN. 1981. No.D42968365. 100% offset, back on face.** Light but legible. **Choice About Uncirculated; \$20. FRN. 1988A. No.L06398860B. 25% offset, back on face,** at the lower right. Somewhat light. **Choice Uncirculated.** [3] (\$150-250)

- 2795 \$1. FRN. 1977A. No.A16951221C. **Overprint On Back.** The third printing is missing from the face, with clear impressions of the seals and serial numbers in their proper positions, *but on the back.* Here is another popular error variety. **Gem Uncirculated.** (\$250-350)

*CGA graded Gem Uncirculated 65.*

- 2796 \$1. FRN. 1985. No.L41091972A. **Overprint On Back.** Another. Different series, superb quality. **Gem Uncirculated.** (\$250-350)

- 2797 \$1. FRN. 1988. No.F16935545C. **Overprint On Back.** A final example, this one showing traces of light handling. **Uncirculated.** (\$150-200)

- 2798 \$1. FRN. 1988A. No.G83200129I. **Printed Fold.** Quarter folded somewhat diagonally at the left, resulting in a partial printing of the seal and serial number on the exposed back, and not on the face. It is a perfect example. **Gem Uncirculated.** (\$250-350)

- 2799 \$1. FRN. 1988A. No.G83200196I. **Printed Fold.** A second virtually identical example in close serial number sequence. Quality is equally superb. **Gem Uncirculated.** (\$250-350)

- 2800 \$1. FRN. 1988A. No.B42973272X. **Missing Back Printing.** Perfectly centered. **Choice Uncirculated.** (\$200-300)

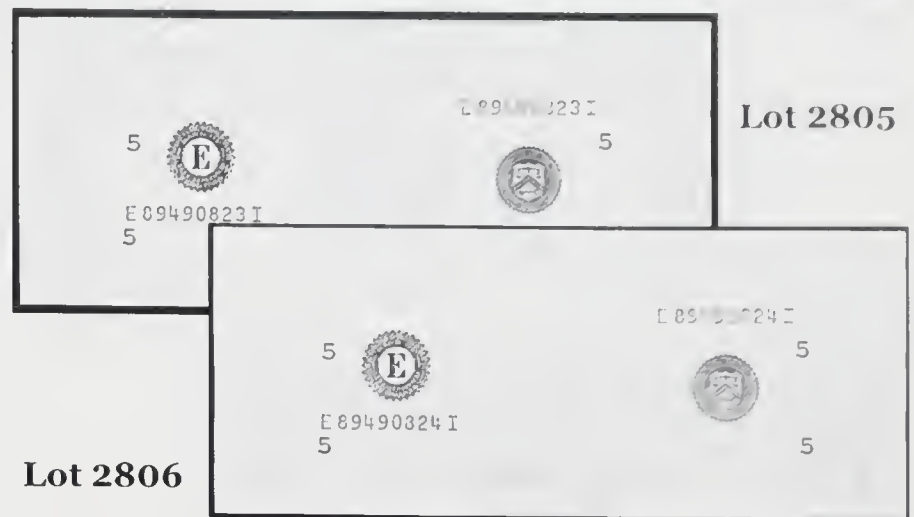

- 2801 \$1. FRN. 1995. No.F51011308A. **Combination Fold Error and Cutting Error.** This note folded diagonally following the back printing, causing a huge face only gutter fold and a cutting error due to an resulting misalignment. It is a spectacular error for the specialist. There is a faint vertical center crease. **Choice About Uncirculated.** (\$200-250)

- 2802 \$1. FRN. 1995. No.F47690949A. **Overprint On Back.** Lightly creased vertically near the center. **Choice About Uncirculated.** (\$125-175)

- 2803 \$1. FRN. 1995. No.L80027208L. **Overprint On Back.** A lovely totally fresh, unhandled example. **Gem Uncirculated.** (\$250-350)

- 2804 \$1. FRN. 1995. No.87260423C. **Missing Back Printing.** Our final example of this important error type. **Choice Uncirculated.** (\$175-275)

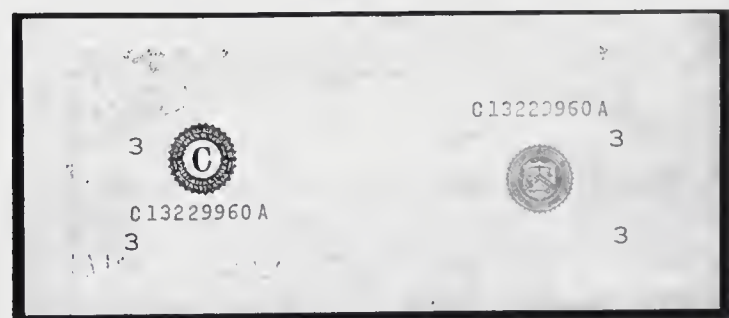

- 2805 \$1. FRN. **Unknown Series.** No.E89490823I. **Missing Second Printing.** A remarkable error, having only the seals and serial numbers on the face. **Gem Uncirculated.** (\$400-600)

- 2806 \$1. FRN. **Unknown Series.** No.E89490824I. **Missing Second Printing.** Consecutively numbered with the preceding example. Equally exceptional quality. **Gem Uncirculated.** (\$400-600)

- 2807 \$2. FRN. 1976. Nos.C22749910A and C22970311A. **Ink Smears.** The lower serial numbered note has around six small back smears at the left, while the other has a moderately sized vertical face smear right of center, extending from the lower margin upward, stopping just below the serial number. **Gem Uncirculated.** [2] (\$150-250)

- 2808 \$2. FRN. 1976. **STAR** No.C00617802\*. **Top Serial Number Missing Star Suffix.** A horizontal crayon mark right of the defective serial number indicates that this note was recognized and marked for pulling, but somehow escaped that fate. Light handling at the right margin. **Choice Uncirculated.** (\$150-200)

- 2809 \$5. FRN. 1985. No.E78895690A. **Printed Fold.** The top right corner folded over, resulting in part of the denomination registered on a butterfly fold on the back rather than the proper placement on the face. **Uncirculated.** (\$150-250)

- 2810 \$5. FRN. **Unknown Series.** No.C13229960A. **Missing Second Printing.** A classic error, and quite rare on this denomination. **Choice Uncirculated.** (\$300-400)

- 2811 **Desirable Pair of 100% Offset Printing Errors, face on back. \$5. 1988A. No.F01856783E. Upper left corner tip bend. Uncirculated; \$10. No.E96691773B. Choice About Uncirculated.** Both have a solid offset impression, although neither is particularly dark. Interestingly, the normal first face impression on the \$5 note is unusually light, while the overprint is bold. [2]  
(\$200-400)

- 2812 **\$10. FRN. 1977A. No.L81136917A. Overprint On Back.** Nicely centered and attractive. Seldom seen on this denomination. **Choice Uncirculated.**  
(\$300-400)
- 2813 **\$10. FRN. 1977A. No.L81136918A. Overprint On Back.** A second gorgeous borderline gem example, in serial number sequence with the preceding. **Choice Uncirculated.**  
(\$300-400)

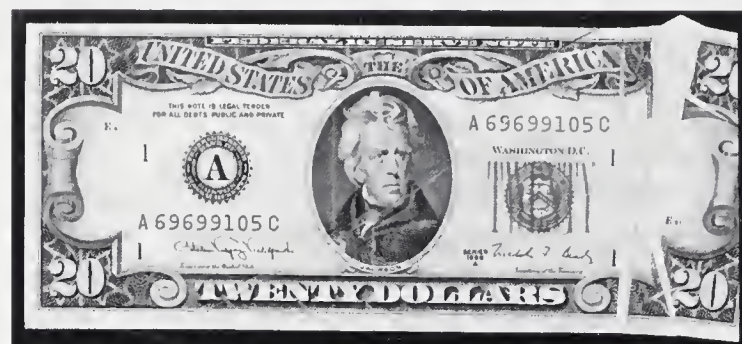

- 2814 **\$10. FRN. 1977A. No.L13477496B. Printed Fold.** The top left corner is folded over, resulting in the left seal and serial number being impressed vertically on the back, rather than on the face. **Extremely Fine.**  
(\$200-300)
- 2815 **\$20. FRN. 1934D. No.D96986293A. Crimped Paper.** The paper folded horizontally following the first printing, distorting the size of the note and creating a large unprinted section extending from the left margin past the right serial numbers which folds over, providing a complete face impression. **(\$150-200)**

- 2816 **\$20. FRN. 1977. No.B37074408F. 100% Offset, face on back.** Solidly transferred, though a bit lighter than a normal impression. **Gem Uncirculated.** (\$150-250)

- 2817 **\$20. FRN. 1985. No.L10792666H. Printed Fold.** Folded at a slight diagonal position, resulting in partial printing of the seal and serial number on the back, and a distorted cutting at the left end. **Choice Extremely Fine.**  
(\$150-250)

- 2818 **\$20. FRN. 1988A. No.38119304D. Missing First Printing.** The important blank back error. There is a tiny blue ink smudge intruding slightly into the top margin, and not as printed. **Uncirculated.** (\$300-400)

- 2819 **\$20. FRN. 1988A. No.E78558329A. Missing First Printing.** A second pleasing example of the popular blank back error type. **Choice About Uncirculated.**  
(\$300-400)

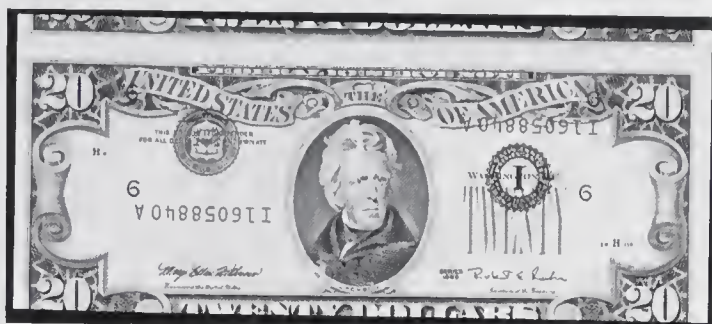

- 2820 **\$20. FRN. 1988A. No.A69699105C. Spectacular Gutter Fold.** A paper jam resulted in a series of face gutter folds and a distorted cutting, all of which occurred following the first printing. **Choice About Uncirculated.**  
(\$300-400)
- 2821 **\$20. FRN 1990. New York. No.B42353443L. Third Printing On Back. Choice EF, with two center folds.**

- 2822 **\$20. FRN. 1990. Chicago. No.G01071378C. Third Printing On Back.** The overprint is properly positioned, but on the wrong side. Light handling. **Choice Very Fine.**  
(\$200-275)

- 2823 **\$20. FRN. 1993. No Serial Number. Missing Green Third Printing.** An extremely unusual error, unlisted in Bart's reference. Electronic inspection equipment should have detected the absence of green ink during the overprinting operation, in addition to a routine visual inspection. **Choice Very Fine.** (\$600-900)

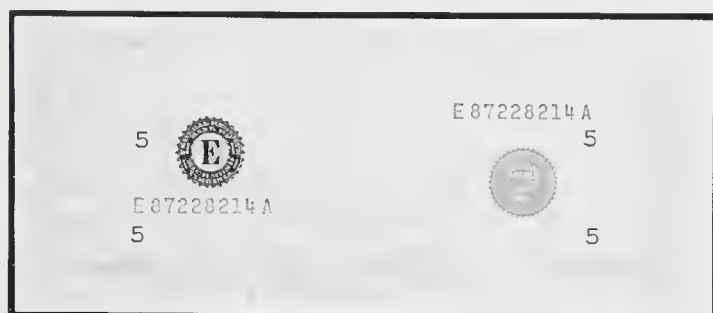

*Please note that a 10% buyer's premium will be added to each lot purchased.*

- 2824 \$20. FRN. 1995. No. I16058840A. Inverted Third Printing and Cutting Error.** Trimmed into the design at the bottom, with a 2-3mm sliver of the above note evident. Of course, the inverted overprint is a real eye-catcher. **Choice About Uncirculated.**

(\$300-500)

- 2825 \$20. FRN. Series Unknown. No. E87228214A. Missing Second Printing.** Only the district numbers, seals and serial numbers appear on the face this example. **Choice Uncirculated.**

(\$600-800)

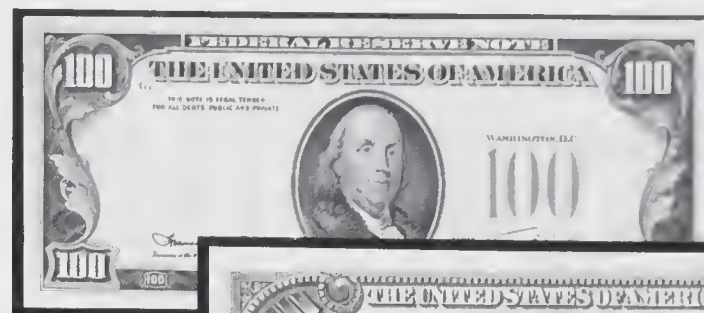

- 2826 \$20. FRN. 1996. No. AG89808161A. 5% Offset, back on face, and a Paper Jam.** Torn top and bottom margins at the far left and a slight vertical offset characterize this note. The wedge shaped tears occurred after separation into single notes, and a remnant of security thread hangs within the lower tear. **Extremely Fine.**

(\$250-350)

- 2827 \$50. FRN. 1981. No. E12786991A. 40% Offset, face on back.** A dark face impression is at the left back. **Gem Uncirculated.**

### "Boggs" Notes

### Currency Art

*The following lots are small (average 8" x 11") prints of art work created by Rodney Vanworth. His larger works have been exhibited internationally and can be found in many museum collections, including the American Numismatic Association. The small works here are of four basic styles. The main theme is the artist's rendition of currency, with various changes, such as the addition of the columns of the Lincoln Memorial to the White House, added floors, and juxtapositions of two or more different buildings or vignettes depicted on currency. Some are black and white, some pastel colored, some more brightly colored, some are of notes on various maps, and some are darker montages on cloth. Each lot will have some of each design, selected to give as little duplication as possible.*

## TERMS OF SALE

- 1) A 10% buyers charge will be added to the hammer price of each lot purchased.
- 2) All bids are per lot as numbered in this catalogue.
- 3) Bids less than **60%** of the estimate **will not be accepted.**
- 4) We reserve the right to withdraw any lot prior to sale.
- 5) All successful bidders shall be billed for postage, handling and insurance.
- 6) **We cannot be responsible for the loss of any merchandise shipped outside the United States.**
- 7) **All framed items are shipped at the purchaser's risk.**
- 8) SMYTHE reserves the right to **reject any bids not made in good faith and further reserves the right to ban any bidder from participation in its sales for any reason deemed appropriate at our sole discretion.**
- 9) A SMYTHE auction bidder expressly waives any claim or right to any accounting, damages or compensation arising out of SMYTHE'S failure to receive or execute any bid due to exclusion from our sales, clerical errors or other causes. No bids will be accepted from any person who has not signed a registration form or a bidder sheet.
- 10) United States coins and currency will not, in conformity with law, be opened at less than face value.
- 11) No "buy" or "unlimited" bids will be accepted. We will act as agents for all mail bidders in the sale. Mail bids will be opened at the next interval over the second highest bid except where the intrinsic or regular market worth of the item dictates an opening at its fair market value. Floor bidding intervals will have an average increment of about 5% at the discretion of the auctioneer. "Cut" bids (bids at less than the regular bidding intervals) will be accepted, but they must be no less than half of the regular interval over the previous bid. Each bidder may make only one "cut" bid per lot, and if they are out bid, they may make no further bids on that lot.
- 12) In the case of a tie between a mail bidder on the book and a bidder on the floor, the mail bidder shall take precedence.
- 13) **All bids must be in whole dollar amounts. Percentage increases will be rounded up to the nearest dollar.**
- 14) **Check your bid sheets carefully. We can not assume any responsibility for errors made in the amount bid or lot numbers listed. Make sure your sheet is signed.**
- 15) No minors may participate in our sales. **Agents bidding on behalf of others will be held liable if their principals fail to make payment.**
- 16) Payment for purchases is to be made by cash, check, money order or bank wire upon receipt of invoice. No lots may be taken away unless paid for in full. A late charge of 1-1/2% per month will be charged on the invoice total if payment is not received **within 10 days** of mailing the invoice. Bidders not known to us are required to deposit 25% of their total bids in advance. Credit cards will not be accepted for auction purchases.
- 17) Title does not pass until payment in full is received. SMYTHE reserves the right to await clearance of any check before making delivery.
- 18) If a collection agency or attorney is required to collect outstanding accounts, all agency and court costs, witness and attorney fees and all other costs of any kind incurred by SMYTHE in procuring judgment shall be borne by the defendant. The signer of a SMYTHE bid sheet or participant in the auction concedes the jurisdiction of the courts of the U.S. in New York City or the New York State courts as SMYTHE alone shall elect. The participant in a SMYTHE auction also assumes both corporate and personal liability for unpaid auction bills.
- 19) SMYTHE may reopen the bidding on a lot under the following circumstances: 1) SMYTHE has failed to execute correctly a mail bid. 2) A party purchasing the lot on the floor has done so in error. 3) Where a protest is made after the hammer has fallen but before bidding has commenced on the next lot. 4) Where the auctioneer has determined that he has overlooked a party still bidding on the lot but before the calling of the next lot. 5) At the discretion of the auctioneer.
- 20) In the event of dispute, the auctioneer's decision is final.
- 21) New York State sales taxes or other state sales or use taxes shall be levied, as required by law. Dealers and other non residents are reminded that sales tax must be collected unless Form ST-128.1 has been filed properly, under regulations effective 1 December 1982.
- 22) No price adjustments will be made on the hammer price of a lot whether there is a complaint about the whole lot or only one item in it. The entire lot must be returned if a refund is to be made.
- 23) In the event of unsuccessful litigation the plaintiff shall pay SMYTHE'S legal costs, counsel and witness fees and all other costs incurred by it in defense against such suit together with interest on any funds expended at the New York prime rate from the date of actual disbursement.
- 24) The same protections applicable to SMYTHE apply to each and every one of their officers and employees unless they shall be convicted of knowingly selling false or stolen goods.
- 25) SMYTHE assumes no liability for merchandise lost, stolen or damaged while in the possession of a party to whom merchandise has been shipped. The purchaser is solely responsible for the safe keeping and insurance of any items in their possession.
- 26) All accounts are payable to SMYTHE in U.S. funds and remittances must cover the service charges for foreign drafts which shall be added to each invoice.
- 27) **All material in this catalogue is unconditionally guaranteed to be genuine.**
- 28) No lots may be returned by floor bidders except for non-authenticity.
- 29) Mail bidders may return lots for reasons of non-authenticity or improper description within 5 days of receipt or thirty days from the auction's last day, whichever comes first. Failure to execute this privilege in a timely manner either from a failure to pay promptly or from any other cause shall void it.
- 30) In cases where a question has arisen as to the authenticity of an item, the purchaser must, before settlement day (30 days after the sale,) notify SMYTHE of his intention to return the item, confirmed in writing. The item will be examined by a recognized expert; if the item proves authentic, the sale will be consummated. If the item is not authentic, the sale price will be refunded.
- 31) The auctioneer reserves the right to postpone the sale by auction for a reasonable period of time as a result of any significant event which, in the sole discretion of the auctioneer, makes it advisable to postpone the event. No prospective bidder or prospective buyer shall have recourse as a result of any postponement.
- 32) The placing of a bid shall constitute **full acceptance of the foregoing terms and conditions of sale.**
